## General Information about the School Accountability Report Card (SARC)

SARC Overview

## DataQuest

California School Dashboard

## Internet Access

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English Iearners).

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2021-22 School Overview

California Virtual Academy @ Fresno believes that, given a comprehensive and mastery-based curriculum, high expectations, access to technology, strong instructional support, intentional and correlated off-line work, standards-based instruction and guidance from experienced teachers, and a strong commitment from parents or other caring adults, a well-conceived virtual education program will boost student achievement, serve the unique needs of students and families, and offer a new model for effective public education in the 21 st century.

The goals of our educational program include:

- Enabling all students to become self-motivated, competent and lifelong learners
- Empowering the parent as a learning coach through a guided program and training
- Offering flexibility and choices to increase student interest in learning
- Using a variety of lessons, activities, and modalities to improve student achievement
- Striving for mastery of all skills and proficiency of standards by every student
- Developing reflective learners
- Developing technology literate students

## Our Mission Statement

California Virtual Academy at Fresno will support our students with a culture that provides a positive and encouraging environment allowing each individual student to thrive and achieve their maximum academic success. All educational stakeholders, ensuring accountability for success now and beyond graduation, will continue to communicate and support students and learning coaches in our in our CAVA @ Fresno program.

## A. Conditions of Learning

## State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp

## B. Pupil Outcomes

## State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

## Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. Smarter Balanced Summative Assessments and CAAs for ELA in grades three through eight and grade eleven.
2. Smarter Balanced Summative Assessments and CAAs for mathematics in grades three through eight and grade eleven.
3. California Science Test (CAST) and CAAs for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only
Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more gradelevel[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

## Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

## 2020-21 Career Technical Education Programs

In the 20-21 school year, the Destinations Career Academy campus began its second year with the following CTE programs and certifications offered:

1. Business and Finance Program:

Business Management Pathway
Finance Pathway
International Business Pathway
2. Marketing, Sales, and Services Program:

Entrepreneurship/Self-Employment Pathway
Marketing Pathway
Professional Sales Pathway
3. Information and Communication Technologies Program:

Game Simulation Pathway
Information and Support Services Pathway
Networking Pathway
Systems Programming Pathway
Web and Social Media Programming Pathway
4. Health Sciences and Medical Technology Program:

Medical Assisting Pathway
Medical Coding Pathway
Sports Medicine Pathway
5. Arts, Media, and Entertainment Program:

Animation Pathway
Digital Photography Pathway
Game Design and Integration Pathway
Graphic Design Pathway
Web Design Pathway
6. Hospitality, Tourism, and Recreation Program:

Hospitality, Tourism, and Recreation Pathway
7. Certifications:

Microsoft Office Specialist
Certiport - Entrepreneurship and Small Business
Certiport - HTML5, CSS3
Adobe: Dreamweaver, InDesign
ACT National Career Readiness
All courses within each program/pathway are offered by school staff credentialed in the course of study. Students complete a course of study that includes a career exploration course, pathway specific courses and a capstone course to earn CTE pathway completion. Certifications can be earned after completion of preparatory courses within a pathway.

The CTE Advisory Committee members come from a wide range of fields in business and industry, including current program offerings, as well as planned offerings.

- Vince Saavedra- Building and Construction Trades, Manufacturing and Product Design
- Robert Nicolson- Information and Communication Technologies
- Gary Jones- Manufacturing and Product Development, Engineering and Architecture
- Juan Alvarez- College Dual Enrollment
- Gary Roldan - Post-Secondary
- Maegan Carey- Health Science and Medical Technology
- Joe Berry - Arts, Media and Entertainment
- Mark Powers - Arts, Media, and Entertainment
- Kimberly Beasley - Health Science and Medical Technology

## C. Engagement

## State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

## 2021-22 Opportunities for Parental Involvement

Direct parental involvement is fundamental to our school's success. Parents are involved from the time of initial enrollment by researching our program and choosing to enroll their child in our school. The onboarding process welcomes families, informs them of our enrollment requirements, and provides coaching and support to prepare them for success in our school.

Our program is enhanced by our commitment to providing a top-quality education to our students while also providing training and engagement opportunities to our parents and families. Parents are trained to navigate the online school platform and coached on how to provide effective learning support under the guidance of highly qualified and certificated teachers. Many parents will learn how to use computers for the first time, become efficient with email and the internet and will be exposed to a content-rich curriculum, including mathematics and problem-solving, classic literature, a comprehensive re-telling of the story of history, various musical genres, and great works of art. We keep parents informed and updated through the ParentSquare platform, social media, and the LC Community app. We have many resources available both online and offline, live and ondemand that include, Nurturing the Family series, coffee chats (English and Spanish), SEL Parent Trainings, attendance coaching and support, and parent orientations.

Parents are an integral part of the student support team at our school helping us to evaluate our program each year through participation in meetings and providing regular feedback. Each year when surveyed, parents state that they are more involved in their child's education than they were at their previous school. Through our Family Teacher Organization (FTO), LC Community App, and parent connection events, parents and families collaborate, connect, and serve as mentors to new families, as well as families that need additional support. Parents are encouraged to participate in school planning, Board of Directors, and other meetings. They are also encouraged to offer suggestions and feedback regarding outings, social events, and other activities. We have parent representatives in our school Stakeholder meeting.

## State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

## Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

| Subject | School <br> $\mathbf{2 0 1 8 - 1 9}$ | School <br> $\mathbf{2 0 2 0 - 2 1}$ | District <br> $\mathbf{2 0 1 8 - 1 9}$ | District <br> $\mathbf{2 0 2 0 - 2 1}$ | State <br> 2018-19 | State <br> 2020-21 |

| Expulsions | 0.00 | 0.00 | 0.00 | 0.00 | 0.08 | 0.00 |

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

## 2021-22 School Safety Plan

The California Virtual Academy takes staff and student health and safety very seriously. Because the school is a virtual school, there is no need for a school building where classes are held on a daily basis. The administrative office currently complies with all ADA, OSHA, and local health and safety requirements. The school has obtained all necessary permits for these offices including a building and fire marshal inspection and/or a certificate of occupancy.

Immunization forms and other pertinent medical records will be kept (confidentially) on file by the school administration. Parents are expected to ensure that their children obtain proper immunizations prior to matriculating pursuant to Chapter 1 (commencing with §120325) of Part 2 of Division 105 of the Health and Safety Code. The school may exempt students from enrolling who are not properly immunized pursuant to $\S 48216$ (a-c) of the Education Code. Those parents who are having difficulty obtaining immunizations for their children will be provided information on where to get immunized in their community.

All pertinent and required health and safety documentation is collected at time of hire or enrollment as appropriate. Documentation is on file in the student's records or employee records held in security at the Simi Valley, CA office. Copies of employee records and student records can be made available at the request of the School District.

The school has drafted health and safety procedures that the school will follow to ensure the health and safety of pupils shall which include compliance with the criminal background check requirements described in Sections 44237 and 45125.1 of the Education Code.
