

Monitoring Goals, Actions, and Resources for the 2024-25 Local Control and Accountability Plan (LCAP)

This template is intended for internal monitoring purposes only. The 2024-25 LCAP template and instructions should be consulted when completing required documents.

(6) (A) The superintendent of the school district shall present a report on the annual update to the local control and accountability plan and the local control funding formula budget overview for parents on or before February 28 of each year at a regularly scheduled meeting of the governing board of the school district. (B) The report shall include both of the following: (i) All available midyear outcome data related to metrics identified in the current year's local control and accountability plan. (ii) All available midyear expenditure and implementation data on all actions identified in the current year's local control and accountability plan.

Goal 1

Goal Description

Increase student achievement and proficiency for all students, including unduplicated pupils and those with disabilities.

Expected Annual Measurable Objectives

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Mid-Year Outcome Data	Desired Outcome for 2026-2027

Actions & Measuring and Reporting Results

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-Year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
1.1	Professional Development Professional development will focus on the implementation of the essential components of a Professional Learning Communities (PLC) and improving instructional practices based on data to address gaps in English language arts and math proficiency and improve academic growth for all students. A focus on the identification and understanding of essential standards (rigor), common grading practices, common formative assessments, collaboration, and the sharing of best practices as identified through observational data should improve proficiency. The professional learning community model ensures that students learn and are not just taught. Additionally, teachers will be provided with systematic professional development and coaching on Social	Yes	Ongoing Implementation	Elementary leaders have participated in PD focused on building a collaborative culture, change management, and conflict resolution. Missing motivation, resistance, and missing resources resulting in frustration were the most	PD has focused on the implementation of the essential components of a Professional Learning Communities (PLC). Middle school focused on creating and sustaining high-performing collaborative teams, that work to ensure high levels of learning for all, and student achievement data to support strategic instruction to improve student outcomes.	\$144,805.44	\$14132

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-Year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	Emotional Learning (SEL), aligned with the CASEL 5 framework.			<p>identified behaviors observed in staff. Actions are being considered and will be implemented to support these two areas in building the capacity within the team.</p> <p>The TK-2 staff has engaged in ongoing professional development on Orton-Gillingham instructional practices, based on the science of reading. A Reading Warm-Up has been integrated into all tier one English Language Arts (ELA) blocks for students in transitional kindergarten through second grade. In the first semester, 82.6% of TK-2 classrooms visited had evidence of the Reading Warm-Up, including Orton-</p>	High school teachers have shown significant improvement in their comfort with using rubrics and providing feedback, with only 5% reporting low comfort levels by October compared to 25% in August. There has been a notable increase in teachers' understanding and comfort with using artificial intelligence (AI) for educational tasks, with 73% reporting a good understanding of AI systems after recent training. We're seeing encouraging progress in our PLC process, with teachers reporting increased understanding of key concepts and improved ability to use data for supporting students through tiered interventions.		

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-Year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
				Gillingham practices based on the science of reading.			
1.2	Instructional Coaching Instructional coaches (IC) support the PLC process by partnering with teachers to reflect on their instructional practices and set goals seeking student outcomes as well as cycling through the four critical questions in collaborative administrative teams around what we want teachers to know and be able to do in their live instruction. IC use research-based coaching techniques to help teachers identify areas of focus, set specific goals, and implement teaching strategies designed to improve student achievement.	Yes	Ongoing Implementation	Instructional Coaches visited 99.8% of classrooms during quarter one and 99.9% of classrooms in quarter two. They met with 99.8% of teachers in quarter one and 100% in quarter two. Many teachers are choosing to meet more often to work on student focused goals. Teachers are trying new things in their classrooms to ensure students are learning and growing.	N/A	\$131,556.08	\$60227
1.3	English Language Support The school offers a Structured English Immersion (SEI) program, and services for English Learners (ELs) are based on the Initial ELPAC, annual Summative ELPAC, Interim ELPAC, and ongoing local formative and summative assessments, in alignment with the California English Language Development (ELD) Standards. Assessment results from these state and local assessments are used to create individualized language proficiency	Yes	Ongoing Implementation	According to the California school dashboard, 36.2% of English Learners (ELs) in our school progressed at least one English	28% of Long-Term English Learner (LTEL) students increased their language proficiency score from a Level 1 to a Level 2 or greater on the mid-year English Language Development (ELD) Benchmark Assessment.	\$80,979.48	\$37177

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-Year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	<p>goals that drive Designated and Integrated ELD instruction and support throughout the school year. For all English Learners, implement a Designated ELD curriculum that is research-based, aligned with the California ELD Standards, and taught by highly qualified ELD Specialists. In addition, provide Integrated ELD instruction and support by content area teachers who possess the required EL Authorization. Provide English Language Arts (ELA) and Math academic support sessions, using scaffolding and strategies to help make the rigorous academic content comprehensible for and accessible to English Learners at all language proficiency levels. In addition, provide all students with access to tutoring on-demand in English and in five primary languages from Tutor.com.</p> <p>Identify and monitor the progress of Long-Term ELs (LTELs) and At-Risk LTELs (AR-LTELs). In addition to the required Designated and Integrated ELD, provide LTELs, AR-LTELs, and Reclassified to Fluent English Proficient (RFEP) students within the four-year monitoring period who are not demonstrating success in content area classes with: Tier 2 and Tier 3 language intervention with the Off2Class program, tier 2 content area intervention for Guaranteed and Viable Curriculum ELA and Math standards, and tier 3 reading intervention using the grade level department's tier 3 intervention program. Support Newcomer students with tier 3 language intervention using the Rosetta Stone program, in addition to the required Designated and Integrated ELD. Identify ways to support newcomer students and their families to ensure the students receive the appropriate services and resources, within and beyond the school setting, to benefit their success.</p> <p>Provide effective language assistance to Limited English Proficient (LEP) students and</p>			<p>language proficiency level during the 2023-2024 school year.</p> <p>To ensure students are on track to increase their English language proficiency level in one year, our school administers a mid-year English Language Development (ELD) Benchmark Assessment on the grade-specific ELD Standards for all active English Learners (ELs). 31% of active ELs that took the mid-year ELD Benchmark Assessment increased one English language proficiency level from their Spring 2024 Summative ELPAC scores. All active ELs will take an end-of-year ELD Benchmark</p>	79% of newcomer students increased their language proficiency score from a Level 1 to a Level 2 or greater on the mid-year ELD Benchmark Assessment.		

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-Year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	<p>families with the role of a bilingual engagement coach for Spanish (the school's highest primary language other than English, as determined by language census data) and an on-staff interpreter/translator for Arabic (the school's second highest primary language other than English, as determined by language census data). Prioritize family engagement through Spanish and Arabic Language Coffee Chats for Learning Coaches, Storytime in Spanish and Arabic for students and families, and the offering of parent meetings in English and Spanish, with translation tools provided for access in other primary languages. Gather input from educational partners through the quarterly ELAC and DELAC meetings and annual ELD Needs Assessment Survey for staff and parents/guardians.</p> <p>Use feedback provided from all educational partners and EL achievement data to determine staff professional development annually. Offer professional development for ELD Specialists responsible for Designated ELD, focusing on the school's Tier 1 ELD curriculum - Launch and Link to Literacy, Tier 2 program - Off2Class, and Tier 3 Program - Rosetta Stone, as well as high-impact research-based scaffolds and strategies that align with California's ELD standards. Offer all teachers responsible for Integrated ELD with professional development to address the language and academic needs of students in content area classrooms, including cultural proficiency/competency training, how to utilize the state-adopted ELD standards in tandem with the state-adopted academic content standards, and scaffolds and strategies to provide language clarification and acquisition support during content area lessons.</p>			Assessment before taking the Summative ELPAC in Spring 2025.			

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-Year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
1.4	<p>Instructional Support</p> <p>The school uses a Multi-Tiered System of Supports (MTSS) model that helps educators provide targeted instruction and support to students. MTSS is based on research and aims to improve student outcomes by identifying and addressing student needs early. Teachers utilize formative and summative assessments to evaluate the effectiveness of instruction (tier 1) and determine which students need more targeted or intensive instruction (tiers 2 and 3) to master essential standards. Online supplemental instructional programs provide targeted intervention to students who lack the universal learning skills necessary to be successful across multiple content areas</p> <p>Instructional leads use data to oversee and monitor the response to instruction for students needing additional support in math and/or English Language Arts. They provide training for supplemental instructional programs and monitor students' participation in the programs. They also provide additional instructional support. Special Education instructional paraprofessionals support students individually or in small groups during live instruction sessions.</p> <p>The Reading Coordinator works with teachers to implement, train, and support the literacy program using research-based practices, instructional techniques, and assessment requirements that align with California's English Language Arts and Literacy Standards.</p>	Yes	Ongoing Implementation	<p>Tier 3 intensive support program used with students working below grade level, usually 2+ years. With the combination of using these programs and live instructional remediation in math and reading, the following was seen.</p> <p>Reading TK-2: 40% of students graduated out of this level of support TK-2: 43% of students in Lalilo demonstrated gains on the Star 360 Reading assessment. 6-8: 6.3% gains on STAR360 during semester 1</p> <p>Math TK-2: 38% of students graduated out of this level of support TK-2: 53% of students in</p>	<p>PEAR is a new assessment tool, with an assessment library used by all grade levels to measure proficiency on vital grade level standards. There has been monthly growth of the percentage of Tk-2 students that have mastered a particular standard after instruction and remediation. 100% of Tk-2 teachers are using this assessment library and we are continuing ongoing training on how to decipher the data and use it to group students accordingly. 3-5 teachers contribute PEAR to more effective student groupings for intervention and extension with targeted practice of specific standards and skills. MS teachers reported barriers with the program. Administration is using feedback to make improvements to ensure the program is more effective and easier to use moving forward. In high school, the English department has implemented the assessment tool. It</p>	\$74,524.42	\$112084

				<p>Freckle demonstrated gains on the Star 360 Math assessment. 3rd: 71% gains on STAR360 during semester 1 4th: 74% gains on STAR360 during semester 1 5th: 73% gains on STAR360 during semester 1 6-8: 13.3% gains on STAR360 during semester 1</p> <p>Grades 3-8 use Accelerated Reader (AR) to improve reading ability. 3rd to 5th, using AR had a 52.4% increase in Oral Reading Fluency. Middle school students using AR performed higher than all students on post-instruction standard mastery assessments.</p>	provides with valuable insights into student learning and help us refine our teaching strategies. The math department plans to fully implementation it by Fall 2025.		

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-Year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
1.5	Career & Technical Education (CTE) The Career & Technical Education (CTE) program, focuses on the importance of career readiness education and the opportunities it can provide for youth in high-demand, high-growth job fields. Our program will continue to offer and enhance our current industry sectors of Business and Finance, Marketing, Sales, and Services, Information and Communication Technologies (IT), Arts, Media, and Entertainment (AME), Health Science and Medical Technology, and Public Services. The program also offers the students the opportunity to participate in a student-led Career & Technical Student Organization (CTSO), SkillsUSA, focusing on building student leadership skills and technical skills in preparation for college or career. The program provides small group College & Career Readiness lessons hosted by the schools' counselors, work-based learning opportunities for all students working toward pathway completion, and Project Based Learning (PBL) electives, allowing the students to be more hands-on in their learning. Dedicated CTE leadership and curriculum specialists work to ensure equitable opportunities and access to engaging and relevant content for all students. Careers and CTE course options were expanded to Middle School. Students have the option to enroll in a career exploration course. Once the course is complete, they can enroll in High School IT, Business, or AME courses for high school credit.	Yes	Ongoing Implementation	Overall CTE Course Pass Rate: 12th: 88% 11th: 82% 10th 74% 9th: 73% Special Population Gains: Students with Disabilities (IEP): 66% (+10%) English Learners (EL): 66% (+8%) Socioeconomic ally Disadvantaged (SED): 76% (+8%) Certification Exams & Career Readiness: 54% of students passed their certification exams during the first semester. More students will have opportunities to earn certifications in the spring! ASVAB Career Readiness Testing will be available next semester for	During semester 1 (24-25) students earned many Job Ready and Career Skills certifications, including Adobe Animate, IT Specialist: Cybersecurity, and Entrepreneurship & Small Business. 2 students earned dual enrollment credits between attendance at our two partner colleges, Norco Community College, and Irvine Valley Community College. We have secured 17 new business/industry partnerships & 6 post-secondary partnerships for a total of 23 new partners in S1. We have hosted 42 WBL events in various locations, including our CAVA Career Chats, a Military Career Fair, a Health Sciences Career Fair, an Arts, Media, and Entertainment Career Fair, a College Fair, and the ASVAB. We hosted Workshop Wednesdays in collaboration with our Prep Program Counselors and a Student Success Coach. We have added Focus Friday events for students	\$103,015.19	\$45043

				students exploring military or technical career paths.	during which we share about internships, apprenticeships, and volunteer opportunities available throughout California.		
1.6	Summer School The MTSS model is used to determine eligibility for summer school classes focused on supporting at-risk students through extended learning time. Elementary summer classes will focus on reading and math interventions. Middle school classes will front-load students on the next grade level standards, providing foundational skills, and remediation, to prevent learning loss. The high school will offer students who are credit deficient credit recovery courses and standard courses for those who need to maintain their A-G status. Elementary will also offer a Jump Start program to allow new students to learn to navigate the online school and virtual classroom platforms, as well as build on basic skills. These classes will also provide students the opportunity to meet other students and begin to feel a part of the school community.	No Yes	Fully Implemented	End of Summer 2024 (Increased Proficiency %) ELA Kinder 11% 1st 12% 2nd 7% 3rd 1.5% 4th 19.8% 5th 42% 6th 28% 7th 23% Math Kinder 14% 1st 13% 2nd 7% 3rd maintained 4th 6.6% 5th - 45% 6th - 26% 7th - 34% High School Summer Course Pass Rate- 90% Standard Courses 87% Credit Recovery Courses	Students in Tk-2 who are newly enrolling in California Virtual Academies for an upcoming school year, can sign up to participate in a Jumpstart Summer Program to help get them acclimated. Of the students that participated, an average of 60% of the students ranked the program has beneficial and an average of 85% of parents indicated the program was beneficial. Grades 3-5 Jump Start Program At the end of Q1 - 67% of students that were enrolled in Jumpstart were still enrolled in our program.	\$27,857.59	\$19857

	<p>commitments aimed at helping students achieve their academic objectives. Tier 2 and Tier 3 sessions are structured to assist students in achieving personalized learning objectives aligned with the guaranteed and viable curriculum (GVCs) standards in Mathematics and English Language Arts (ELA). Educators evaluate student assessment data to identify the specific learning targets within the standards where the student demonstrates a lack of proficiency. The student is scheduled for sessions that offer focused and timely interventions. Tier 3 instruction aims to address deficiencies in foundational skills.</p> <p>High school teachers convene weekly for data meetings, they analyze data to identify students who require additional assistance in achieving mastery of the course standards. Teachers implement targeted intervention sessions several times a week, offering these students a renewed chance to understand the essential standards. Office hours allow students to pose questions, seek clarification, and improve their comprehension of the subject matter.</p>			<p>tool (SWIFT Fidelity Assessment) which measures the effectiveness of the MTSS/Intervention Team, a problem-solving team designed to ensure students that are most at-risk for academic unsuccess get the intervention they need, when they need it.</p> <p>24-25 Semester 1 MTSS/Intervention Team has increased the fully implemented success criteria from 19% to 40% Supplemental and intensive intervention program has increased in the fully implemented success criteria from 16% to 59%</p>			

Goal 2

Goal Description

Provide safe and effective learning environments that foster positive school culture and connection driven by the input of parents, teachers, staff, and students that is inclusive and representative of the school's population.

Expected Annual Measurable Objectives

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Mid-Year Outcome Data	Desired Outcome for 2026-2027
2.1	<p>Parent Input in Decision Making</p> <p>Summary of the trends and feedback from various parent surveys.</p> <p>Source: Dashboard Local Indicator, Parent and Family Engagement</p>	<p>2023</p> <p>Overall, parents are satisfied with the school, consider it beneficial for their children, and appreciate the support provided by the staff and teachers. Having access to review their student's progress and preview curriculum is important to them. It is appreciated by them that the curriculum is versatile and comprehensive and that their students have access to a variety of courses of study. In their surveys, parents indicate that they are pleased with the variety of opportunities that the school offers to high school students as well as socialization activities for students of all ages. They appreciate that the school rewards students who excel and succeed.</p>	<p>2024</p> <p>(83%) Agree / Strongly Agree: "I have been given opportunities to participate in decision-making regarding my student's education." (88%) Agree / Strongly Agree: "The school has created a welcoming environment for all families in the community."</p> <p>Parents generally convey satisfaction with the school, which positively impacts all students. They value the assistance teachers and staff provide and the school's efficient communication with students and families. Daily prompts regarding class attendance and assignments help students stay focused. Parents appreciate the chance to monitor their child's progress and access educational materials in advance to address any</p>		See Year 1 Outcome	Increase parental involvement

2.1	English Language Services Provide interpreter and translation services so families who speak a language other than English will be engaged in school.	Yes	Ongoing Implementation	N/A	DTS is used for translations and CLI is used for on demand over the phone interpreting. ParentSquare is used to communicate with parents since messages can easily be translated into many languages.	\$3,539.37	\$1943
2.2	Engagement To enhance student academic achievement and elevate graduation rates, the school prioritizes family engagement as a key strategy. Staff takes the initiative to reach diverse families through regular and reciprocal school-to-home communication via newsletters, email, texting, phone calls, and live or recorded sessions. Regular, positive, respectful, and productive communication is used to establish a trusting relationship with families. Educational partner meetings and surveys provide an opportunity for families to provide feedback. For the home-school partnerships to result in improved student outcomes, the school models strategies to support learning at home. Being an independent student program, families play a vital role in their child's education. To set them up for success, new families are provided information, resources, and support, to ensure they understand how to utilize the online school and meet enrollment requirements. To provide a healthy and positive school culture and climate the school has integrated enrichment and extracurricular activities for students into our program. In addition, these activities provide a channel for reinforcing the lessons learned in the classroom, offering students the opportunity to apply academic skills in a real-world context, and are thus considered part of a well-rounded education. Research shows a positive correlation	Yes	Ongoing Implementation	School engagement activities include clubs, outings, celebration events, pop-up events, picture days, park days, and Adventures in Reading. 68 clubs, grades TK-12, including after-hour clubs, monthly clubs within the school day, and in-person clubs (38% increase from 23-24 SY). 5% increase in the number of students who registered to participate in clubs from quarters 1 to 2. Events include in-person and virtual outings, Gingerbread Celebrations,	Students in grades 3-8 can access the CAVA K12 Zone during designated grade-specific sessions throughout the week, while high school students can access the National K12 Zone Monday through Friday. In the zone, students can play games, participate in virtual activities, and connect with their peers. Schoolwide Parent Engagement events, include partner engagement meetings, parenting with purpose workshops, coffee chats, family teacher organization (FTO), and live Learning Coach (LC) sessions. Parents/LCs can connect through the LC Community social platform. This group offers a space to engage with fellow LCs, access CAVA-	\$37,627.40	\$15449

	between participation in extracurricular activities and academic performance (HonorsSociety.org, 2023). Students who participate in these activities often show improved grades, higher educational aspirations, increased college enrollment, and reduced absenteeism. Extracurricular activities also contribute significantly to personal development, fostering essential life skills and enhancing students' overall well-being.			picture days including vision and hearing screening, park days, family game night, and Adventures in Reading. 34% increase, from quarter 1 to 2, in the number of in-person events offered.	specific resources, and receive support from knowledgeable staff.		
2.3	Social Emotional Learning, Prevention, and Intervention The SEL, Prevention & Intervention Department is dedicated to building and fostering supportive relationships within our school community - with staff, families, and students. Strong relationships with teachers and school staff can dramatically enhance students' motivation levels and promote learning. According to Harvard's Center on the Developing Child, individuals who demonstrate resilience in response to one form of adversity may not necessarily do so in response to another. When schools, communities, and families strengthen these factors, they optimize resilience across multiple contexts. The SEL, Prevention & Intervention Department will support student resilience by: fostering supportive adult-child relationships scaffolding learning so students build a sense of self-efficacy and control strengthening adaptive skills and self-regulatory capacities through explicit SEL instruction providing specialized support and targeted resources to students and families dealing with trauma Identifying and implementing protocols to ensure school and student safety.	No	Partially Implemented	Fall 2024-25 Students who completed SEL Support with an SEL Support Coach 8% reduction in Non-Compliance Letter #2 in the previous month 58% of students who completed the support term 9% average improvement in students reporting "I know who I can reach out to for help." 3% average improvement in Self-Awareness/Self-Management for grades 3-12 We know that when students	The Red Book for Leaders is a directory of school processes, resources, and supports. It is a reference tool when a leader responds to student or staff concerns. Prior to the administration team being trained on the Redbook, the average score for the following was 3.8, ""When responding to a student safety concern, I am confident in the process I should follow and how to get support.""", after it was 4.6.	\$55,803.86	\$20173

	implementation. Team members collaborate to develop schedules that include coursework aligned with the "a-g" requirements for all high school students, while also ensuring access to advanced classes when needed. They engage with administrators, educators, parents, and students to design a challenging schedule that meets the needs of every student.						
3.4	Curriculum Specialist Curriculum Specialists play a crucial role in ensuring that the school delivers a high-quality curriculum that meets the state standards. They facilitate the work to align essential standards to state testing blueprints, as, well as, vertically aligning the essential standards from TK to 12th grade, on an annual basis. The essential standards bring coherence to instruction by articulating goals that are attainable and increasing students' knowledge. They work to reduce achievement and climate gaps and ensure equity for every student.	Yes	Ongoing Implementation	N/A	<p>Elementary curriculum specialists have effectively launched the new PEAR assessment library which is used to monitor mastery of the most important standards in each grade level. They have collected data monthly to show growth by standard and lead the charge in collective evidence and sharing out best instructional practices after reviewing this data.</p> <p>Middle school Curriculum Specialists created Student Achievement Plans (SAPs) are grade-level documents that list all of the Online Middle School Lessons, and the essential lessons (Guaranteed Viable Curriculum) highlighted within those lessons.</p>	\$45,619.81	\$22496

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-Year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
					Teachers use the SAPs to plan, pace and reference GVC lessons to support student mastery of those GVC standards.		
3.5	MKV/FY McKinney Vento and Foster Youth Liaisons will ensure students living in homeless situations and/or foster youth have full and equal access to school programs, support to meet academic standards, and resources to remove barriers so they can engage with school. These supports are need-based and include providing students living in a homeless situation a hotspot so they can access their online classes, necessary school supplies to complete assigned work, and hygiene kits to meet basic personal needs.	No	Ongoing Implementation	N/A	There was a 30.8% increase in the number of unhoused students from fall 2023 to fall 2024. We have increased the number of FTE of the McKinney Vento & Foster Support Specialist position.	\$12,911.97	\$6876
3.6	Staff Training All teachers who are new to our school will be provided with multiple levels of support. First, they will begin the school year early so they can receive training on the nuts and bolts of operations before all staff professional begins. Instructional teacher leaders will be assigned to new to our school teachers to ensure all students are learning. These teachers will also be paired with veteran teachers who will support them with their assigned duties. New leaders will be provided with similar support. Including being paired with a veteran leader. New teachers and new administrators will be provided with an induction mentor when appropriate. They will meet regularly and work with an induction program that the inductee has chosen.	Yes	Ongoing Implementation	N/A	As new teachers are assigned, they meet with trainers to ensure a smooth transition into our virtual school and the classroom. When new teachers are enrolled in an induction program, they are provided with a mentor at our school. At the beginning of the school year, teachers new to our school received 5 additional days of training before school started.	\$34,520.85	\$24164
