Primary Location:
Zoom Meeting: <https://zoom.us/j/3446279195>
Conference call: (669) 900-9128 Meeting ID: 344 627 9195
Alternate Locations:
77151 Iroquois Drive, Indian Wells, CA 92210
18041 Starmont Lane, Huntington Beach CA 92649
957 Red Granite Rd, Chula Vista, CA 91913
3375 Camino del Rio South Suite 130, San Diego, CA 92108

**INSTRUCTIONS FOR PRESENTATIONS TO
THE BOARD BY PARENTS AND CITIZENS**

The California Virtual Academy at San Diego ("School") welcomes your participation at the School's Board meetings. The purpose of a public meeting of the Board of Directors ("Board") is to conduct the affairs of the School in public. We are pleased that you are in attendance and hope that you will visit these meetings often. Your participation assures us of continuing community interest in our School. To assist you in the ease of speaking/participating in our meetings, the following guidelines are provided.

1. Agendas are available to all audience members at the door to the meeting or by requesting the agenda from the California Virtual Academy Office (805-581-0202). You may also email carobinson@caliva.org.
2. "Requests to Speak" forms are available to all audience members who wish to speak on any agenda items or under the general category of "Oral Communications." Speakers may also request to be placed on "Speakers List" by calling the California Virtual Academy Office (805-581-0202) or emailing carobinson@caliva.org seventy-two hours in advance of the meeting.
3. The "Oral Communications" portion is set-aside for members of the audience to raise issues that are not specifically on the agenda. However, due to public meeting laws, the Board can only listen to your issue, not respond or take action. These presentations are limited to three (3) minutes and total time allotted to non-agenda items will not exceed fifteen (15) minutes. The Board may give direction to staff to respond to your concern or you may be offered the option of returning with a citizen-requested item.
4. With regard to items that are on the agenda, you may specify that agenda item on your blue request form and you will be given an opportunity to speak for up to five (5) minutes when the Board discusses that item.
5. When addressing the Board, speakers are requested to state their name and address from the podium and adhere to the time limits set forth.
6. Citizens may request that a topic related to school business be placed on a future agenda by submitting a written request at least seventy-two (72) hours in advance of any regular meeting. Once such an item is properly agendized and publicly noticed, the Board can respond, interact, and act upon the item.

California Virtual Academy at San Diego does not discriminate on the basis of age, race, creed, color, sex, national origin, religion, gender, physical or mental disability, ancestry or marital status, in any of its policies, procedures or practices.

In compliance with the Americans with Disabilities Act (ADA) and upon request, Charter School may furnish reasonable auxiliary aids and services to qualified individuals with disabilities. Individuals who require appropriate alternative modification of the agenda in order participate in Board meetings are invited to contact California Virtual Academy at San Diego office at (805)581-0202.

I. PRELIMINARY

A. CALL TO ORDER

Meeting was called to order by the Board Chair at 10:31 A.M.

B. ROLL CALL

	Present	Absent
Mr. Jack Creedon (President)	_____	<u>X</u>
Dr. Ruben Garcia (Secretary)	_____	<u>X</u>
Dr. Shelly Hess	<u>X</u>	_____
Ms. Lori Enroth (Treasurer)	<u>X</u>	_____
Ms. Stephanie Green	<u>X</u>	_____

C. FLAG SALUTE

- Leah Fellows led

NOTICE OF PUBLIC HEARING

TIME AND DATE: February 25, 2025 10:30 AM
During its Regular Board Meeting

LOCATION: Zoom Meeting: <https://zoom.us/j/3446279195>

SUBJECT: Local Control Accountability Plan

Opening of Public Hearing: 10:32 AM

- Melissa Ramirez (parent) would like to see more interaction with the LCAP reports during the LCAP meetings.

Closing of Public Hearing: 10:34 AM

II. COMMUNICATIONS

- A. **ORAL COMMUNICATIONS:** Non-agenda items: no individual presentation shall be for more than three (3) minutes and the total time for this purpose shall not exceed fifteen (15) minutes. Ordinarily, Board members will not respond to presentations and no action can be taken. However, the Board may give direction to staff following a presentation.

- Melissa Ramirez (Parent) shared that she emailed board members this morning regarding concerns about technology, attendance, curriculum access, secure browser on student's computer and better expectations for all.

B. For Information: Director's Report

This is a presentation of information which has occurred since the previous Board meeting.

- Enrollment total is 4311; 1874 in TK-5th, 1202 in MS, and 1235 in HS

C. For Information: Board/Staff Discussions

Board and staff discuss items of mutual interest.

- LCAP mid-year review

Leah Fellows shared overview

D. Approval of Previous Board Meeting Minutes

Moved: Lori

2nd: Shelly

APPROVED

III. CONSENT AGENDA ITEMS

All matters listed under the consent agenda are considered by the Board to be routine and will be approved/enacted by the Board in one motion in the form listed below. Unless specifically requested by a Board member for further discussion or removed from the agenda, there will be no discussion of these items prior to the Board votes on them. The director recommends approval of all consent agenda items.

IV. SCHEDULED FOR ACTION

A. BUSINESS

Local Control Accountability Plan

- No questions asked.

APPROVED

BDRPT 01

FY 2024-25 Second Interim Budget Update

- No questions asked.

APPROVED

BDRPT 02

Ratification of Disbursements

- No questions asked.

APPROVED

BDRPT 03

B. PERSONNEL

2024-25 Employment Agreements and Terminations

- No questions asked.

APPROVED

BDRPT 04

C. INSTRUCTION AND CURRICULUM

2025-26 School Calendar

- No questions asked. This calendar is very similar to the calendar from this school year.

BDRPT 05

School Accountability Report Card

- No questions asked.

BDRPT 06

E. PUPIL SERVICES

None

V. ITEMS SCHEDULED FOR INFORMATION

None

VI. ADJOURNMENT

The meeting was adjourned at 11:12 A.M.

POWERED BY STRIDE K12

Monitoring Goals, Actions, and Resources for the 2024-25 Local Control and Accountability Plan (LCAP)

This template is intended for internal monitoring purposes only. The 2024-25 LCAP template and instructions should be consulted when completing required documents.

(6) (A) The superintendent of the school district shall present a report on the annual update to the local control and accountability plan and the local control funding formula budget overview for parents on or before February 28 of each year at a regularly scheduled meeting of the governing board of the school district. (B) The report shall include both of the following: (i) All available midyear outcome data related to metrics identified in the current year's local control and accountability plan. (ii) All available midyear expenditure and implementation data on all actions identified in the current year's local control and accountability plan.

Actions & Measuring and Reporting Results

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-Year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
1.1	Professional Development Professional development will focus on the implementation of the essential components of a Professional Learning Communities (PLC) and improving instructional practices based on data to address gaps in English language arts and math proficiency and improve academic growth for all students. A focus on the identification and understanding of essential standards (rigor), common grading practices,	Yes	Ongoing Implementation	Elementary leaders have participated in PD focused on building a collaborative culture, change management, and conflict resolution.	PD has focused on the implementation of the essential components of a Professional Learning Communities (PLC). Middle school focused on creating and sustaining high-performing collaborative teams,	\$161,020.25	\$52498

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-Year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	common formative assessments, collaboration, and the sharing of best practices as identified through observational data should improve proficiency. The professional learning community model ensures that students learn and are not just taught. Additionally, teachers will be provided with systematic professional development and coaching on Social Emotional Learning (SEL), aligned with the CASEL 5 framework.			Missing motivation, and resistance, and missing resources resulting in frustration were the most identified behaviors observed in staff. Actions are being considered and will be implemented to support these two areas in building the capacity within the team. The TK-2 staff has engaged in ongoing professional development on Orton-Gillingham instructional practices, based on the science of reading. A Reading Warm-Up has been integrated into all tier one English Language Arts (ELA) blocks for students in transitional kindergarten through second grade. In the	that work to ensure high levels of learning for all, and student achievement data to support strategic instruction to improve student outcomes. High school teachers have shown significant improvement in their comfort with using rubrics and providing feedback, with only 5% reporting low comfort levels by October compared to 25% in August. There has been a notable increase in teachers' understanding and comfort with using artificial intelligence (AI) for educational tasks, with 73% reporting a good understanding of AI systems after recent training. We're seeing encouraging progress in our PLC process, with teachers reporting increased understanding of key concepts and improved ability to use data for supporting students through tiered interventions.		

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-Year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
				first semester, 82.6% of TK-2 classrooms visited had evidence of the Reading Warm-Up, including Orton-Gillingham practices based on the science of reading.			
1.2	Instructional Coaching Instructional coaches (IC) support the PLC process by partnering with teachers to reflect on their instructional practices and set goals seeking student outcomes as well as cycling through the four critical questions in collaborative administrative teams around what we want teachers to know and be able to do in their live instruction. IC use research-based coaching techniques to help teachers identify areas of focus, set specific goals, and implement teaching strategies designed to improve student achievement.	Yes	Ongoing Implementation	Instructional Coaches visited 99.8% of classrooms during quarter one and 99.9% of classrooms in quarter two. They met with 99.8% of teachers in quarter one and 100% in quarter two. Many teachers are choosing to meet more often to work on student focused goals. Teachers are trying new things in their classrooms to ensure students are learning and growing.	N/A	\$422,495.71	\$159890
1.3	English Language Support The school offers a Structured English Immersion (SEI) program, and services for	Yes	Ongoing Implementation	According to the California school	28% of Long-Term English Learner (LTEL) students increased	\$261,125.82	\$98881

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-Year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	English Learners (ELs) are based on the Initial ELPAC, annual Summative ELPAC, Interim ELPAC, and ongoing local formative and summative assessments, in alignment with the California English Language Development (ELD) Standards. Assessment results from these state and local assessments are used to create individualized language proficiency goals that drive Designated and Integrated ELD instruction and support throughout the school year. For all English Learners, implement a Designated ELD curriculum that is research-based, aligned with the California ELD Standards, and taught by highly qualified ELD Specialists. In addition, provide Integrated ELD instruction and support by content area teachers who possess the required EL Authorization. Provide English Language Arts (ELA) and Math academic support sessions, using scaffolding and strategies to help make the rigorous academic content comprehensible for and accessible to English Learners at all language proficiency levels. In addition, provide all students with access to tutoring on-demand in English and in five primary languages from Tutor.com. Identify and monitor the progress of Long-Term ELs (LTELs) and At-Risk LTELs (AR-LTELs). In addition to the required Designated and Integrated ELD, provide LTELs, AR-LTELs, and Reclassified to Fluent English Proficient (RFEP) students within the four-year monitoring period who are not demonstrating success in content area classes with: Tier 2 and Tier 3 language intervention with the Off2Class program, tier 2 content area intervention for Guaranteed and Viable Curriculum ELA and Math standards, and tier 3 reading intervention using the grade level department's tier 3 intervention program. Support Newcomer students with tier 3 language intervention using the Rosetta Stone program, in addition to the required Designated and Integrated ELD. Identify ways			dashboard, 34.5% of English Learners (ELs) in our school progressed at least one English language proficiency level during the 2023-2024 school year. To ensure students are on track to increase their English language proficiency level in one year, our school administers a mid-year English Language Development (ELD) Benchmark Assessment on the grade-specific ELD Standards for all active English Learners (ELs). 31% of active ELs that took the mid-year ELD Benchmark Assessment increased one English language proficiency level	their language proficiency score from a Level 1 to a Level 2 or greater on the mid-year English Language Development (ELD) Benchmark Assessment. 79% of newcomer students increased their language proficiency score from a Level 1 to a Level 2 or greater on the mid-year ELD Benchmark Assessment.		

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-Year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	to support newcomer students and their families to ensure the students receive the appropriate services and resources, within and beyond the school setting, to benefit their success. Provide effective language assistance to Limited English Proficient (LEP) students and families with the role of a bilingual engagement coach for Spanish (the school's highest primary language other than English, as determined by language census data) and an on-staff interpreter/translator for Arabic (the school's second highest primary language other than English, as determined by language census data). Prioritize family engagement through Spanish and Arabic Language Coffee Chats for Learning Coaches, Storytime in Spanish and Arabic for students and families, and the offering of parent meetings in English and Spanish, with translation tools provided for access in other primary languages. Gather input from educational partners through the quarterly ELAC and DELAC meetings and annual ELD Needs Assessment Survey for staff and parents/guardians. Use feedback provided from all educational partners and EL achievement data to determine staff professional development annually. Offer professional development for ELD Specialists responsible for Designated ELD, focusing on the school's Tier 1 ELD curriculum - Launch and Link to Literacy, Tier 2 program - Off2Class, and Tier 3 Program - Rosetta Stone, as well as high-impact research-based scaffolds and strategies that align with California's ELD standards. Offer all teachers responsible for Integrated ELD with professional development to address the language and academic needs of students in content area classrooms, including cultural proficiency/competency training, how to utilize the state-adopted ELD standards in tandem with the state-adopted academic content			from their Spring 2024 Summative ELPAC scores. All active ELs will take an end-of-year ELD Benchmark Assessment before taking the Summative ELPAC in Spring 2025.			

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-Year Outcome Data	Other Data/Evidence (qualitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	standards, and scaffolds and strategies to provide language clarification and acquisition support during content area lessons.						
1.4	Instructional Support The school uses a Multi-Tiered System of Supports (MTSS) model that helps educators provide targeted instruction and support to students. MTSS is based on research and aims to improve student outcomes by identifying and addressing student needs early. Teachers utilize formative and summative assessments to evaluate the effectiveness of instruction (tier 1) and determine which students need more targeted or intensive instruction (tiers 2 and 3) to master essential standards. Online supplemental instructional programs provide targeted intervention to students who lack the universal learning skills necessary to be successful across multiple content areas Instructional leads use data to oversee and monitor the response to instruction for students needing additional support in math and/or English Language Arts. They provide training for supplemental instructional programs and monitor students' participation in the programs. They also provide additional instructional support. Special Education instructional paraprofessionals support students individually or in small groups during live instruction sessions. The Reading Coordinator works with teachers to implement, train, and support the literacy program using research-based practices, instructional techniques, and assessment requirements that align with California's English Language Arts and Literacy Standards.	Yes	Ongoing Implementation	Tier 3 intensive support program used with students working below grade level, usually 2+ years. With the combination of using these programs and live instructional remediation in math and reading, the following was seen. Reading TK-2: 40% of students graduated out of this level of support TK-2: 43% of students in Lailo demonstrated gains on the Star 360 Reading assessment. 6-8: 12.7% gains on STAR360 during semester 1	PEAR is a new assessment tool, with an assessment library used by all grade levels to measure proficiency on vital grade level standards. There has been monthly growth of the percentage of Tk-2 students that have mastered a particular standard after instruction and remediation. 100% of Tk-2 teachers are using this assessment library and we are continuing ongoing training on how to decipher the data and use it to group students accordingly. 3-5 teachers contribute PEAR to more effective student groupings for intervention and extension with targeted practice of specific standards and skills. MS teachers reported barriers with the program. Administration is using feedback to make improvements to	\$297,114.75	\$339258

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-Year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
				Math TK-2: 38% of students graduated out of this level of support TK-2: 53% of students in Freckle demonstrated gains on the Star 360 Math assessment. 3rd: 71% gains on STAR360 during semester 1 4th: 74% gains on STAR360 during semester 1 5th: 73% gains on STAR360 during semester 1 6-8: 13.4% gains on STAR360 during semester 1 Grades 3-8 use Accelerated Reader (AR) to improve reading ability. 3rd to 5th, using AR had a 52.4% increase in Oral Reading Fluency. Middle school students using AR performed	ensure the program is more effective and easier to use moving forward. In high school, the English department has implemented the assessment tool. It provides with valuable insights into student learning and help us refine our teaching strategies. The math department plans to fully implementation it by Fall 2025.		

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-Year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
1.5	Career & Technical Education (CTE) The Career & Technical Education (CTE) program, focuses on the importance of career readiness education and the opportunities it can provide for youth in high-demand, high-growth job fields. Our program will continue to offer and enhance our current industry sectors of Business and Finance, Marketing, Sales, and Services, Information and Communication Technologies (IT), Arts, Media, and Entertainment (AME), Health Science and Medical Technology, and Public Services. The program also offers the students the opportunity to participate in a student-led Career & Technical Student Organization (CTSO), SkillsUSA, focusing on building student leadership skills and technical skills in preparation for college or career. The program provides small group College & Career Readiness lessons hosted by the schools' counselors, work-based learning opportunities for all students working toward pathway completion, and Project Based Learning (PBL) electives, allowing the students to be more hands-on in their learning. Dedicated CTE leadership and curriculum specialists work to ensure equitable opportunities and access to engaging and relevant content for all students. Careers and CTE course options were expanded to Middle School. Students have the option to enroll in a career exploration course. Once the course is complete, they can enroll in High School IT, Business, or AME courses for high school credit.	Yes	Ongoing Implementation	higher than all students on post-instruction standard mastery assessments. Overall CTE Course Pass Rate: 12th: 88% 11th: 82% 10th 74% 9th: 73% Special Population Gains: Students with Disabilities (IEP): 66% (+10%) English Learners (EL): 66% (+8%) Socioeconomic ally Disadvantaged (SED): 76% (+8%) Certification Exams & Career Readiness: 54% of students passed their certification exams during the first semester. More students will have opportunities to	During semester 1 (24-25) students earned many Job Ready and Career Skills certifications, including Adobe Animate, IT Specialist: Cybersecurity, and Entrepreneurship & Small Business. 33 students earned dual enrollment credits between attendance at our two partner colleges, Norco Community College, and Irvine Valley Community College. We have secured 17 new business/industry partnerships & 6 post-secondary partnerships for a total of 23 new partners in S1. We have hosted 42 WBL events in various locations, including our CAVA Career Chats, a Military Career Fair, a Health Sciences Career Fair, an Arts, Media, and Entertainment Career Fair, a College Fair, and the ASVAB. We hosted Workshop	\$341,441.90	\$126432

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-Year Outcome Data	Other Data/Evidence (qualitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
				earn certifications in the spring! ASVAB Career Readiness Testing will be available next semester for students exploring military or technical career paths.	Wednesdays in collaboration with our Prep Program Counselors and a Student Success Coach. We have added Focus Friday events for students during which we share about internships, apprenticeships, and volunteer opportunities available throughout California.		
1.6	Summer School The MTSS model is used to determine eligibility for summer school classes focused on supporting at-risk students through extended learning time. Elementary summer classes will focus on reading and math interventions. Middle school classes will front-load students on the next grade level standards, providing foundational skills, and remediation, to prevent learning loss. The high school will offer students who are credit deficient credit recovery courses and standard courses for those who need to maintain their A-G status. Elementary will also offer a Jump Start program to allow new students to learn to navigate the online school and virtual classroom platforms, as well as build on basic skills. These classes will also provide students the opportunity to meet other students and begin to feel a part of the school community. 1.7	Instructional Intervention In elementary and middle schools, weekly Wildly Important Goals (WIG) meetings provide a platform for educators and leaders to discuss their targeted, high-impact commitments aimed at helping students achieve their academic objectives. Tier 2 and Tier 3 sessions are structured to assist students in achieving personalized learning objectives aligned with the guaranteed and viable curriculum (GVCs) standards in Mathematics and English Language Arts (ELA). Educators evaluate student assessment data to identify the specific learning targets within the standards where the student demonstrates a lack of proficiency. The student is scheduled for sessions that offer focused and timely interventions. Tier 3 instruction aims to address deficiencies in foundational skills. High school teachers convene weekly for data meetings, they analyze data to identify students who require additional assistance in achieving mastery of the course standards. Teachers implement targeted intervention sessions several times a week, offering these students a renewed chance to understand the essential standards. Office hours allow students to pose questions, seek clarification, and improve their comprehension of the subject matter.	Yes	Ongoing Implementation	87% Credit Recovery Courses	N/A

Goal 2

Goal Description

Provide safe and effective learning environments that foster positive school culture and connection driven by the input of parents, teachers, staff, and students that is inclusive and representative of the school's population.

Expected Annual Measurable Objectives

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Mid-Year Outcome Data	Desired Outcome for 2026-2027
2.1	Parent Input in Decision Making Summary of the trends and feedback from various parent surveys. Source: Dashboard Local Indicator, Parent and Family Engagement	2023 Overall, parents are satisfied with the school, consider it beneficial for their children, and appreciate the support provided by the staff and teachers. Having access to review their student's progress and preview curriculum is important to them. It is appreciated by them that the curriculum is versatile and comprehensive and that their students have access to a variety of courses of study. In their surveys, parents indicate that they are pleased with the variety of opportunities that the school offers to high school students as well as socialization activities for students of all ages. They appreciate that the school rewards students who excel and succeed.	2024 (83%) Agree / Strongly Agree: "I have been given opportunities to participate in decision-making regarding my student's education." (88%) Agree / Strongly Agree: "The school has created a welcoming environment for all families in the community." Parents generally convey satisfaction with the school, which positively impacts all students. They value the assistance teachers and staff provide and the school's efficient communication with students and families. Daily prompts regarding class attendance and assignments help students stay focused. Parents appreciate the chance to monitor their child's progress and access educational materials in advance to address any		See Year 1 Outcome	Increase parental involvement

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Mid-Year Outcome Data	Desired Outcome for 2026-2027
			academic hurdles. They appreciate the school's diverse and extensive curriculum, which offers numerous courses and effective teaching. Additionally, parents welcome the various opportunities for high school students and socialization activities available at all grade levels. Furthermore, the staff dedicated to supporting Spanish-speaking parents is positively acknowledged.			
2.2	Efforts to seek participation of parents of unduplicated pupils Source: Dashboard Local Indicator, Parent and Family Engagement	2023 English learners receive additional outreach from teachers and ELD specialists. An EL parent meeting is held each fall, as well as regular ELAC meeting. Communication between families and the school is provided in English and Spanish. Many communications also have the option to translate it into many different languages (i.e. ParentSquare, websites, online school). Interpreters are always available when needed through CLI.	2024 English learners receive additional outreach from teachers and ELD specialists. An EL parent meeting is held each fall, as well as regular ELAC meeting. Communication between families and the school is provided in English and Spanish. 		Teachers care about student success at school 100.0% School promotes academic success 99.1% School fosters and appreciation of differences and diversity 100% Overall, respondents indicated the school has a favorable climate that promotes learning. The majority of students do feel they are academically challenged.	climate that promotes learning. Positive trends include students feeling that adults at the school genuinely care about them, support their learning, and encourage them to attend school each day. They also indicated that the school is a safe place for them, and teachers and adults respond appropriately to any reported bullying incident and, moreover, make it clear that bullying is not tolerated. Results indicate that there has been improvement since the last survey regarding opportunities for students to make decisions about school and class activities. As we continue to focus on this area, this year's survey results indicate that students would like more opportunities for peer interaction, building student connections, and helping others.		parents and students in grades 2, 5, 7, 9, 11. The survey will be sent during the week of February 24th.	Grades 2 & 5 - Increase school connectedness by increasing student opportunities to share ideas in class. MS/HS - Increase peer connectedness by creating opportunities for students to interact, collaborate, and help each other.

Actions & Measuring and Reporting Results

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-Year Outcome Data	Other Data/Evidence (qualitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
2.1	English Language Services Provide interpreter and translation services so families who speak a language other than English will be engaged in school.	Yes	Ongoing Implementation	N/A	DTS is used for translations and CLI is used for on demand over the phone interpreting. ParentSquare is used to communicate with parents since messages can easily be translated into many languages.	\$15,462.60	\$6257
2.2	Engagement To enhance student academic achievement and elevate graduation rates, the school prioritizes family engagement as a key strategy. Staff takes the initiative to reach diverse families through regular and reciprocal school-to-home communication via newsletters, email, texting, phone calls, and live or recorded sessions. Regular, positive, respectful, and productive communication is used to establish a trusting relationship with families. Educational partner meetings and surveys provide an opportunity for families to provide feedback. For the home-school partnerships to result in improved student outcomes, the school models strategies to support learning at home. Being an independent student program, families play a vital role in their child's education. To set them up for success, new families are provided information, resources, and support, to ensure they understand how to utilize the online school and meet enrollment requirements. To provide a healthy and positive school culture and climate the school has integrated enrichment and extracurricular activities for students into our program. In addition, these activities provide a channel for reinforcing the lessons learned in the classroom, offering students the opportunity to apply academic skills in a real-world context, and are thus considered part of a well-rounded education. Research shows a positive correlation	Yes	Ongoing Implementation	School engagement activities include clubs, outings, celebration events, pop-up events, picture days, park days, and Adventures in Reading. 68 clubs, grades TK-12, including after-hour clubs, monthly clubs within the school day, and in-person clubs (38% increase from 23-24 SY). 5% increase in the number of students who registered to participate in clubs from quarters 1 to 2. Events include in-person and virtual outings, Gingerbread Celebrations,	Students in grades 3-8 can access the CAVA K12 Zone during designated grade-specific sessions throughout the week, while high school students can access the National K12 Zone Monday through Friday. In the zone, students can play games, participate in virtual activities, and connect with their peers. Schoolwide Parent Engagement events, include partner engagement meetings, parenting with purpose workshops, coffee chats, family teacher organization (FTO), and live Learning Coach (LC) sessions. Parents/LCs can connect through the LC Community social platform. This group offers a space to engage with fellow LCs, access CAVA-	\$135,102.59	\$53122

	between participation in extracurricular activities and academic performance (HonorsSociety.org, 2023). Students who participate in these activities often show improved grades, higher educational aspirations, increased college enrollment, and reduced absenteeism. Extracurricular activities also contribute significantly to personal development, fostering essential life skills and enhancing students' overall well-being.			picture days including vision and hearing screening, park days, family game night, and Adventures in Reading. 34% increase, from quarter 1 to 2, in the number of in-person events offered.	specific resources, and receive support from knowledgeable staff.		
2.3	Social Emotional Learning, Prevention, and Intervention The SEL, Prevention & Intervention Department is dedicated to building and fostering supportive relationships within our school community - with staff, families, and students. Strong relationships with teachers and school staff can dramatically enhance students' motivation levels and promote learning. According to Harvard's Center on the Developing Child, individuals who demonstrate resilience in response to one form of adversity may not necessarily do so in response to another. When schools, communities, and families strengthen these factors, they optimize resilience across multiple contexts. The SEL, Prevention & Intervention Department will support student resilience by: fostering supportive adult-child relationships scaffolding learning so students build a sense of self-efficacy and control strengthening adaptive skills and self-regulatory capacities through explicit SEL instruction providing specialized support and targeted resources to students and families dealing with trauma Identifying and implementing protocols to ensure school and student safety.	No	Partially Implemented	Fall 2024-25 Students who completed SEL Support with an SEL Support Coach 8% reduction in Non-Compliance Letter #2 in the previous month 58% of students who completed the support term 9% average improvement in students reporting "I know who I can reach out to for help." 3% average improvement in Self-Awareness/Self-Management for grades 3-12 We know that when students	The Red Book for Leaders is a directory of school processes, resources, and supports. It is a reference tool when a leader responds to student or staff concerns. Prior to the administration team being trained on the Redbook, the average score for the following was 3.8, "When responding to a student safety concern, I am confident in the process I should follow and how to get support." , after it was 4.6.	\$219,392.90	\$81411

	implementation. Team members collaborate to develop schedules that include coursework aligned with the "a-g" requirements for all high school students, while also ensuring access to advanced classes when needed. They engage with administrators, educators, parents, and students to design a challenging schedule that meets the needs of every student.						
3.4	Curriculum Specialist Curriculum Specialists play a crucial role in ensuring that the school delivers a high-quality curriculum that meets the state standards. They facilitate the work to align essential standards to state testing blueprints, as well as, vertically aligning the essential standards from TK to 12th grade, on an annual basis. The essential standards bring coherence to instruction by articulating goals that are attainable and increasing students' knowledge. They work to reduce achievement and climate gaps and ensure equity for every student.	Yes	Ongoing Implementation	N/A	Elementary curriculum specialists have effectively launched the new PEAR assessment library which is used to monitor mastery of the most important standards in each grade level. They have collected data monthly to show growth by standard and lead the charge in collective evidence and sharing out best instructional practices after reviewing this data. Middle school Curriculum Specialists created Student Achievement Plans (SAPs) are grade-level documents that list all of the Online Middle School Lessons, and the essential lessons (Guaranteed Viable Curriculum) highlighted within those lessons.	\$147,481.89	\$62336

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-Year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
					Teachers use the SAPs to plan, pace and reference GVC lessons to support student mastery of those GVC standards.		
3.5	MKV/FY McKinney Vento and Foster Youth Liaisons will ensure students living in homeless situations and/or foster youth have full and equal access to school programs, support to meet academic standards, and resources to remove barriers so they can engage with school. These supports are need-based and include providing students living in a homeless situation a hotspot so they can access their online classes, necessary school supplies to complete assigned work, and hygiene kits to meet basic personal needs.	No	Ongoing Implementation	N/A	There was a 31.3% increase in the number of unhoused students from fall 2023 to fall 2024. We have increased the number of FTE of the McKinney Vento & Foster Support Specialist position.	\$68,490.91	\$24692
3.6	Staff Training All teachers who are new to our school will be provided with multiple levels of support. First, they will begin the school year early so they can receive training on the nuts and bolts of operations before all staff professional begins. Instructional teacher leaders will be assigned to new to our school teachers to ensure all students are learning. These teachers will also be paired with veteran teachers who will support them with their assigned duties. New leaders will be provided with similar support. Including being paired with a veteran leader. New teachers and new administrators will be provided with an induction mentor when appropriate. They will meet regularly and work with an induction program that the inductee has chosen.	Yes	Ongoing Implementation	N/A	As new teachers are assigned, they meet with trainers to ensure a smooth transition into our virtual school and the classroom. When new teachers are enrolled in an induction program, they are provided with a mentor at our school. At the beginning of the school year, teachers new to our school received 5 additional days of training before school started.	\$107,379.46	\$68096

Goal # Action #	Action Title and Description	Contributing	Implementation Level	Mid-Year Outcome Data	Other Data/Evidence (qualitative, quantitative, artifacts)	Total Funds Budgeted	Mid-Year Expenditures
	The school guidance program aligns with American School Counselor Association (ASCA) standards/domains. Counselors meet consistently one-on-one with students to address academics, mental health, and social-emotional needs, and put plans in place to help bridge gaps in learning and credit deficiency. The team conducts transcript audits to ensure proper grade entry following each grade reporting period. They ensure students have up-to-date documentation (transcripts from prior schools, AP test scores, college transcripts, etc.) on file. They focus on the early identification of students who may become credit deficient and work with school staff to put plans in place to recover credits and meet college career readiness measures. The team ensures all students remain on a path to graduation and follows them for one-year post-graduation. The team works in partnership with all departments to analyze the unique needs of students with disabilities to identify high school completion and post-secondary possibilities. The counseling team conducts weekly data digs to make meaningful commitments to identify and support significant struggling student groups. The student group of Hispanic has been designated as needing consistent attention and support in addition to other identified groups. These students receive priority contact and support from their Counselor.			deficient in quarter 1 are now credit sufficient. See additional credit sufficiency data above in Mid-Year Outcome Data. See semester 1 pass rates above in Mid-Year Outcome Data	conference with their Counselor during quarter 2 (highest ever rate). 96% of students have a post high school plan documented to help with course scheduling and graduation planning 81% of students have viewed their graduation plan during semester 1 Grad rate tracker set up to help monitor rate for more than just actively enrolled students. Graduates and dropouts included to give a better prediction of end of year grad rate and allow staff to follow up on students listed as dropouts in CALPADS who may have enrolled in a private school or moved out of state.		
5.3	Math/ELA Intervention Increase high school math and English course offerings to supplement core instruction and prevent credit deficiency.	Yes	Ongoing Implementation	Math pass rates overall 70.7% Math pass rate for core math course for students enrolled in Math Lab I 58.5%	N/A	\$150,822.52	\$33897

**TO: CALIFORNIA VIRTUAL ACADEMY AT SAN DIEGO
GOVERNING BOARD**

BOARD REPORT #01

VIA: CALIFORNIA VIRTUAL ACADEMY STAFF

February 25, 2025

SUBJECT: Local Control Accountability Plan

PROPOSAL: It is proposed that the Governing Board of California Virtual Academy at San Diego approve the Local Control Accountability Plan.

BACKGROUND: After reviewing the Local Control Accountability Plan implementation with educational partners, it was determined that updates were necessary. A summary of the updates and the updated plan are attached.

BUDGET IMPLICATIONS: Upon approval, entitlements will be spent in accordance with the plan.

RECOMMENDATIONS: It is recommended that the Governing Board approve the updated Local Control Accountability Plan.

RESPECTFULLY SUBMITTED

April Warren
Head of School

Summary of LCAP Updates

Revised Goal 1, Action 4

Moved the Improved Services to Goal 1, Action 7. Updated the description to the following.

The school uses a Multi-Tiered System of Supports (MTSS) model that helps educators provide targeted instruction and support to students. MTSS is based on research and aims to improve student outcomes by identifying and addressing student needs early. Teachers utilize formative and summative assessments to evaluate the effectiveness of instruction (tier 1) and determine which students need more targeted or intensive instruction (tiers 2 and 3) to master essential standards. Online supplemental instructional programs provide targeted intervention to students who lack the universal learning skills necessary to be successful across multiple content areas

Instructional leads use data to oversee and monitor the response to instruction for students needing additional support in math and/or English Language Arts. They provide training for supplemental instructional programs and monitor students' participation in the programs. They also provide additional instructional support. Special Education instructional paraprofessionals support students individually or in small groups during live instruction sessions.

The Reading Coordinator works with teachers to implement, train, and support the literacy program using research-based practices, instructional techniques, and assessment requirements that align with California's English Language Arts and Literacy Standards.

Added Goal 1, Action 7

Removed the Improved Services Percentage from Goal 1, Action 4 so Action 7 is now only an improved service. The following is the new description.

In elementary and middle schools, weekly Wildly Important Goals (WIG) meetings provide a platform for educators and leaders to discuss their targeted, high-impact commitments aimed at helping students achieve their academic objectives. Tier 2 and Tier 3 sessions are structured to assist students in achieving personalized learning objectives aligned with the guaranteed and viable curriculum (GVCs) standards in Mathematics and English Language Arts (ELA).

Educators evaluate student assessment data to identify the specific learning targets within the standards where the student demonstrates a lack of proficiency. The student is scheduled for sessions that offer focused and timely interventions. Tier 3 instruction aims to address deficiencies in foundational skills.

High school teachers convene weekly for data meetings, they analyze data to identify students who require additional assistance in achieving mastery of the course standards. Teachers implement targeted intervention sessions several times a week, offering these students a renewed chance to understand the essential standards. Office hours allow students to pose questions, seek clarification, and improve their comprehension of the subject matter.

Revised Goal 3, Action 2

Changed the Improved Services Percentage to a dollar amount.

Revised the following section, Required Descriptions: Limited Actions

Added Goal 1, Action 7

Action: Instructional Intervention

Need: The CAASPP data shows the student groups of socioeconomically disadvantaged (29 below standard) and English learners (87.6 below standard) are below all students (13.6 below standard) in ELA. Students with disabilities are indicated Red on the Dashboard and is 104 points below standard in ELA. The CAASPP data also shows the student groups of socioeconomically disadvantaged (81.8 below standard) and English learners (105.3 below standard) are below all students (67.5 below standard) in math.

Educational partner feedback was collected, 88% of families said additional instructional support through interventions is a priority (high or medium).

Scope: Limited to Unduplicated Student Group(s)

How the Action(s) are Designed to Address Need(s): The school will increase the percentage of English Learners and socioeconomically disadvantaged students demonstrating proficiency in ELA and Math, as measured by the CAASPP. This will be accomplished through direct support from teachers to target students' specific content area needs at tiers 2 and 3 in ELA and Math.

Metric(s) to Monitor Effectiveness: Progress will be monitored through the school's reading and math assessments (Star360). Effectiveness will be measured by CAASPP, Star360 data, and Educational Partner Feedback

Added the following to the description at the end of the section.

Socioeconomic Disadvantaged (SED) and English learner (EL) students have a disproportionately lower rates of achievement than all students. To address the need to increase achievement with SED and EL students, the school will implement academic interventions (Goal: Increase Student Achievement and Proficiency, 1.7). The school could implement this action by hiring additional staff to provide academic interventions for these students, which, based on the current pay scale, the school estimates the cost to \$944,728. Instead, the school chooses to utilize a portion of the existing staff time to provide the intervention to unduplicated students. The estimated cost was divided by the amount of LCFF funding identified in the Total

Planned Expenditures Table, and the quotient was converted to a percentage. This percentage is the Planned Percentage of Improved Services for the action.

Socioeconomic Disadvantaged (SED) and English learner (EL) students have disproportionately higher rates of chronic absenteeism than all students. To address the need to reduce chronic absenteeism and increase student engagement with our SED and EL students, the school will implement attendance interventions (Goal: Decrease Chronic Absenteeism Through Student Engagement, 4.2). The school could implement this action by hiring additional staff to provide attendance support, which, based on the current pay scale, the school estimates the cost to \$930,657. Instead, the school chooses to utilize a portion of the existing staff time to provide the intervention to SED and EL students. The estimated cost was divided by the amount of LCFF funding identified in the Total Planned Expenditures Table, and the quotient was converted to a percentage. This percentage is the Planned Percentage of Improved Services for the action.

LCFF Budget Overview for Parents

Local Educational Agency (LEA) Name: California Virtual Academy at San Diego

CDS Code: 37684036120893

School Year: 2024-25

LEA contact information:

Krista Mount

Director of Categorical Programs

kmount@caliva.org

805-581-0202

School districts receive funding from different sources: state funds under the Local Control Funding Formula (LCFF), other state funds, local funds, and federal funds. LCFF funds include a base level of funding for all LEAs and extra funding - called "supplemental and concentration" grants - to LEAs based on the enrollment of high needs students (foster youth, English learners, and low-income students).

Budget Overview for the 2024-25 School Year

Projected Revenue by Fund Source

This chart shows the total general purpose revenue California Virtual Academy at San Diego expects to receive in the coming year from all sources.

The text description for the above chart is as follows: The total revenue projected for California Virtual Academy at San Diego is \$57,311,911, of which \$48,555,425 is Local Control Funding Formula (LCFF), \$6,503,623 is other state funds, \$220,892 is local funds, and \$2,031,971 is federal funds. Of the \$48,555,425 in LCFF Funds, \$5,789,980 is generated based on the enrollment of high needs students (foster youth, English learner, and low-income students).

LCFF Budget Overview for Parents

The LCFF gives school districts more flexibility in deciding how to use state funds. In exchange, school districts must work with parents, educators, students, and the community to develop a Local Control and Accountability Plan (LCAP) that shows how they will use these funds to serve students.

This chart provides a quick summary of how much California Virtual Academy at San Diego plans to spend for 2024-25. It shows how much of the total is tied to planned actions and services in the LCAP.

The text description of the above chart is as follows: California Virtual Academy at San Diego plans to spend \$57,064,330 for the 2024-25 school year. Of that amount, \$5,914,634 is tied to actions/services in the LCAP and \$51,149,696 is not included in the LCAP. The budgeted expenditures that are not included in the LCAP will be used for the following:

General funded instruction and instruction-related materials and services, certificated staff salaries and benefits, classified staff salaries and benefits, teaching supplies and materials, and general administrative support and facilities.

Increased or Improved Services for High Needs Students in the LCAP for the 2024-25 School Year

In 2024-25, California Virtual Academy at San Diego is projecting it will receive \$5,789,980 based on the enrollment of foster youth, English learner, and low-income students. California Virtual Academy at San Diego must describe how it intends to increase or improve services for high needs students in the LCAP. California Virtual Academy at San Diego plans to spend \$4,225,159 towards meeting this requirement, as described in the LCAP.

The School continues to reach out to its educational partners, assess student needs, and continues to engage its stakeholders to identify additional programs and areas that will benefit its high needs students

LCFF Budget Overview for Parents

Update on Increased or Improved Services for High Needs Students in 2023-24

This chart compares what California Virtual Academy at San Diego budgeted last year in the LCAP for actions and services that contribute to increasing or improving services for high needs students with what California Virtual Academy at San Diego estimates it has spent on actions and services that contribute to increasing or improving services for high needs students in the current year.

The text description of the above chart is as follows: In 2023-24, California Virtual Academy at San Diego's LCAP budgeted \$2,258,234 for planned actions to increase or improve services for high needs students. California Virtual Academy at San Diego actually spent \$3,215,097 for actions to increase or improve services for high needs students in 2023-24.

The difference between the budgeted and actual expenditures of \$956,863 had the following impact on California Virtual Academy at San Diego's ability to increase or improve services for high needs students:

The decrease is primarily driven by a decrease in actual spending for the following Goals and Actions:

- Goal 1, Action 1
- Goal 1, Action 8
- Goal 3, Action 2
- Goal 3, Action 6
- Goal 3, Action 7
- Goal 5, Action 5

The school was unable to hire budgeted positions, overestimated participation in new leader and new hire support for teacher training, and overestimated one-time off schedule compensation to paid to new teachers. As a result, it will carry forward and will utilize unspent funds in 2024-25 to provide additional programs and services that focus on core services for high needs students.

Goal Analysis

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

There has been a tremendous amount of work to ensure the implementation of these services to increase student achievement and proficiency across all metrics for all sub-groups of pupils, including unduplicated pupils and those with disabilities (Goal 1). All actions were implemented as planned for Goal 1, and the following outlines how the school has addressed the implementation of this goal through each action.

Professional Development (Action 1): The school has remained committed to becoming a Professional Learning Community (PLC) model school and providing all staff with opportunities for professional development in the PLC evidence-based best practices for improved student outcomes. The leadership team has continued coaching with an expert consultant in leading a PLC by creating high-performing teams at all staff levels and monitoring growth and progress through the intentional collection of evidence and artifacts. Ongoing professional development is provided for all staff members on topics under the umbrella of the school's Multi-Tiered System of Supports (MTSS), including tier 1 best practices, tier 2 supplemental intervention, tier 3 intensive intervention, data-based decision-making based on Response to Intervention (RtI) research, and progress monitoring through assessments of learning - all addressing the needs of the whole child: academic, behavioral, and social-emotional needs necessary for academic success. At the high school level specifically, Math teachers have continued their participation in coaching to implement the mathematical practice standards, and all high school staff continue to be trained on A-G requirements and how they apply to course development.

English Language Development (ELD) Specialists and ELD Administrators have participated in CA English Learner (EL) Roadmap professional development, focusing on translating state EL policy into practice through the lens of a classroom teacher and providing tools for educators to reflect on classroom practices. They have also attended training from the ELD curriculum provider, focused on the design and implementation of ELD standards-based, powerful learning opportunities for ELs.

The COMPASS staff have engaged in continuous learning opportunities to ensure that interactions with students and families are inclusive and culturally responsive, using evidence-based practices to better meet the needs of students, both long-term and short-term.

Special Education (SPED) staff have focused their professional development on strengthening connections between staff and families, cross-department collaboration between general education and SPED staff regarding shared students and Guaranteed and Viable Curriculum (GVC) standards for all, maintaining compliance with state and federal law to meet the needs of students in special education, and using data to design, deliver, and assess the instruction to meet the needs of diverse learners.

Assessments (Action 2): The school is committed to two critical assessment processes within its Multi-Tiered System of Supports (MTSS): Universal Screening and Progress Monitoring. The Star 360 assessments allow the school to effectively and efficiently screen and monitor the progress of students in kindergarten through twelfth grade. As a Universal Screener, Star 360 is the tool used to identify students who may be at risk for poor outcomes and need additional academic interventions/supports immediately and intensively. In addition, Star 360 is a valid and reliable progress monitoring tool to assess performance, quantify improvement or responsiveness to intervention and instruction, and evaluate the effectiveness of the instruction, interventions, and supports currently in place.

Academic Administrators (Action 3): The school's Academic Administrators have played critical roles in aligning our school priorities to all decisions and actions made across departments. The role of the Academic Administrators has focused on ensuring all students have ongoing enduring connections with a familiar staff member, securing class coverage is in place to continue tier 1 instruction despite any staffing circumstances, assessing the effectiveness of tier 1 and tier 2 instruction through the classroom visits process for all teachers, building an effective and sustainable tier 3 intervention program, integrating social-emotional learning into tier 1 instruction, and monitoring the program's overall success through the use of data to adjust actions and supports as needed.

English Learner Support (Action 4): The English Language Development (ELD) Department continues to complete a thorough review of enrollment documentation, summative assessment data, and previous records to determine language proficiency strengths and areas of need on an ongoing basis. The ELD Department uses the information gathered during this review process to determine appropriate student placement, program services, and essential ELD standards for instruction at each language proficiency level and tier of language instruction. The ELD Department has implemented a California ELD standards-based Designated ELD curriculum, Launch and Link to Literacy (published by DataWorks Educational Research). Long-Term English Learners (LTEs) and At-Risk Long-Term English Learners receive extra language instruction and support, in addition to their regularly scheduled, required designated ELD sessions. Any English learner students in grades 3-12 who score at the Novice Level / Level 1 on the Initial or Summative English Language Proficiency Assessment for California and have lived in the United States for less than 12 months receives additional Newcomer support.

Instructional Coaches (Action 6): The Instructional Coaches at the school have continued to provide individualized coaching, conferencing, resources, and professional development to all teachers. This work has contributed to the school's decrease in chronic absenteeism for students and an increase in the teacher retention rate.

Summer School (Action 7): Two programs have been offered to elementary students during the summer to extend their academic and social-emotional learning: Camp CAVA is open to all current students in grades K-4 who are identified as Tier 2 or Tier 3 in reading or Math based on our middle-of-the-year assessments, and Jumpstart! is open to new students in grades TK-5 for early access to the introductory sessions and learning courses. The middle school's Summer Bridge Program is targeted to rising 6th, 7th, and 8th grade students to prepare students for the next grade level by addressing necessary foundational skills and frontloading upcoming Math and ELA standards instruction. High school students have continued to have summer opportunities to learn during the summer through Credit recovery courses for credit deficiency, as well as standard courses in science, history, health, fine arts, math, English, and CTE pathways to allow for the acceleration of students' path to high school graduation or the repetition of courses to recover A-G requirements.

Career and Technical Education (Action 8): The school's Career and Technical Education (CTE) program has expanded and continued to develop, focusing on the importance of career readiness education and the amazing opportunities it can provide for youth in high-demand, high-growth job fields. CTE at the high school level now offers students opportunities in six different industry sectors with a variety of CTE pathways to choose from. Careers and CTE course options have been expanded to Middle School. 6th, 7th, and 8th grade students now have an elective option to enroll in a career exploration course. For those 7th and 8th graders who have already completed the careers exploration course, they now have the opportunity to enroll in high school IT, Business, and Arts, Media, and Entertainment courses for high school credit. High school students can meet with career coaches to get information and support on creating résumés, networking, interviewing, college preparation, internships, and more. In collaboration with the CAVA School Counselors and Work-Based Learning Specialist, the career coaches support live, interactive workshops to better prepare students for their futures; these free virtual sessions are a

resource for students that support career and college readiness. Over 70 events have been hosted for students in SY23-24, to include multiple College Fairs, a Skilled Trades Fair, a Military Career Fair, and numerous industry guest speakers from a variety of careers. The school's CTE students can enroll in career clubs, also called career technical service organizations (CTSOs). CTOSOs allow students with similar career interests to connect, practice professional skills, work on service projects, take field trips, and compete against other local, state, and national schools.

Instructional Support (Action 9): The K12 elementary curriculum focuses on developing fundamental skills and teaching the key knowledge building blocks that each student needs to master the major subject areas, meet state standards, and complete more advanced coursework. Students work asynchronously in the Online School, taking courses in the core subjects of English Language Arts, Mathematics, Science, History, and Art. In addition to the online school, students attend required synchronous instruction sessions.

The schoolwide team has collaboratively determined the Guaranteed and Viable Curriculum (GVC), or essential/priority Common Core State Standards, that all students will master before leaving their current grade level. Professional Learning Teams (PLTs) are created to include General Education, Special Education, and English Language Development teachers/specialists who collectively create a Learning Progression for each GVC standard. The PLTs then collaborate on effective Tier 1 best practices for instruction of the GVC standards. Synchronous instructional blocks in the master schedule are dedicated to the explicit instruction of the GVC standards. The PLTs administer common formative and summative assessments to evaluate the effectiveness of the Tier 1 instruction and practices and determine which students need Tier 2 intervention and extension on each essential/priority standards.

Instructional Leads across the grade levels have been critical in the continued training and support of teacher teams, facilitation of data-driven collaboration and decision-making, ensuring that tier 1 content area instruction utilized evidence-based best practices for improved student outcomes, and the development and coordination of appropriate tier 2 and tier 3 interventions and supports to meet students' diverse learning needs.

The tier 3 programs utilized for closing the learning gaps in Reading and Math have yielded student growth for students engaging in the tier 3 intervention curriculum. These tier 3 interventions include Lailo (Reading for grades K-2), Mindplay (Reading for grades 3-5), Freckle (Math for grades K-8 and Reading for Middle School).

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

The student groups of students with disabilities and socioeconomically disadvantaged were maintained in ELA. Socioeconomically disadvantaged students are above the state average in ELA. The overall math results were maintained as well as the student groups of English learners and Hispanic. The following groups increased in math, students with disabilities, socioeconomically disadvantaged, and white.

The growth is attributed to several actions identified in the LCAP, including the use of a universal screener to identify learning gaps (Action 2), the continued support of the Academic Administrators (Action 3) to oversee the instructional program, and support continued implementation of Professional Learning Communities (PLCs) (action 1), Instructional Coaches (Action 6) and Instructional Support teams and programs to improve the overall quality of instruction and student access to instructional tools (Action 9).

Over 95% of students in Kindergarten-12th grade completed the STAR 360 universal screening (Action 2) in math and reading at the beginning and middle of the year, to identify individual student areas of strength and growth. Ongoing schoolwide implementation and training of a Professional Learning Community (Action 1) model allowed teachers to focus on essential standards in math specifically and then provide targeted interventions (Action 9) and enrichment to students in specific areas of need.

After completion of the universal screener, students who demonstrate a need for additional instructional support are assigned to instructional leads and intervention programs (Action 4). In Elementary, students are supported in our math and ELA intensive support programs. This year, we were able to add an additional AI Reading program called Amira to our toolkit of programs to support students with reading fluency. We continued to analyze our data by student by standard as part of the PLC process (action 1) to allow us to provide remediation and enrichment based upon Common Summative Assessment data, created by our curriculum specialists (Action 4) as well as our universal screeners.

In Middle School students are supported by our math and ELA intensive support programs. This year, we continued our work in the Tier 3 Renaissance Freckle in math and ELA (Action 4). Our teacher Professional Learning Teams meet weekly to analyze student data by standard and skill to group students by specific needs to provide intensive intervention instruction by the learning targets in both ELA and Math.

In High School, students identified as needing intervention were enrolled in Math Lab I or II and/or English Lab Elective. Of students who passed Math Lab I in Semester A, 93% of those students also passed their Algebra course. Of students who passed Math Lab II in Semester A, 99% of those students also passed their Algebra course. Of students who passed English Lab in Semester A, 56% of those students also passed English 9. Star 360 data on proficiency levels showed significant movement from lower to higher proficiency levels in both Math Lab & II. Movement from BB to B and P across ELA was also present from BOY to MOY, although not as significant.

The actions below highlight areas in which Instructional Coaches have provided teachers the opportunity to reflect on this 23-24 SY. Instructional coaches partner with teachers to help them decide what they would like their students to be able to do in their virtual classrooms and this reflection allows for teachers to make adjustments to instruction that will affect student achievement and proficiency. In addition to meeting with each teacher a minimum of 1x each quarter, Instructional coaches have provided whole group professional development for TK-12th grade teachers. They have also provided small group workshops for TK-2, 3-5, middle school, and high school. Topics included setting

expectations, rigor, differentiated instruction, student engagement (strategies, resources, technologies as related to CSTP 1.4), and various instructional strategies. In a mid-year survey, 91% of teachers indicated they are satisfied with their partnership with their coach. Teachers indicated 7 partnership principles are present 99.9% of the time. 94.9% of teachers know their PEERS goals, and 93.6% of teachers are actively working on their PEERS goals.

A variety of summer programs were implemented to promote learning year-round. In elementary, new students had an opportunity to participate in a jump start program allowing them to complete the universal screener (Action 4) early as well as become acclimated with our program and curriculum. Returning students who demonstrated an academic need at the end of the year had an opportunity to participate in summer programs focused on math, reading, and intervention support (Actions 4,6).

ELA

Kinder Letter Names : 44.1% increased proficiency.

Kinder Letter Sounds: 33.9% increased proficiency.

1st Grade: 45.2% increased proficiency on STAR Early Literacy

2nd Grade: 43.4% increased proficiency on STAR

74.1% of students submitted reading logs for 100+ min

Math:

Kinder Number Recognition: 52.9% increased proficiency

Kinder Quantity Comparison: 64.7% increased proficiency

1st/2nd: 49.4% increased proficiency on STAR

Jumpstart K-2

68% completed Online Learning course

84% of students were still enrolled with us after Q1

ELA Summer Reading Assessment

3rd: 59% of students who completed both assessments showed an increase.

4th: 65% of students who completed both assessments showed an increase.

Math

3rd: 57% of students who completed both assessments showed an increase.

4th: 48.3% of students who completed both assessments showed an increase.

Jumpstart 3-5

84.8% completed the OLL Course

78% of students still enrolled after Semester 1

100% of students/families will show an increase on how comfortable they feel using the OLS

96% of students/families will show an increase on how comfortable they feel using Newrow

50% of students/families will indicate that they did connect with a fellow classmate during the Jumpstart program 96% of students/families indicated that they agree that the Jumpstart program gave them a strong start to the school year.

Summer Middle School Data

In middle school, students participated in a summer bridge program focused on instruction in the next grade level. Rising 6th, 7th, and 8th graders were eligible to attend this summer bridge program taught by 6th, 7th, and 8th grade teachers. The purpose was to provide a look into the next grade level content standards and provide foundational skills instruction and practice.

Students who attended demonstrated growth or maintained based on the universal beginning-of-year to middle-of-year assessment 17.6% in reading and 24.5% in math.

In high school, credit recovery courses were completed through the summer as well as standard courses (Action 7). These summer course offerings resulted in 9 students graduating in the summer. These students may have otherwise needed to return for the fall term, graduate outside their cohort year, or fail to earn their diploma.

We continue to add to and adjust our career technical education (CTE) pathway and course offerings based on the jobs that are in high demand or experiencing high growth. Refining our communication about the benefits of Stride Career Prep. We continue to focus on recruiting and hiring highly qualified CTE teachers within these industry sectors (Action 8). Pathways and Project-Based Learning course offerings have allowed us to continuously expand enrollment and attract and retain top CTE instruction talent by industry sector. The inclusion of a hands-on Project-Based Learning curriculum addresses multiple learning modalities, higher depth of knowledge levels, deepening and enriching the learning experience, as well as enhanced scaffolding for both SPED and EL populations. Middle School students who previously completed the careers course in 6th and 7th grade had the opportunity to participate in high school IT & Business courses and earn high school credits.

For all English Learners, the school has implemented a Designated ELD curriculum that is research-based, aligned with the California ELD Standards, and taught by highly qualified ELD Specialists. The school has used feedback provided by all educational partners and EL achievement data to determine staff professional development annually. The school has offered professional development for ELD Specialists responsible for Designated ELD, focusing on the school's Tier 1 ELD curriculum - Launch and Link to Literacy, Tier 2 program - Off2Class, and Tier 3 Program - Rosetta Stone, as well as high-impact research-based scaffolds and strategies that align with California's ELD standards. As a result of these efforts, 21.5% of English learners scored a Level 4/Well-Developed on the 2022-2023 Summative ELPAC, exceeding the 16.5% statewide average. In addition, ELs in grades K-8 had a considerably lower chronic absenteeism rate, 12.5% than ELs across the state at 24.3%, and ELs in grades 9-12 had a significantly lower chronic absenteeism rate, 10.5% than ELs across the state at 26.2%.

The school's ELD Department has identified and monitored the progress of Long-Term ELs (LTEs) and At-Risk LTEs (AR-LTEs). In addition to the required Designated and Integrated ELD, the school has provided LTEs, AR-LTEs, and Reclassified to Fluent English Proficient (RFEP) students within the four-year monitoring period who are not demonstrating success in content area classes with Tier 2 and Tier 3 language intervention with the Off2Class program. As a result of this effort, 47% of LTEs and 69% of AR-LTEs demonstrated growth in language proficiency levels, as measured by local benchmark assessments of the ELD standards (Action 4). The school's ELD

Department has identified Newcomer students and provided additional support through a tier 3 language intervention program, Rosetta Stone, in addition to the required Designated and Integrated ELD. As a result of this effort, 69% of Newcomer students scored a level 2 or above, as measured by local benchmark assessments of the ELD standards (Action 4).

The school has increased the effective language assistance provided to Limited English Proficient (LEP) students and families with the role of a bilingual engagement coach for Spanish, the school's highest primary language other than English, as determined by language census data (Action 4).

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

Based upon our analysis of our proficiency data, we will continue our focus and implementation of the PLC process to ensure high levels of learning for ALL students. Each grade span will continue to use our adopted universal assessments, but we will also be utilizing common summative and formative assessments to further support student learning by analyzing mastery by student by standard. We will be furthering our implementation of an MTSS model through the creation of grade span MTSS teams to analyze data to determine what students need Tier 2 and Tier 3 intervention as well as identify barriers to learning. Our SEL/Counseling team as well as grade level leaders will be an integral part of these teams to allow collaboration on individualized supports for students based upon needs.

Summer programs will continue for all grades, focusing on math and reading intervention, high-priority standards, and credit recovery forcing on state course requirements, and the CTE program. Further, the Elementary program will continue to provide a jump-start program for students to become acclimated with online learning platforms as well as make connections with students and teachers.

Intervention support will continue in each grade level. In Tk-2, we will have a reading instructional focus on the Science of Reading. Middle School will continue the Professional Learning Teams and include intensive instruction within the teams, based on the MTSS format. The 3rd-5th and Middle School Department will focus professional development around high-performing teams which focuses on the ongoing cycle of inquiry or student data based on standards and skills. For Middle School 8th grade, a campus will be created that will have teachers credentialed with single subject/supplemental credentials. Instruction will be delivered by highly qualified and trained teachers in math, ELA, science, and history.

At the HS, we will continue to add additional after-hours support with A-G courses for our MKV students, students with disabilities, and English learners. We will be reexamining and strengthening the feedback given to students, through professional development and working with collaborative teacher teams in an ongoing cycle of examination and revision.

The Compass team will provide additional transcription functionality to allow the captioning of live Zoom meetings in multiple languages simultaneously. Review demographic data and determine subgroups who may benefit from additional translation support in primary languages other than Spanish.

Based on the current ELD data and goal progress, the ELD Department will implement the following changes. In addition to the required Designated and Integrated ELD, the department will provide LTELs, AR-LTELs, and Reclassified to Fluent English Proficient (RFEP) students within the four-year monitoring period who are not demonstrating success in content area classes with tier 2 content area intervention for Guaranteed and Viable Curriculum ELA and Math standards, and tier 3 reading intervention using the grade level department's tier 3 intervention program. The ELD Department will offer all teachers responsible for Integrated ELD professional development to address the language and academic needs of students in content area classrooms, including cultural proficiency/competency training, how to utilize the state-adopted ELD standards in tandem with the state-adopted academic content standards, and scaffolds and strategies to provide language clarification and acquisition support during content area lessons. The ELD department will expand the effective language assistance provided to Limited English Proficient (LEP) students and families with the role of an on-staff interpreter/translator for Arabic (the school's second highest primary language other than English, as determined by language census data).

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.

Goals and Actions

Goal

Goal #	Description
2	Provide safe and effective learning environments that foster positive school culture and connection driven by input of parents, teachers, staff, and students that is inclusive and representative of the school's population

Measuring and Reporting Results

Local Climate Survey Source: Dashboard	Met	Met	Met	Met	Met

Goal Analysis

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

Student and family engagement is supported through various communication platforms, including ParentSquare, weekly schoolwide and department newsletters, email, texting, phone calls, daily live class connect sessions, and the Learning Coach (LC) Community, a social platform for parents/learning coaches. The school has an active presence on social media, including Facebook and Instagram. The LC Community has an active Spanish-speaking group, and posts are translated into Spanish. These offer students and families essential information and opportunities to build relationships and advocate for their children.

The update of the schoolwide and Compass websites improved the delivery of information to parents and students, facilitating a better understanding of school policies and procedures and helping more families meet attendance requirements and stay on track with daily schooling. Both websites and ParentSquare have Spanish translation toggle to ensure access to information for English Learners (EL). The Compass website includes an Arabic translation toggle on the site. In addition, the Compass team offers resources and support to Spanish-speaking families to foster engagement and connection, beginning at the time of enrollment.

The school has added bilingual engagement staff for Limited English Proficient (LEP) families to provide support throughout the calendar year, including translation and interpretation support. Additionally, schoolwide forms and documents have been translated into Spanish. In addition, the school contracts with an over-the-phone interpreting service, Certified Languages International (CLI), which provides interpreters in over 200 languages, allowing teachers and other staff to communicate with LEP parents during real-time phone calls or video conferences in their preferred language. For LEP families who speak a language other than English or Spanish to access school information, resources are included with school communication for seamless translation on demand. All parents and guardians of students may request free language translation services in their preferred language at any time, and staff members can request document translation for LEP families' preferred languages at any time.

The Localist Platform improved the family experience in accessing event information and streamlined the registration process for easier access to school outings, parent meetings, and other school events, and requires a log-in process to provide an additional level of security to access event location and information. The expansion of the Talking Points platform, which provides a streamlined texting experience for families, enabled 100% of newly enrolled families to access support from and to communicate with an Onboarding Coach via text in the language of the family's choice. Over 50% of families being served by Compass have used this platform to communicate in the 23-24 SY. (2.3)

The Compass Social Support Coordinators and Counseling Specialists provided targeted support to students and families facing social-emotional challenges by connecting them to community resources, the Care Solace platform, and coaching and support to help students develop emotional management and coping techniques. The actions provided by the Compass Team have fostered a positive school climate, which also resulted in a low suspension and expulsion rate. A second Community Coordinator position was added. Community Coordinators facilitated and developed local school initiatives, including clubs, in-person and virtual outings, in-person celebration events, school picture days, and activities to recognize and support student achievement, and hosted bi-monthly parent/learning coach support sessions, which led to connection and engagement for students and families. The school provided service-oriented projects, outings, and connection opportunities for students and families, including the addition of in-person events throughout the school year. (2.3)

The lead Onboarding Specialist position was created to provide leadership and ensure individualized and ongoing onboarding support. Incoming families benefited from targeted resources that outlined program expectations and communication platforms, identified resources and support request processes, and supported the effective use of the online school platform. The recent development of the Onboarding Handbook is a resource that is being widely used throughout the school to provide easy access to commonly needed information and resource links. The Handbook is also fully translated and available in Spanish. The onboarding coaches worked with students to identify and develop the skills needed to be engaged in school, meet grade-level expectations, and provide targeted support to build relationships.

Other opportunities provided students and parents with additional ways to connect with and engage in their school community, including the facilitation of the LC Community, LC Coffee Chats, and Family-Teacher Organization (FTO), which strengthens student support by facilitating collaboration between home and school through regular meetings and shared goals and the support of schoolwide events including Red Ribbon Week, Family Fun Nights, National School Choice Week, Operation Gratitude, Teacher/Staff Appreciation. (Action 2.3)

The school saw an increase in EL parent participation and family engagement as indicated by the ELD needs assessment survey and record attendance at both the EL Parent Meeting and ELAC meetings. The increase is due to several actions made by the English Language Development (ELD) and Compass departments including (1) ELD Back to School presentation offered in English and Spanish for all grade levels; (2) Annual EL parent meeting and ELAC meeting start times adjusted to accommodate families better, provided interpretation into Spanish and PowerPoint Closed Captioning offered in Arabic; (3) EL Advisory Committee meetings increased to quarterly and start time adjusted to accommodate families, provided interpretation into Spanish and PowerPoint Closed Captioning offered in Arabic; (4) Conducted needs assessment surveys in English and Spanish showing positive ; (5) Implemented required sessions for all parents requesting ELD instructional services opt-outs. (2.2)

Needs assessment surveys were incorporated to collect feedback from families throughout the school year and identify students who may need additional support. A schoolwide referral survey allows teachers and staff to refer students and families for social-emotional learning, engagement, and community support with the Compass Team.

In partnership with the Compass Team, the Social Emotional Learning (SEL), Prevention and Intervention Team supported the implementation of training and prioritized resource development to provide teachers and staff with the necessary tools and techniques to support students' social and emotional learning. The training was focused on implementing the Collaborative for Academic Social and Emotional Learning's (CASEL) 3 Signature Practices, an updated Suicide Prevention training with an asynchronous and live component. The addition of a staff facing SEL website also supported the academic integration of CAVA's SEL Benchmarks and Learning Targets, which are aligned with the CASEL's 5 SEL Competencies, and support instructional strategies. The SEL, Prevention and Intervention Team also provided direct support to students in need of targeted intervention to support behavioral health, as identified by the Compass Survey or administrator referral. An SEL screener, the Social Skills Improvement System Survey (SSIS) was administered to students in grades 6 - 11, to inform the planning, implementation, and evaluation of SEL resources and support. The survey results identified a need for additional support and instruction specific to Self-Awareness and Self-Management. (2.5)

Actions included in the goal positively impacted the Parent Engagement and Local Climate Survey measures.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

The Parent Engagement Dashboard demonstrated the effectiveness of English learner services and student and family engagement (2.2 & 2.3). Additionally, the suspension and expulsion rates are 0%.

The Dashboard local indicator Local Climate Survey demonstrated the effectiveness of the Social Emotional Learning, Prevention, and Intervention action (2.5). A confidential survey of school climate and safety, student wellness, and youth resiliency was given to students in grades 2, 5, 7, 9, and 11 and their parents. Respondents indicated the school has a favorable climate that promotes learning. Positive trends include students feeling that adults at the school genuinely care about them, support their learning, and encourage them to attend school each day. They also indicated that the school is a safe place for them, and teachers and adults respond appropriately to any reported bullying incident and, make it clear that bullying is not tolerated. Results indicate that there has been improvement since the last survey regarding opportunities for students to make decisions about school and class activities.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

The school will continue to implement the goals and actions outlined. Each department staff member is committed to building relationships with students and families to ensure students engage, connect, and grow.

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.

Goals and Actions

Goal

Goal #	Description
3	Provide all pupils access to standards-aligned courses in well-rounded curriculum taught by appropriately assigned and credentialed teachers, by utilizing 21st Century technology and targeted programs and services.

Measuring and Reporting Results

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24

Goal Analysis

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

In all instances, the planned actions were executed as intended.

98.6% of staff are fully credentialed and all teachers are appropriately assigned.

All staff received both an increase to the unit member's salary schedule and a one-time off-schedule payment (Action 2).

With the support of our Intervention and Special Programs Director, we've successfully implemented a Multi-Tiered System of Support (MTSS) Team, in all departments. The MTSS framework focuses on the whole child and includes both tiered support and remediation plans for students in grades TK-12. Each department has its own universal screener to identify students who may be at risk and need immediate, intensive support, along with a multi-level prevention and intervention system. Additionally, the MTSS Team uses data-based decision making, using data analysis and problem solving to make decisions about instruction, intervention, implementation and disability identification. Our MTSS Teams focus on progress monitoring to assess performance, quantify improvement or responsiveness to intention and instruction, and evaluate the effectiveness of the instruction, interventions and supports.

Teachers have been evaluating course alignment with standards and developing content in collaboration with collaborative teams during weekly collaborative team time, non-instructional days, as well as during weekly team collaboration meetings throughout the year. Teachers created common formative assessments to evaluate student mastery of standards. This ensured that 100% of students had access to rigorous and standards-based instructional materials and key standards were addressed, primarily in Math and ELA in TK-8 and in all courses at the High School level.

In order to adequately address gaps in students' learning, teachers and staff spend time analyzing student performance data. We've used our two comprehensive assessment systems (DnA and Edulastic/PEAR) that allow us to create assessments and provide data reports to continually analyze student data and monitor student progress and growth for all students but especially for unduplicated pupils.

Curriculum Specialists (Action 4) ensured student access to standards-based curriculum along with support of continued implementation of assessments to identify students' academic needs. Curriculum specialists provided instructional resources to help align high priority standards with daily live instruction, which was supported through further implementation of the PLC process across all departments.

New teachers at CAVA receive a variety of support. Each grade band has a set number of lead teachers that serve as trainers. New hires receive five days of orientation and training before entering the classroom to work with students. Support teachers are assigned to new hires for the duration of the school year. For the "New Hire Support" (2nd year of implementation), teachers, assigned to each first year hire, meet at least weekly and assist with tasks, planning, and general questions and answers. In addition, newly hired teachers are given 5 days of training, at the start of the school year, prior to the first day that returning staff resumes work.

The high school team has developed many layers to support student scheduling to support 21st century skills. Incoming 9th and 10th graders are scheduled by the Stride placement team based on review of transcripts and family course preferences. Incoming 11th, 12th, and any returning students are placed by in-house CAVA counselors. All of them have full PPS credentials. A-G courses are ensured for grade plans indicating four-year college destinations. Career Tech pathways toward career- business, hospitality, ECE, marketing/ sales, information technology, arts/ media, and public services are also offered. There is a designated scheduling program coordinator that uses a platform to allow conflict-free scheduling for additional services e.g. ELD, Special Education services, counseling support sessions, and homeroom teacher for academic support. An HR Credentialing specialist reviews and monitors teacher credentials to ensure highly qualified teaching staff in areas of expertise. Curriculum Specialists (any content course placement) and Principals (homeroom teacher) use this information to ensure proper credentials for EL support.

CAVA's Compass program provides ongoing outreach and support to homeless students and foster youth to support access to school technology, programs, and resources. The Housing Questionnaire is easily accessible to families via multiple entry points, including the Back to School Packet, an online survey, and paper forms. The increased accessibility of the Housing Questionnaire has led to improvements in the identification of homeless and foster students, helping contribute to a 25% increase in the number of homeless/foster students served in the 23-24 SY, compared to the previous year. Once identified, students receive frequent outreach from a dedicated MKV/Foster Coordinator, and are provided with opportunities to request additional resources from the school including hotspots, replacement computers, school supplies, backpacks, and personal hygiene kits. Students are also provided with targeted information about community resources, mental

health support through CareSolace, FAFSA and college application support, and prioritized access to engagement support from the school Engagement Coaches and Social Support Coordinators.

Additionally, students who qualify for free and reduced lunch based on California's income threshold are eligible for an internet reimbursement of \$40 each month. Eligible families are given a survey at the end of each semester to request the reimbursement check. The check is given to each household upon request, where students were active in our school during each month. Allowing this reimbursement allows students to have the appropriate internet service to be able to access school successfully.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

We have been effective in providing all students with curriculum and the necessary technology to be successful in our program. We have been effective in ensuring all of our curriculum is aligned with the educational standards and the content being taught in each course corresponds to the learning objectives outlined in each grade level. 100% of students enrolled in a minimum of language arts, math, science, and history at the TK-8 level, with most students participating in at least six courses and high school students enrolled in a-g, honors, advanced placement, and credit recovery courses. 100% of students have Standards-aligned instructional materials for all core classes. Unduplicated pupils have the same access to all programs and services as their peers due to our virtual courses and classroom, mailing all student printed materials, and providing every family with a computer. We have been effective in appropriately assigning all staff and we are fully staffed across all grade levels in all departments.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

The school will continue to implement the goals and actions outlined ensuring all students have the necessary resources and instruction and access to high levels of learning for all students. We will continue to work on updating our current practices, reviewing research-based practices, and creating a systematic process for identifying priority standards and determining the guaranteed and viable curriculum at each grade level, and determining which standards are essential (meet the criteria of endurance, leverage and readiness) and therefore should be a part of our guaranteed and viable curriculum.

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.

Goals and Actions

Goal

Goal #	Description
4	Decrease the chronic absenteeism rate to less than 10% in all subgroups by June 2024.

Goal Analysis

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

There were no substantive differences in the planned actions and/or implementation of these actions. The school utilizes strategic efforts to ensure students are engaged and attend school year day, including logging into the online school daily, attending required class connect sessions, and completing assigned work daily. The school continues to sustain and enhance student engagement through a multifaceted approach that includes ongoing coaching, support, and resource provision by the Compass and Attendance Advocate teams.

The Compass Engagement team assists new students/families and students struggling with daily engagement, low attendance, or low progress by providing student and parent coaching, training, and consistent attendance outreach. By shifting to a data-driven identification process and standardizing support session content, the Compass team achieved a 79% increase in students served through Compass Engagement support levels 1 and 2. Updates to the Compass The Compass Social Support Coordinators offer information, resources, and support to students and families struggling to meet enrollment requirements due to a lack of engagement with school or in a crisis due to a lack of resources or social-emotional issues. The Compass team also provided targeted support to ensure the engagement of underrepresented families, including MKV and foster youth. It offers bilingual engagement support and has increased the number of bilingual engagement coaches over the past three years. The continued use of technological tools facilitated communication between Compass staff, students, and parents to encourage student and family outreach and daily engagement. (4.1)

In addition to the Compass team providing training, resources, and support to families that create understanding and support student engagement and attendance in a virtual school, the Attendance Advocate team actively monitors and tracks engagement and attendance.

The Attendance Advocate team plays a pivotal role in actively monitoring and tracking engagement and student attendance data using the student information system. They diligently follow up on attendance discrepancies, generating reports to guide targeted interventions for students needing additional support. This includes daily outreach via phone, text, and email to families experiencing engagement challenges, along with providing guidance and support to teachers and staff. They host weekly office hours in both English and Spanish to support all parents in successfully getting their students to school. School Pathways serves as the central hub for attendance reporting, enabling efficient identification of students requiring additional attention. Moreover, ELD Specialists actively reach out to parents and learning coaches in their primary language regarding attendance matters, utilizing translation services and bilingual staff to ensure effective communication. (4.2)

Teachers play a crucial role in monitoring student activity and assignment submission daily. They adhere to established protocols for supporting students who may fall behind, including providing necessary resources, implementing success plans, and initiating academic probation plans as needed. Student attendance data is tracked on weekly scoreboards, focusing on students with Individualized Education Plans (IEPs). Special education teachers collaborate with instructional teams to address attendance concerns, ensuring students receive the necessary support to participate in related service sessions.

Graduation Coaches expanded transcript audits for high school. They moved toward a predictive A-G tracking system to identify and guide students close to meeting requirements, correct course placement, and adjust the 4-year graduation plan. The Graduation Coaches have proved to be a valuable resource to our HS Counseling team and critical to improving student success in meeting graduation requirements by the target cohort year, to ensure on-time graduation. Through these concerted efforts, the school will continue to build upon our successes and cultivate a culture of engagement and support within our school community in the coming year.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

Finance

An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

The chronic absenteeism rate is below the state average. The school's attendance rate shows an increase from last year and a trend in the high 90%.

The school saw an increase in the percentage of students who exited onboarding support successfully within 2 weeks of enrollment, meeting all designated criteria. This is attributed to the actions outlined in goal/action 4.1, which includes the Compass staff providing training, resources, and support to families to create understanding and support student engagement. 96% of students who started the first day of school, 82% of Quarter 1 late-start students, and 84% of Quarter 2 late-start students were exited within 2 weeks of enrollment.

The school saw a decrease in the percentage of students with missing attendance and the percentage of No Contact letters being sent to students who completed support with a Compass Engagement Coach. This is attributed to the actions outlined in goal/action 4.1, which includes the Compass staff providing weekly coaching and support to students identified by data as having low engagement or referred by teachers/staff or parents and needing additional support.

Level 1 Support (Small group; Learning targets include School Skills Checklist and SEL Benchmarks with a focus on self-awareness and self-management)

2% reduction in missing attendance

6% reduction in No Contact Letter #1

Level 2 Support (1-1 support; Learning targets include School Skills Checklist and SEL Benchmarks with a focus on self-awareness and self-management)

11% reduction in missing attendance

17% reduction in No Contact Letter #1

Action 2, Attendance Intervention is demonstrating effectiveness through the Chronic Absenteeism Rate of all students being 9.1% when the state average is 24.3%.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

The school will continue to implement the goals and actions outlined. Each staff member across all departments reviews student engagement and attendance rates weekly. Due to increased enrollment, an additional Attendance Advocate position will be added, and the Compass team will increase the targeted follow-up and onboarding support offered to families.

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.

Goals and Actions

Goal

Goal #	Description
5	Increase the graduation rate for pupils across sub-groups, including unduplicated pupils and those with disabilities, by 6% in each significant subgroup and overall by June 2024.

Measuring and Reporting Results

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24

Goal Analysis

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

Each semester, the Guidance Counselor or Freshman Support Specialist meets with students individually or in small groups to review student progress, course options, and update the student's course selection as needed. During these meetings, the grad plan is reviewed and students confirm course placement. Any requested or necessary changes to course placement are completed by the GC or FSS and the grad plan is updated. Grad plans must be reviewed each semester at a minimum to ensure students remain on a path to graduation. All members of the Counseling team are responsible for ensuring assigned students are on track to graduate by continually monitoring pass rates and credit deficiency, proactively reviewing and updating 4-Year Graduation Plans, ensuring needed documentation is collected, and communicating with families about concerns. Failing students and students with credit deficiency are prioritized. (Action 3)

Our counseling program is in the second year of the process of implementing an ASCA model. The American School Counselor Association (ASCA) supports school counselors' efforts to help students focus on academic, career and social/emotional development so they achieve success in school and are prepared to lead fulfilling lives as responsible members of society. The caseloads were reduced to a rate of approximately 350:1 for Freshman Support Specialists and 250:1 for Guidance Counselors. (Action 3)

Graduation Coaches track student progress toward career college indicators and support efforts to locate students who withdrew from the school without an identified enrollment in another school. This follow-up positively impacted the credit sufficiency rate, ensuring accurate data was reported to the state. (Action 1) Transcripts from non-U.S. schools are evaluated so that students can be accurately placed and receive credit for courses taken and passed outside the U.S. (Action 2)

The graduation coaches complete extensive transcript audits to track A-G requirements to allow our students to attend a 4-year college or university after high school. The transcript audit process also assists our Counseling team in identifying credit deficiency and errors in course placement which improves our graduation rate and decreases the high school dropout rate. An additional component to the Graduation Coach team job function is transcript and credit recovery. The team identifies missing transcripts in CUM files and contacts schools to recover missing credits for completed courses as well as audits of our own grade reporting periods to identify missing items for terms. The graduation coaches have partnered with our College and Career Resource Specialist to participate in the ELC program ensures that academically talented and deserving California resident students from all over the state have automatic acceptance guaranteed at a UC. Another partnership with the College and Career Resource Specialist is to complete CalGrants GPA uploads as well as the new state requirement to track completion of the FAFSA/ CADAA. The graduation coaches also monitor our potential graduates closely in partnership with the Counseling team to provide outreach and support to have an impact on our graduation rate. (Action 1)

The high school continues our partnership with the Sacramento County Office of Education to provide professional development and instructional coaching to all math teachers. Live professional development sessions focus on the Standards for Mathematical Practice, standards alignment, priority standards, and engaging instruction. Math coaches from this team are paired with CAVA math teachers for continued instructional coaching to build capacity in integrating the Standards for Mathematical Practice into all instructional opportunities. (Action 4)

Two years ago, we implemented a Lab program designed to supplement ENG108 English 9 and MTH107 Developmental Algebra. Freshman students who demonstrate gaps in learning in English or Math are enrolled in Math Lab and/or English Lab I. These courses have been structured to support students in the prerequisite skills necessary to master grade level content in the math and English core courses. This course addresses two identified barriers to freshman success. Lab freshmen are enrolled in a more limited breadth of courses, with at most one elective. Students who are proficient in one subject will have an elective instead of the Lab course in that subject. By participating in supplemental courses, Lab teachers are able to teach the prerequisite skills necessary for mastery, as well as provide additional teacher support on specific assignments in the core courses. (Action 5) Last year we increased our Lab offerings to include support for the second year of 2-year Algebra for our 10th grade students. We have seen great success in all of our Lab programs.

To support A-G completion, the College and Career Resource Specialist works with the Assistant Director of High School and Principals to prepare all students to graduate college and career ready. The position works collaboratively with administrators, teachers, and support teams across grades 9-12 to educate students, families, and staff on postsecondary options; facilitate linkages with parents, business/industry, postsecondary institutions, and community organizations to support students' transition to postsecondary education; and assists with ensuring program funding and compliance. The Dual Enrollment and AP Specialist works with the Assistant Director of High School and principal to implement a high quality and diverse college level opportunities. The position works collaboratively with administrators, teachers, and support teams to coordinate AP testing and professional development for AP teachers; facilitate linkages with parents, business/industry, postsecondary institutions, and community organizations to support students' transition to postsecondary education; and assists with ensuring program funding and compliance. (Action 6)

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

Our overall graduation rate declined slightly and is now 80.6%. The student group of socioeconomically disadvantaged maintained and the homeless group increased slightly. There was an artificial boost in grad rate from 2021-2022 due to AB 104 (Pandemic) grads who opted into state minimum course requirements (reduced credit model) to earn a diploma. The high school course pass rate increased 0.6% to 84.3%. The student group of socioeconomically disadvantaged course pass rate was 82.6%, only 1.7% below all students.

The following data demonstrated the effectiveness of the Lab courses (Action 5). Students who were actively engaged in Math Lab 1 had a pass rate of 93% and those in Math Lab II had a pass rate of 99%, compared to the overall math pass rate of 71%. Students who were actively engaged in the Literacy Lab had a pass rate of 56% compared to those enrolled but not actively engaged who only had a 22% pass rate. This data is from semester 1 during 23-24.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

For the last 2 years we have provided after hours credit recovery courses. When students fail courses, it sets them farther off on their path to graduation. Having to make-up for failed courses, while maintaining current courses can be difficult. This after-hours option allows students to focus on their core and their credit recovery courses and make-up those missed HS units towards graduation. In addition to these credit recovery courses, we also began offering after hours A-G courses for those students wishing to regain A-G credits, to stay on the path to 4-year college readiness.

We also implemented 1:1 after hours support for MKV students and students with disabilities. We use course grades and progress, as well as Star360 scores to identify students needing this extra layer of support. We support these students with their core courses, as well as with study skills and organization to help them be successful in school.

We are continuing our PLC journey at the CAVA high school and focusing specifically on the 4 essential questions: What do students need to know? How will we know if they learned it? What will we do when they do not? And what will we do when they do? Last year we offered professional development and support to help all our high school teachers identify the guaranteed and viable curriculum in their course that every student will master. This year, we continued that topic and began to focus on how we will know if students learned those GVC standards. We adopted Edulastic (now PEAR Assessment) as a tool for creating and giving common formative assessments. We set aside time during our work week weekly for all small teacher teams (CTTs) to collaborate on their work surrounding the 4 essential questions. We created a high school Guiding Coalition to oversee and provide feedback on the work of these teacher teams.

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.

Instructions

For additional questions or technical assistance related to the completion of the Local Control and Accountability Plan (LCAP) template, please contact the local county office of education (COE), or the California Department of Education's (CDE's) Local Agency Systems Support Office, by phone at 916-319-0809 or by email at lcff@cde.ca.gov.

Complete the prompts as instructed for each goal included in the 2023–24 LCAP. Duplicate the tables as needed. The 2023–24 LCAP Annual Update must be included with the 2024–25 LCAP.

Goals and Actions

Goal Analysis

Using actual annual measurable outcome data, including data from the Dashboard, analyze whether the planned actions were effective in achieving the goal. Respond to the prompts as instructed.

A description of any substantive differences in planned actions and actual implementation of these actions.

- Describe the overall implementation of the actions to achieve the articulated goal. Include a discussion of relevant challenges and successes experienced with the implementation process. This must include any instance where the LEA did not implement a planned action or implemented a planned action in a manner that differs substantively from how it was described in the adopted LCAP.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures and between the Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services, as applicable. Minor variances in expenditures or percentages do not need to be addressed, and a dollar-for-dollar accounting is not required.

An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

- Describe the effectiveness or ineffectiveness of the specific actions in making progress toward the goal during the three-year LCAP cycle. "Effectiveness" means the degree to which the actions were successful in producing the desired result and "ineffectiveness" means that the actions did not produce any significant or desired result.

- In some cases, not all actions in a goal will be intended to improve performance on all of the metrics associated with the goal.
- When responding to this prompt, LEAs may assess the effectiveness of a single action or group of actions within the goal in the context of performance on a single metric or group of specific metrics within the goal that are applicable to the action(s). Grouping actions with metrics will allow for more robust analysis of whether the strategy the LEA is using to impact a specified set of metrics is working and increase transparency for educational partners. LEAs are encouraged to use such an approach when goals include multiple actions and metrics that are not closely associated.
- Beginning with the development of the 2024–25 LCAP, the LEA must change actions that have not proven effective over a three-year period.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

- Describe any changes made to this goal, expected outcomes, metrics, or actions to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard or other local data, as applicable.
- As noted above, beginning with the development of the 2024–25 LCAP, the LEA must change actions that have not proven effective over a three-year period. For actions that have been identified as ineffective, the LEA must identify the ineffective action and must include a description of the following:
 - The reasons for the ineffectiveness, and
 - How changes to the action will result in a new or strengthened approach.

California Department of Education
November 2023

POWERED BY STRIDE K12

Local Control and Accountability Plan

The instructions for completing the Local Control and Accountability Plan (LCAP) follow the template.

Local Educational Agency (LEA) Name	Contact Name and Title	Email and Phone
California Virtual Academy at San Diego	Krista Mount Director of Categorical Programs	kmount@caliva.org 805-581-0202

Plan Summary [2024-25]

General Information

A description of the LEA, its schools, and its students in grades transitional kindergarten–12, as applicable to the LEA.

California Virtual Academy at San Diego is a charter school that provides a full-time online independent study program for TK–12 students. The WASC-accredited school offers the innovative use of technology, a rigorous and interactive curriculum from Stride K12, individualized learning plans for each student, and accommodations to foster different learning styles. The school serves students from the following counties, Imperial, Orange, Riverside, and San Diego. Students are offered an innovative educational experience in a safe online environment through daily live instruction by highly qualified teachers, 24-hour access to rigorous curriculum and resources, and opportunities for a variety of social interactions in preparation to become well-rounded citizens.

Student Demographics (Fall 2023)

9.2% English Learners
0.22% Foster Youth
2.3% Homeless Youth
0.0% Migrant Education
0.0% Students with Disabilities
68.4% Socioeconomically Disadvantaged

70.27% Unduplicated Students

Unduplicated students means that each pupil is counted only once even if the pupil meets more than one of these criteria for

Socioeconomically Disadvantaged, English Learners, and Foster Youth student groups.

Total Enrollment 3680

Mission Statement California Virtual Academy at San Diego is dedicated to achieving academic growth while cultivating social and emotional competence for all students.

Collective Commitments

- Facilitate meaningful connections & partnership between students, parents, and all school staff to achieve academic goals and foster social and emotional growth
- Engage in professional learning through collaborative practices
- Empower our students to become critical thinkers and take responsibility for their learning
- Develop and implement innovative teaching practices and strategies for learning
- Honor and celebrate the diversity in our schools

Reflections: Annual Performance

A reflection on annual performance based on a review of the California School Dashboard (Dashboard) and local data.

The ELA CAASPP results declined 13 points overall (22.9 below standard). The student groups of English learners (74.2 below standard), Two or More Races (81.8 below), and Students with Disabilities (101.4 below) are below all students (22.9 below standard) in ELA and indicated Red on the Dashboard. The math CAASPP results declined 7.8 points and is now 63.2 points below standard. The student groups of English learners (99.8 below standard), African American (95.8 below), Two or More Races (116.8 below), and Students with Disabilities (137.5 below) are below all students (63.2 below standard) in math and indicated Red on the Dashboard. English learners (EL) Progress increased in English language proficiency by 9%, however, EL decreased in both ELA and math (red on the Dashboard). The overall EL Progress is 50.2% making progress which is above the state average (48.7%). The College & Career Indicator, 25.7%, is below the state average of 43.9%. Students with Disabilities (0%) is indicated Very Low on the Dashboard.

The chronic absenteeism rate increased slightly by 1.4% to 9.1%. This is still far below the state average of 24.3% chronically absent. The student group of African Americans (11.9%) increased by 5.2% and is indicated Red on the Dashboard. The student group of Homeless declined by 12.6%, Asians declined by 2.6%, Pacific Islanders declined by 5.3%, and Filipinos declined by 2.2%. The graduation rate declined by 3.2% and is 80.6%. Socioeconomically Disadvantaged declined 5.7% to 77.7% and is indicated Red on the Dashboard. The student group of Whites increased 2.3% to 90.3%. The suspension rate remains at 0%.

Student group within a school with the lowest performance level on one or more indicators on the 2023 Dashboard.

English Learners: CAASPP ELA & Math

Socioeconomic Disadvantaged: Graduation Rate

Student with Disabilities: CAASPP ELA & Math, College/Career Indicator

African American: CAASPP Math, Chronic Absenteeism Rate

Reflections: Technical Assistance

As applicable, a summary of the work underway as part of technical assistance.

N/A

Comprehensive Support and Improvement

An LEA with a school or schools eligible for comprehensive support and improvement must respond to the following prompts.

Schools Identified

A list of the schools in the LEA that are eligible for comprehensive support and improvement.

N/A

Support for Identified Schools

A description of how the LEA has or will support its eligible schools in developing comprehensive support and improvement plans.

N/A

Monitoring and Evaluating Effectiveness

A description of how the LEA will monitor and evaluate the plan to support student and school improvement.

N/A

Engaging Educational Partners

A summary of the process used to engage educational partners in the development of the LCAP.

School districts and county offices of education must, at a minimum, consult with teachers, principals, administrators, other school personnel, local bargaining units, parents, and students in the development of the LCAP.

Charter schools must, at a minimum, consult with teachers, principals, administrators, other school personnel, parents, and students in the development of the LCAP.

An LEA receiving Equity Multiplier funds must also consult with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

Educational Partner(s)	Process for Engagement
Parents	Parent meetings were held in September, November, March and May. Meetings are held via Zoom and recorded so if a parent can't attend live, they can watch the recording. There is an English and a Spanish session. There is time during each session to allow parents to ask questions and provide feedback. Surveys are provided to those who attended or watched the recorded session. This allows for parents to provide input in writing. The parents in grades 2, 5, 7, 9, and 11 are asked to complete a climate survey yearly. A survey regarding the LCAP is sent to all parents yearly. A community survey was shared with educational partners during semester one. It will be sent in June for semester two to collect feedback on activities, events, and connections provided to students and families. Monthly Coffee Chats are held for parents in English and Spanish to provide opportunities for formal and informal input. Monthly Family Teacher Organization (FTO) meetings are held to strengthen student support by increasing partnership between home and school. A community social platform is used for families to connect, and the CAVA website ensures families understand their rights, have opportunities to build relationships, and are encouraged to advocate for their students and all students. Parent Connections provides formal and informal feedback opportunities, including parent training and workshops, open houses, meet and greets, and orientations. The Bear Tracks weekly community newsletter is sent to staff and families and highlights events and activities. In-person events offered to students and families create opportunities for educational partners in geographical areas to

Educational Partner(s)	Process for Engagement
	connect and share feedback with the school. Teachers regularly conference with families on student progress and expectations, collecting feedback on the student experience and identifying needs and additional supports needed. Student Pulse Checks are provided to students one week before enrollment, 2-weeks after the school start date, and then six times throughout the school year to collect specific feedback and provide immediate follow-up support. Parents of students with disabilities receive a yearly survey where they are asked to reflect on the year and make recommendations for change. Parents are generally satisfied with Special Education Services at the school. They noted that staff: listen, are respectful, and responsive. Many highlighted the flexibility of our program as a motivating factor for continued enrollment. Being an independent study program, parents are an integral part of their child's education. The person supporting their child each day with their course work is referred to as a Learning Coach. Teachers, administration, and all school personnel work with parents/learning coaches daily to ensure students are learning. Supporting students is a two-way conversation.
Students	The school offers student government for middle and high school students. A community survey is sent to parents and students each semester to collect feedback on activities, events, and connections provided to students and families. In-person events are offered to students and families to create opportunities for educational partners in similar geographical areas to connect and share feedback with the school. Student Pulse Checks are provided to students one week before enrollment, two weeks after the school start date, and five times throughout the school year to collect specific feedback and provide immediate follow-up support. Another significant opportunity for students to provide input is through the climate survey. The climate survey gauges how safe and connected students feel in the virtual school environment. Students and parents in grades 2, 5, 7, 9, and 11 were asked to participate in the survey during the spring of the 23-24 SY school year.

Educational Partner(s)	Process for Engagement
Teachers and other staff	Guiding coalition teams collaborate to share instructional practices and increase academic outcomes for our students. Accountability meetings (VIGs) held schoolwide to identify barriers and meet schoolwide goals (proficiency, chronic absenteeism graduation rates). PLC structure, including meetings, ensures staff is engaged in professional dialogue around achievement and support. Teacher Pulse checks are provided each semester to staff and teachers during the school year.
Principals and Administrators	The leadership team, including administrators, principals, and teacher leaders, participate in a root cause analysis to identify potential causes of current outcomes at the end of each quarter. Department-led focus groups meet regularly to collect feedback and identify areas of need.
English Learner Advisory Committee	An EL parent meeting is held in September. ELAC meetings are held in October, January, March, and May. Meetings are held in both English and Spanish.
MKV/Foster Coordinator/Administration	The school provides ongoing outreach and collaboration with homeless and foster youth to support access to school technology, programs, and resources. The Housing Questionnaire is requested yearly and is easily accessible to families via multiple entry points, including the Back to School Packet, an online survey, and paper forms. The improved accessibility of the Housing Questionnaire has led to improvements in the identification of homeless/foster students served, helping increase the number of homeless/foster students served. Once identified, students receive frequent outreach from a dedicated MKV/Foster Coordinator and are given opportunities to request additional resources from the school, including hotspots, computers, school supplies, backpacks, and personal hygiene kits. Students are also provided with targeted and localized information about community resources, mental health support through Care Solace, FAFSA, college application support, and prioritized access to engagement support from the school Engagement Coaches and Social Support Coordinators.
Career and College Prep Advisory Board	The Career and College Prep Advisory Board meets 2-3 times a year. The Advisory Board assists the Prep Program by providing market-based expertise and guidance in the development, implementation, and evaluation of its various Industry Sectors and career pathways.

A description of how the adopted LCAP was influenced by the feedback provided by educational partners.

The 3rd-5th and Middle School Department will focus professional development around high-performing teams which focuses on the ongoing cycle of inquiry or student data based on standards and skills. Additional PD will be offered to all teachers responsible for Integrated ELD to address the language and academic needs of students in content area classrooms, including cultural proficiency/competency training, how to utilize the state-adopted ELD standards in tandem with the state-adopted academic content standards, and scaffolds and strategies to provide language clarification and acquisition support during content area lessons. (Goal 1, Action 1)

The school will be furthering the implementation of an MTSS model through the creation of grade span MTSS teams to analyze data to determine what students need Tier 2 and Tier 3 intervention and identify barriers to learning. The SEL/Counseling team and grade level leaders will be an integral part of these teams to allow collaboration on individualized support for students based upon needs. (Goal 1, Action 4)

The ELD department will begin providing LTELs, AR-LTELs, and Reclassified to Fluent English Proficient (RFEP) students who are not demonstrating success in content area classes within the four-year monitoring period with tier 2 content area intervention for Guaranteed and Viable Curriculum ELA and Math standards, and tier 3 reading intervention using the grade level department's tier 3 intervention program. (Goal 1, Action 3)

The Career and College Prep Advisory Board provided input and feedback to the school administration to determine which health sciences pathways to close. (Goal 1, Action 5)

Parents stated they would like additional training to support their efforts to improve their capacity as a learning coach, including time management tools, technology training, and increasing their knowledge of other available resources and support. In response, the amount of FTE for the Community Coordinator was increased. Parents requested support in developing at-home strategies for motivating their child, emotional support for children & appropriate balance of discipline. In response, the amount of FTE for the SEL, Counseling Specialists was increased. (Goal 2, Action 2)

Parents and students would like teachers to allow for more in-school opportunities for students to interact with their teachers and classmates, work collaboratively, and increase time for social interactions. The administration is working with teachers to increase the amount of time provided for student collaboration during class time. In addition, more after-school activities are being offered, including a broad range of after-hours student clubs. The Community Engagement team has likewise increased the number and scope of the activities provided to parents, including programs for Spanish-speaking parents. (Goal 2, Action 2)

The amount of FTE for the Onboarding Specialist was increased to provide leadership and ensure individualized and ongoing onboarding support throughout the first year of enrollment. Incoming families benefited from targeted resources that outlined program expectations and communication platforms, identified resources and support request processes, and supported the effective use of the online school platform. (Goal 2, Action 2)

The number of unhoused and foster youth numbers increase, additional MKV & Foster Youth Coordinator FTE are being added. (Goal 3, Action 5)

--

Goals and Actions

Goal

Goal #	Description	Type of Goal
1	Increase student achievement and proficiency for all students, including unduplicated pupils and those with disabilities.	Broad Goal

State Priorities addressed by this goal.

- Priority 4: Pupil Achievement (Pupil Outcomes)
- Priority 8: Other Pupil Outcomes (Pupil Outcomes)

An explanation of why the LEA has developed this goal.

This broad goal was developed because the state ELA (13.6 points below standard) and math (49.1 points below standard) achievement results are above the school's results. The CAASPP data shows the student groups of socioeconomically disadvantaged (39.9 below standard) and English learners (74.2 below standard) are below all students (22.9 below standard) in ELA. The CAASPP data also shows the student groups of socioeconomically disadvantaged (80.7 below standard) and English learners (99.8 below standard) are below all students (63.2 below standard) in math. Students with Disabilities are 101.4 below standard in ELA and 137.5 below in math. 71% of students with disabilities are also socioeconomically disadvantaged. African Americans are 95.8 below standard in math. 14% of African Americans who are also socioeconomically disadvantaged met or exceeded standards for math. Whereas 31% of African Americans who are not socioeconomically disadvantaged met or exceeded standards for math. The student group of Two or More Races are Red on the Dashboard for both ELA (81.8 below) and math (116.8). Two or More Races are 81.8 below in ELA and 116.8 below in math. 33% Two or More Races who are also socioeconomically disadvantaged met or exceeded standards for ELA. Whereas 42% of those who are not socioeconomically disadvantaged met or exceeded standards for ELA. For math, 11% of the student group of Two or More Races who are also socioeconomically disadvantaged met or exceeded standards for math. Whereas 17% of that student who are not socioeconomically disadvantaged met or exceeded standards for math.

English learners (EL) Progress increased in English language proficiency by 9%, however, EL decreased in both ELA and math (red on the Dashboard). The overall EL Progress is 50.2% making progress which is above the state average (48.7%).

The College & Career Indicator, 25.7%, is below the state average of 43.9%. Students with Disabilities (0%) is indicated Red on the Dashboard.

Goal Analysis [2023-24]

An analysis of how this goal was carried out in the previous year.

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

Not Applicable.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

Not Applicable.

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

Not Applicable.

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

Not Applicable.

Actions

Action #	Title	Description	Total Funds	Contributing
1.1	Professional Development	Professional development will focus on the implementation of the essential components of a Professional Learning Communities (PLC) and improving instructional practices based on data to address gaps in English language arts and math proficiency and improve academic growth for all students. A focus on the identification and understanding of essential standards (rigor), common grading practices, common formative assessments, collaboration, and the sharing of best practices as identified through observational data should improve proficiency. The professional learning community model	\$161,020.25	Yes

Action #	Title	Description	Total Funds	Contributing
		ensures that students learn and are not just taught. Additionally, teachers will be provided with systematic professional development and coaching on Social Emotional Learning (SEL), aligned with the CASEL 5 framework.		
1.2	Instructional Coaching	Instructional coaches (IC) support the PLC process by partnering with teachers to reflect on their instructional practices and set goals seeking student outcomes as well as cycling through the four critical questions in collaborative administrative teams around what we want teachers to know and be able to do in their live instruction. IC use research-based coaching techniques to help teachers identify areas of focus, set specific goals, and implement teaching strategies designed to improve student achievement.	\$422,495.71	Yes
1.3	English Language Support	The school offers a Structured English Immersion (SEI) program, and services for English Learners (ELs) are based on the Initial ELPAC, annual Summative ELPAC, Interim ELPAC, and ongoing local formative and summative assessments, in alignment with the California English Language Development (ELD) Standards. Assessment results from these state and local assessments are used to create individualized language proficiency goals that drive Designated and Integrated ELD instruction and support throughout the school year. For all English Learners, implement a Designated ELD curriculum that is research-based, aligned with the California ELD Standards, and taught by highly qualified ELD Specialists. In addition, provide Integrated ELD instruction and support by content area teachers who possess the required EL Authorization. Provide English Language Arts (ELA) and Math academic support sessions, using scaffolding and strategies to help make the rigorous academic content comprehensible for and accessible to English Learners at all language proficiency levels. In addition, provide all students with access to tutoring on-demand in English and in five primary languages from Tutor.com. Identify and monitor the progress of Long-Term ELs (LTEs) and At-Risk LTEs (AR-LTEs). In addition to the required Designated and Integrated ELD, provide LTEs, AR-LTEs, and Reclassified to Fluent English Proficient (RFEP) students within the four-year monitoring period who are not demonstrating success in content area classes with: Tier 2 and Tier 3 language intervention with the Off2Class program, tier 2 content area	\$261,125.82	Yes

Action #	Title	Description	Total Funds	Contributing
		intervention for Guaranteed and Viable Curriculum ELA and Math standards, and tier 3 reading intervention using the grade level department's tier 3 intervention program. Support Newcomer students with tier 3 language intervention using the Rosetta Stone program, in addition to the required Designated and Integrated ELD. Identify ways to support newcomer students and their families to ensure the students receive the appropriate services and resources, within and beyond the school setting, to benefit their success. Provide effective language assistance to Limited English Proficient (LEP) students and families with the role of a bilingual engagement coach for Spanish (the school's highest primary language other than English, as determined by language census data) and an on-staff interpreter/translator for Arabic (the school's second highest primary language other than English, as determined by language census data). Prioritize family engagement through Spanish and Arabic Language Coffee Chats for Learning Coaches, Storytime in Spanish and Arabic for students and families, and the offering of parent meetings in English and Spanish, with translation tools provided for access in other primary languages. Gather input from educational partners through the quarterly ELAC and DELAC meetings and annual ELD Needs Assessment Survey for staff and parents/guardians. Use feedback provided from all educational partners and EL achievement data to determine staff professional development annually. Offer professional development for ELD Specialists responsible for Designated ELD, focusing on the school's Tier 1 ELD curriculum - Launch and Link to Literacy, Tier 2 program - Off2Class, and Tier 3 Program - Rosetta Stone, as well as high-impact research-based scaffolds and strategies that align with California's ELD standards. Offer all teachers responsible for Integrated ELD with professional development to address the language and academic needs of students in content area classrooms, including cultural proficiency/competency training, how to utilize the state-adopted ELD standards in tandem with the state-adopted academic content standards, and scaffolds and strategies to provide language clarification and acquisition support during content area lessons.		

Action #	Title	Description	Total Funds	Contributing
1.4	Instructional Support	The school uses a Multi-Tiered System of Supports (MTSS) model that helps educators provide targeted instruction and support to students. MTSS is based on research and aims to improve student outcomes by identifying and addressing student needs early. Teachers utilize formative and summative assessments to evaluate the effectiveness of instruction (tier 1) and determine which students need more targeted or intensive instruction (tiers 2 and 3) to master essential standards. Online supplemental instructional programs provide targeted intervention to students who lack the universal learning skills necessary to be successful across multiple content areas Instructional leads use data to oversee and monitor the response to instruction for students needing additional support in math and/or English Language Arts. They provide training for supplemental instructional programs and monitor students' participation in the programs. They also provide additional instructional support. Special Education instructional paraprofessionals support students individually or in small groups during live instruction sessions. The Reading Coordinator works with teachers to implement, train, and support the literacy program using research-based practices, instructional techniques, and assessment requirements that align with California's English Language Arts and Literacy Standards.	\$297,114.75	Yes
1.5	Career & Technical Education (CTE)	The Career & Technical Education (CTE) program, focuses on the importance of career readiness education and the opportunities it can provide for youth in high-demand, high-growth job fields. Our program will continue to offer and enhance our current industry sectors of Business and Finance, Marketing, Sales, and Services, Information and Communication Technologies (IT), Arts, Media, and Entertainment (AME), Health Science and Medical Technology, and Public Services. The program also offers the students the opportunity to participate in a student-led Career & Technical Student Organization (CTSO), SkillsUSA, focusing on building student leadership skills and technical skills in preparation for college or career. The program provides small group College & Career Readiness	\$341,441.90	Yes

Action #	Title	Description	Total Funds	Contributing
		lessons hosted by the schools' counselors, work-based learning opportunities for all students working toward pathway completion, and Project Based Learning (PBL) electives, allowing the students to be more hands-on in their learning. Dedicated CTE leadership and curriculum specialists work to ensure equitable opportunities and access to engaging and relevant content for all students. Careers and CTE course options were expanded to Middle School. Students have the option to enroll in a career exploration course. Once the course is complete, they can enroll in High School IT, Business, or AME courses for high school credit.		
1.6	Summer School	The MTSS model is used to determine eligibility for summer school classes focused on supporting at-risk students through extended learning time. Elementary summer classes will focus on reading and math interventions. Middle school classes will front-load students on the next grade level standards, providing foundational skills, and remediation, to prevent learning loss. The high school will offer students who are credit deficient credit recovery courses and standard courses for those who need to maintain their A-G status. Elementary will also offer a Jump Start program to allow new students to learn to navigate the online school and virtual classroom platforms, as well as build on basic skills. These classes will also provide students the opportunity to meet other students and begin to feel a part of the school community.	\$118,075.12	No Yes
1.7	Instructional Intervention	In elementary and middle schools, weekly Wildly Important Goals (WIG) meetings provide a platform for educators and leaders to discuss their targeted, high-impact commitments aimed at helping students achieve their academic objectives. Tier 2 and Tier 3 sessions are structured to assist students in achieving personalized learning objectives aligned with the guaranteed and viable curriculum (GVCs) standards in Mathematics and English Language Arts (ELA). Educators evaluate student assessment data to identify the specific learning targets within the standards where the student demonstrates a lack of proficiency. The student is scheduled for sessions that offer focused and timely interventions. Tier 3 instruction aims to address deficiencies in foundational skills.		Yes

Action #	Title	Description	Total Funds	Contributing
		High school teachers convene weekly for data meetings, they analyze data to identify students who require additional assistance in achieving mastery of the course standards. Teachers implement targeted intervention sessions several times a week, offering these students a renewed chance to understand the essential standards. Office hours allow students to pose questions, seek clarification, and improve their comprehension of the subject matter.		

Goals and Actions

Goal

Goal #	Description	Type of Goal
2	Provide safe and effective learning environments that foster positive school culture and connection driven by the input of parents, teachers, staff, and students that is inclusive and representative of the school's population.	Maintenance of Progress Goal

State Priorities addressed by this goal.

- Priority 3: Parental Involvement (Engagement)
- Priority 6: School Climate (Engagement)

An explanation of why the LEA has developed this goal.

This goal was developed as a maintenance goal. Suspension and expulsion rates are both at 0%. As an independent study virtual school, parents play an integral role in their child's education, the school intentionally involves parents, providing them with information and resources to support student learning. The home language of all English learners and those EL reclassified is 16% Spanish and 20% of families speak a language other than English. This is a need to provide translation and interpreter so all families can access the resources and curriculum. Research has found that schools with family and community partnerships are more successful in improving students' academic achievement and their college and career readiness compared to schools that do not engage families and community (Bryk, Anthony S., et al. 2010). The unduplicated students are 70% of the school's population, we need to continue to reach out to these families. There is a need to increase parent and student participation in the climate survey.

Measuring and Reporting Results

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Target for Year 3 Outcome	Current Difference from Baseline
2.1	Parent Input in Decision Making Summary of the trends and feedback from various parent surveys. Source: Dashboard Local Indicator, Parent and Family Engagement	2023 Overall, parents are satisfied with the school, consider it beneficial for their children, and appreciate the support provided by the staff and teachers. Having access to review their student's progress and preview	2024 (83%) Agree / Strongly Agree: "I have been given opportunities to participate in decision-making regarding my student's education."		Increase parental involvement

Actions

Action #	Title	Description	Total Funds	Contributing
2.1	English Language Services	Provide interpreter and translation services so families who speak a language other than English will be engaged in school.	\$15,462.60	Yes

Action #	Title	Description	Total Funds	Contributing
2.2	Engagement	To enhance student academic achievement and elevate graduation rates, the school prioritizes family engagement as a key strategy. Staff takes the initiative to reach diverse families through regular and reciprocal school-to-home communication via newsletters, email, texting, phone calls, and live or recorded sessions. Regular, positive, respectful, and productive communication is used to establish a trusting relationship with families. Educational partner meetings and surveys provide an opportunity for families to provide feedback. For the home-school partnerships to result in improved student outcomes, the school models strategies to support learning at home. Being an independent student program, families play a vital role in their child's education. To set them up for success, new families are provided information, resources, and support, to ensure they understand how to utilize the online school and meet enrollment requirements. To provide a healthy and positive school culture and climate the school has integrated enrichment and extracurricular activities for students into our program. In addition, these activities provide a channel for reinforcing the lessons learned in the classroom, offering students the opportunity to apply academic skills in a real-world context, and are thus considered part of a well-rounded education. Research shows a positive correlation between participation in extracurricular activities and academic performance (HonorsSociety.org, 2023). Students who participate in these activities often show improved grades, higher educational aspirations, increased college enrollment, and reduced absenteeism. Extracurricular activities also contribute significantly to personal development, fostering essential life skills and enhancing students' overall well-being.	\$135,102.59	Yes
2.3	Social Emotional Learning, Prevention, and Intervention	The SEL, Prevention & Intervention Department is dedicated to building and fostering supportive relationships within our school community - with staff, families, and students. Strong relationships with teachers and school staff can dramatically enhance students' motivation levels and promote learning. According to Harvard's Center on the Developing Child, individuals who demonstrate resilience in response to one form of adversity may not necessarily do so in response to another. When schools, communities, and families strengthen these factors, they optimize resilience across multiple contexts.	\$219,392.90	No

Action #	Title	Description	Total Funds	Contributing
		The SEL, Prevention & Intervention Department will support student resilience by: - fostering supportive adult-child relationships - scaffolding learning so students build a sense of self-efficacy and control - strengthening adaptive skills and self-regulatory capacities through explicit SEL instruction - providing specialized support and targeted resources to students and families dealing with trauma - Identifying and implementing protocols to ensure school and student safety.		

Goals and Actions

Goal

Goal #	Description	Type of Goal
3	Provide all pupils access to standards-aligned courses in a well-rounded curriculum taught by appropriately assigned and credentialed teachers, by utilizing 21st Century technology and targeted programs and services.	Maintenance of Progress Goal

State Priorities addressed by this goal.

- Priority 1: Basic (Conditions of Learning)
- Priority 2: State Standards (Conditions of Learning)
- Priority 7: Course Access (Conditions of Learning)

An explanation of why the LEA has developed this goal.

There is a need to maintain the current level of 100% of students enrolled in a minimum of language arts, math, science, and history at the TK-8 level, with most students participating in at least six courses and high school students enrolled in a-g, honors, advanced placement, and credit recovery courses. 100% of students have Standards-aligned instructional materials for all core classes. There is a need to increase the number of students completing all a-g course. Unduplicated pupils have the same access to all programs and services as their peers due to our virtual courses and classroom, mailing all student printed materials, and providing every family with a computer. The need is to ensure all students can access the resources provided and learn. The CAASPP data shows the student groups of socioeconomically disadvantaged (35.3 below standard) are below all students (15.8 below standard) in ELA. The CAASPP data also shows the student groups of socioeconomically disadvantaged (78 below standard) are below all students (59.2 below standard) in math.

		educators, parents, and students to design a challenging schedule that meets the needs of every student.		
3.4	Curriculum Specialist	Curriculum Specialists play a crucial role in ensuring that the school delivers a high-quality curriculum that meets the state standards. They facilitate the work to align essential standards to state testing blueprints, as, well as, vertically aligning the essential standards from TK to 12th grade, on an annual basis. The essential standards bring coherence to instruction by articulating goals that are attainable and increasing students' knowledge. They work to reduce achievement and climate gaps and ensure equity for every student.	\$147,481.89	Yes
3.5	MKV/FY	McKinney Vento and Foster Youth Liaisons will ensure students living in homeless situations and/or foster youth have full and equal access to school programs, support to meet academic standards, and resources to remove barriers so they can engage with school. These supports are need-based and include providing students living in a homeless situation a hotspot so they can access their online classes, necessary school supplies to complete assigned work, and hygiene kits to meet basic personal needs.	\$68,490.91	No
3.6	Staff Training	All teachers who are new to our school will be provided with multiple levels of support. First, they will begin the school year early so they can receive training on the nuts and bolts of operations before all staff professional begins. Instructional teacher leaders will be assigned to new to our school teachers to ensure all students are learning. These teachers will also be paired with veteran teachers who will support them with their assigned duties. New leaders will be provided with similar support. Including being paired with a veteran leader. New teachers and new administrators will be provided with an induction mentor when appropriate. They will meet regularly and work with an induction program that the inductee has chosen.	\$107,379.46	Yes

Goals and Actions

Goal

Goal #	Description	Type of Goal
4	Decrease the chronic absenteeism rate by 2% overall and for each significant student group by the end of the year.	Focus Goal

State Priorities addressed by this goal.

Priority 5: Pupil Engagement (Engagement)

An explanation of why the LEA has developed this goal.

This goal was developed to decrease chronic absenteeism for all students and all student groups. The chronic absenteeism data shows the student group of socioeconomically disadvantaged (11%) and English learners (13%), and African American (12%) are higher than all students, 9%. Students' engagement in learning and schools is largely based on being seen and valued. Disengagement and absences occur when a student does not feel seen, heard, or appreciated. Action #	Title	Description	Total Funds	Contributing
5.1	Transcript Evaluation Service	Transcripts from non-U.S. schools are evaluated so that students can be accurately placed and receive credit for courses taken and passed outside the U.S.	\$2,140.55	Yes
5.2	Guidance Program	The school guidance program aligns with American School Counselor Association (ASCA) standards/domains. Counselors meet consistently one-on-one with students to address academics, mental health, and social-emotional needs, and put plans in place to help bridge gaps in learning and credit deficiency. The team conducts transcript audits to ensure proper grade entry following each grade reporting period. They ensure students have up-to-date documentation (transcripts from prior schools, AP test scores, college transcripts, etc.) on file. They focus on the early identification of students who may become credit deficient and work with school staff to put plans in place to recover credits and meet college career readiness measures. The team ensures all students remain on a path to graduation and follows them for one-year post-graduation. The team works in partnership with all departments to analyze the unique needs of students with disabilities to identify high school completion and post-secondary possibilities. The counseling team conducts weekly data digs to make meaningful commitments to identify and support significant struggling student groups. The student group of Hispanic has been designated as needing consistent attention and support in addition to other identified groups. These students receive priority contact and support from their Counselor.	\$301,521.25	Yes
5.3	Math/ELA Intervention	Increase high school math and English course offerings to supplement core instruction and prevent credit deficiency.	\$150,822.52	Yes

Action #	Title	Description	Total Funds	Contributing
5.4	A-G Completion	Increase the number of high schoolers graduating with A-G eligibility by incorporating use of the California Colleges portal in one on one and small group sessions held by the Counselor. We will connect qualifying students to community colleges for dual or concurrent enrollment, provide targeted college application workshops for students and families, staff training opportunities in the areas of college readiness and postsecondary planning, professional development for teachers to obtain AP certification, and provide access to AP courses.	\$86,873.14	No

Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students [2024-25]

Required Descriptions

LEA-wide and Schoolwide Actions

For each action being provided to an entire LEA or school, provide an explanation of (1) the unique identified need(s) of the unduplicated student group(s) for whom the action is principally directed, (2) how the action is designed to address the identified need(s) and why it is being provided on an LEA or schoolwide basis, and (3) the metric(s) used to measure the effectiveness of the action in improving outcomes for the unduplicated student group(s).

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
1.1	Action: Professional Development Need: The CAASPP data shows the student groups of socioeconomically disadvantaged (39.9 below standard) and English learners (74.2 below standard) are below all students (22.9 below standard) in ELA. The CAASPP data also shows the student groups of socioeconomically disadvantaged (80.7below	We will improve proficiency through a focused effort on the identification and understanding of essential standards (rigor), common grading practices, common formative assessments, collaboration, and the sharing of best practices as identified through observational data (improved proficiency in ELA/math). This action is being provided on an LEA-wide basis because professional development focusing on low-achieving students should also improve all student achievement by providing the most	Progress will be monitored through staff surveys (quantitative and qualitative).

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	standard) and English learners (99.8 below standard) are below all students (63.2 below standard) in math. Through the WASC process, leadership and teachers indicated the need to refine professional development to focus on implementing the essential components of a PLC and improving instructional practices based on data to address gaps in language arts and math proficiency. Scope: LEA-wide	effective learning environment for students. The majority of students in each teacher's class are socioeconomically disadvantaged.	
1.2	Action: Instructional Coaching Need: The CAASPP data shows the student groups of socioeconomically disadvantaged (39.9 below standard) and English learners (74.2 below standard) are below all students (22.9 below standard) in ELA. The CAASPP data also shows the student groups of socioeconomically disadvantaged (80.7 below standard) and English learners (99.8 below standard) are below all students (63.2 below standard) in math. Educational partner feedback, through the WASC process, indicated leadership and teachers want to refine professional development to focus on implementing the essential components of a PLC and improving instructional practices based on data to	Instructional coaches will be assigned to all teachers to support the PLC. Research-based coaching techniques will be used to help teachers identify areas of focus, set specific goals, and implement teaching strategies designed to improve student achievement. This action is being provided on an LEA-wide basis because instructional coaching focused on low-achieving students should also improve all student achievement by providing the most effective learning environment for students. The majority of students in each teacher's class are socioeconomically disadvantaged.	Progress will be monitored through staff surveys (quantitative and qualitative).

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	address gaps in language arts and math proficiency. Scope: LEA-wide		
1.4	Action: Instructional Support Need: Additional student groups to be served: Students with Disabilities, African American, Two or More Races The CAASPP data shows the student groups of socioeconomically disadvantaged (39.9 below standard) and English learners (74.2 below standard) are below all students (22.9 below standard) in ELA. The CAASPP data also shows the student groups of socioeconomically disadvantaged (80.7 below standard) and English learners (99.8 below standard) are below all students (63.2 below standard) in math. Students with Disabilities are 101.4 below standard in ELA and 137.5 below in math. 71% of students with disabilities are also socioeconomically disadvantaged. African Americans are 95.8 below standard in math. 14% of African Americans who are also socioeconomically disadvantaged met or exceeded standards for math. Whereas 31% of African Americans who are not socioeconomically disadvantaged met or exceeded standards for math. The student group of Two or More Races are Red on the	The school will increase the percentage of students demonstrating proficiency in ELA and Math, as measured by the CAASPP, including increases in the percentage of English Learners, Students with Disabilities, and African American students scoring proficient. This will be accomplished through increased and targeted professional development for all teachers and specialists, and supplemental programs to target students' specific content area needs at tiers 2 and 3 in ELA and Math. This action is designed to address the identified needs of unduplicated students; however, it will be provided on an LEA wide basis because all students performing below grade level can benefit from these opportunities.	Progress will be monitored through the school's reading and math assessments (Star360) for the student groups of socioeconomically disadvantaged, English learners, African American, and special education students. Effectiveness will be measured by CAASPP, Star360 data, and Educational Partner Feedback.

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	Dashboard for both ELA (81.8 below) and math (116.8). Two or More Races are 81.8 below in ELA and 116.8 below in math. 33% Two or More Races who are also socioeconomically disadvantaged met or exceeded standards for ELA. Whereas 42% of those who are not socioeconomically disadvantaged met or exceeded standards for ELA. For math, 11% of the student group of Two or More Races who are also socioeconomically disadvantaged met or exceeded standards for math. Whereas 17% of that student who are not socioeconomically disadvantaged met or exceeded standards for math. Educational partner feedback was collected, 88% of families said additional instructional support through interventions is a priority (high or medium). Scope: LEA-wide		
1.5	Action: Career & Technical Education (CTE) Need: The percentage of students completing a CTE pathway, 2.7%, is significantly lower than the state average of 18.7%. Additionally, the group of socioeconomically disadvantaged students has a rate of 3.1%, which is also lower than the state average, 18%. An increase in CTE completion will also increase the College &	The CTE program will allow students who are not planning on attending college another way to prepare for a career. The CTE program provides students with career and academic skills, as well as skills that are needed for the modern workplace, such as critical thinking; communication; teamwork; citizenship, integrity, and ethical leadership; research tools; creativity; and innovation. This action will create an opportunity to significantly increase the CTE Completion rate for socioeconomically disadvantaged students	Progress in increasing the CTE pathway completion rate of our socioeconomically disadvantaged students as well as all students will be monitored. Feedback will be sought from students, parents, and staff about the CTE program.

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	Career Indicator, 25.7%, which is below the state average of 43.9%. Educational partner feedback has found the CTE pathway instrumental for students to succeed outside of school, both now and in their future careers. Areas of need, not all students are following through and completing the pathways, increased communication between teachers and families, and finding ways to increase student attendance at College & Career Readiness Workshops (i.e. college app prep, financial aid, job search). Parents indicated CTE as a high priority. Scope: LEA-wide	because it is designed to address their identified needs. However, the action is being provided on an LEA-wide basis to maximize its impact on increasing overall CTE Completion rates for all students.	
1.6	Action: Summer School Need: Scope: LEA-wide		
2.2	Action: Engagement Need: Research has found that schools with family and community partnerships are more	The positive influence of school practices to engage families is greatest for low-income children; in fact, the disparity between middle- and low-income families' readiness to work effectively with schools contributes to the achievement gap. (Henderson, Anne T, and Karen L. Mapp. 2002)	We will monitor progress through feedback from educational partners. Effectiveness will be measured through the CA Dashboard Local Indicator

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	successful in improving students' academic achievement and their college and career readiness compared to schools that do not engage families and community (Bryk, Anthony S., et al. 2010). The unduplicated students are 70% of the school's population. Educational partner feedback was collected, 91% of families said family, community, and student engagement is a priority (high or medium). 87% of families indicated that they have been given opportunities to participate in decision making regarding my student's education. Scope: LEA-wide	This action is designed to meet the need to engage unduplicated pupils and their families but will benefit all students.	of Parent & Family Engagement.
3.2	Action: High Quality Teachers Need: Recent studies suggest that teachers have a far greater impact on student achievement than any other single schooling factor. (Darling-Hammond, Linda. 2006) Not all of our teachers are fully credentialed and appropriately assigned. During 22-23, 24.4% of teachers were newly hired during the first semester. By the end of the year, 27% of teachers were newly hired. Educational partner feedback was collected, 96% of families said recruiting, training, and retaining qualified teachers is a priority (high or medium). The union negotiated a pay increase	Hire and retain highly qualified fully credentialed teachers. We expect these actions to significantly improve achievement for unduplicated pupils as this action is designed to address their identified needs. However, this action will be provided on an LEA-wide basis because all students will benefit from highly qualified teachers that has experience in our school setting.	Hire and retain highly qualified fully credentialed teachers. Effectiveness will be measured through the Fully Credentialed and Appropriately Assigned Teachers indicator and percentage of new hires each year.

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	and a bonus. Teachers stated the pay is a factor in them returning the next year. Scope: LEA-wide		
3.3	Action: Equity, Access & Accountability Need: There is a need to maintain the current level of 100% of students enrolled in a minimum of language arts, math, science, and history at the TK-8 level, with most students participating in at least six courses and high school students enrolled in a-g, honors, advanced placement, and credit recovery courses. 100% of students have Standards-aligned instructional materials for all core classes. Educational partners' feedback was collected, 93% of families said that high school students completing all courses (a-g) is a priority (high or medium). Scope: LEA-wide	The Equity, Access, & Accountability team works together to ensure all students have access to a broad course of study and standard-aligned instructional materials. Unduplicated pupils have access to and are enrolled in a broad course of study, however, not all students pass their classes. In high school, the pass rate of all students is 84%, while it is only 69% for English learners and 82% for socioeconomically disadvantaged students. This action will create an opportunity to significantly increase not only access but engagement in a broad course of study for unduplicated students because they are designed to address their identified needs. However, these actions are being provided on an LEA-wide basis to maximize their impact in increasing overall engagement in a broad course of study with standard-aligned instructional materials for all students.	Progress will be monitored through high school course pass rates, and Dashboard local indicators of implementation of state academic standards and Access to a Broad Course of Study. We will continue to seek feedback from educational partners regarding the implementation and access of standards and a broad course of study.
3.4	Action: Curriculum Specialist Need: Unduplicated pupils have the same access to all programs and services as their peers due	Curriculum Specialists ensure that all instructional materials are aligned to standards and that all students have access to them. This action is designed to ensure the curriculum is aligned and presented in a way unduplicated pupils can access it; however, this action will be	Progress will be monitored through high school course pass rates, and Dashboard local indicators of implementation of state academic standards and

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	to our virtual courses and classroom, mailing all student printed materials, and providing every family with a computer. The need is to ensure all students can access the resources provided and learn. The CAASPP data shows the student groups of socioeconomically disadvantaged (39.9 below standard) and English learners (74.2 below standard) are below all students (22.9 below standard) in ELA. The CAASPP data also shows the student groups of socioeconomically disadvantaged (80.7 below standard) and English learners (99.8 below standard) are below all students (63.2 below standard) in math. Educational partners' feedback was collected, 90% of families said that aligning the core curriculum with the standards is a priority (high or medium). Scope: LEA-wide	provided on a LEA wide basis because all students need to effectively access the curriculum to learn.	Access to a Broad Course of Study. We will continue to seek feedback from educational partners regarding the implementation and access of standards and a broad course of study.
3.6	Action: Staff Training Need: During 22-23, 27% of teachers were new to our school. During the first semester of this year, 20% of teachers were new to our school. Being a virtual independent study program our school has unique systems and teachers need additional training. Teachers at-will employees and can resign at any time during the year.	Specific support will be provided to teachers who are new to our school, as well as, new teachers and administrators. This action is designed to ensure teachers are prepared to provide support to unduplicated pupils, however, it is being provided on a LEA basis because all student groups will benefit from high-quality teachers who are fully credentialed and appropriately assigned.	Progress will be monitored through teacher turnover rate and percentage of new hires each year as well as the percentage of fully credentialed and appropriately assigned teachers. The school will also investigate the possible of collecting data on why teacher resign.

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	Parents and students have voiced concern when they have to change teachers in the middle of the year. This happens when a teacher leaves the school during the school year. Teachers have stated they need additional support after their initial training. Scope: LEA-wide		We will continue to seek feedback from educational partners.
4.1	Action: Compass Need: Additional student groups to be served: African American The chronic absenteeism data shows the student group of socioeconomically disadvantaged (11%) and English learners (13%), and African American (12%) are higher than all students, 9%. Educational partner feedback was collected, 91.6% of families said ensuring students attend school is a priority (high or medium). Scope: LEA-wide	Students who are having difficulty meeting enrollment requirements due to a lack of engagement with the school will receive support from the Compass team. This action is focused on improving the attendance rate and lowering the chronic absenteeism rate for socioeconomically disadvantaged and attendance rate for English Learners; however, it will also benefit all students who are not participating in school.	Progress will be monitored by the chronic absenteeism and attendance rates and educational partner feedback.
5.2	Action: Guidance Program Need:	The guidance program ensures student graduate on time. This action will create an opportunity to significantly increase the graduation rate for	The effectiveness of the action will be monitored with graduation rate, credit sufficiency, course pass

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	The graduation rate of the student group of socioeconomically disadvantaged (78%) was below all students (81%) and indicated as Red on the Dashboard. The grad rate for English learners (58.3%) is also below all students. The course pass rate for all students is 84%, the student group of English learners is 69%, and socioeconomically disadvantaged is 83%. The credit sufficiency for English learners (65%) and socioeconomically disadvantaged (74%) are below all students (76%). Educational partner feedback was collected, 91% of families said reducing the ratio between counselors and students is a priority (high or medium) and 97% said ensuring student graduation is a high priority. Scope: LEA-wide	socioeconomically disadvantaged students because it is designed to address their identified needs. However, this action is provided on an LEA-wide basis to maximize its impact on increasing overall graduation rate for all students.	rate, and feedback from educational partners.
5.3	Action: Math/ELA Intervention Need: High school students can not graduate without completing math and ELA courses. The graduation rate of the student group of socioeconomically disadvantaged (78%) was below all students (81%) and indicated as Red on the Dashboard. The grad rate for English learners is also below all students. The course pass rate for all students is 84%, the student group of English learners is 69%, and socioeconomically disadvantaged is 83%. The credit sufficiency for English learners (65%)	Offer ELA and Math remediation courses. This action will create an opportunity to significantly increase the graduation rate, and credit sufficiency for socioeconomically disadvantaged students and credit sufficiency for English learners because it is designed to address their identified needs. However, this action is provided on an LEA-wide basis to maximize its impact on increasing the graduation rate and credit sufficiency for all students.	The effectiveness of the action will be monitored with graduation rate, credit sufficiency, course pass rate, and feedback from educational partners.

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	and socioeconomically disadvantaged (74%) are below all students (76%). Educational partner feedback was collected, 90% of families said ELA and Math remediation courses are a priority (high or medium). Scope: LEA-wide		

Limited Actions

For each action being solely provided to one or more unduplicated student group(s), provide an explanation of (1) the unique identified need(s) of the unduplicated student group(s) being served, (2) how the action is designed to address the identified need(s), and (3) how the effectiveness of the action in improving outcomes for the unduplicated student group(s) will be measured.

Goal and Action #	Identified Need(s)	How the Action(s) are Designed to Address Need(s)	Metric(s) to Monitor Effectiveness
1.3	Action: English Language Support Need: English learners (EL) increased in English language proficiency by 9%, however, EL decreased in both ELA and math (red on the Dashboard). EL is making progress in English language development, signaling a need for an increase in Integrated ELD actions and Reclassified to Fluent English Proficient (RFEP) students. 15% of EL Needs Assessment surveys for the 2023-2024 school year indicated a need for	The school will increase the percentage of English learners who make progress toward English proficiency and who demonstrate proficiency on the ELPAC with a Level 4 through ELD standards-based curriculum, supplemental programs to target EL students' specific language needs at tiers 2 and 3, and ongoing professional development for staff. In addition, we will increase the percentage of EL students' demonstrating proficiency in Math and ELA on the CAASPP through elevated professional development for all Integrated ELD teachers, and supplemental programs to target EL students' specific content area needs at tiers 2 and 3.	Ongoing progress will be monitored through California state standards-aligned formative and summative assessments, as well as Educational Partner Feedback (including the Annual EL Needs Assessment Survey). In addition, the Summative ELPAC, ELA and Math CAASPP, and the annual EL Reclassification Rate will

Goal and Action #	Identified Need(s)	How the Action(s) are Designed to Address Need(s)	Metric(s) to Monitor Effectiveness
	improved Math and ELA support for EL students. Educational partner feedback was collected, 75% of families said support for English learners to attain proficiency. Scope: Limited to Unduplicated Student Group(s)		be used to measure overall progress.
1.7	Action: Instructional Intervention Need: The CAASPP data shows the student groups of socioeconomically disadvantaged (39.9 below standard) and English learners (74.2 below standard) are below all students (22.9 below standard) in ELA. The CAASPP data also shows the student groups of socioeconomically disadvantaged (80.7 below standard) and English. Educational partner feedback was collected, 88% of families said additional instructional support through interventions is a priority (high or medium). Scope: Limited to Unduplicated Student Group(s)	The school will increase the percentage of English Learners and socioeconomically disadvantaged students demonstrating proficiency in ELA and Math, as measured by the CAASPP. This will be accomplished through direct support from teachers to target students' specific content area needs at tiers 2 and 3 in ELA and Math.	Progress will be monitored through the school's reading and math assessments (Star360). Effectiveness will be measured by CAASPP, Star360 data, and Educational Partner Feedback
2.1	Action: English Language Services Need:	Interpreter and translation services will be provided directly to ELs and their parents.	We will monitor progress through feedback from staff and families. Effectiveness will be measured through the

Goal and Action #	Identified Need(s)	How the Action(s) are Designed to Address Need(s)	Metric(s) to Monitor Effectiveness
	The home language of all English learners and those EL reclassified is 16% Spanish and 20% percentage of families speak a language other than English. Parent and staff feedback has indicated that interpreter and translation services are a need. Parents need these services to be effective learning coaches for their students and teachers need them to fully support the parent/learning coach. Scope: Limited to Unduplicated Student Group(s)		Parent Participation in Programs for Unduplicated Pupils local indicator on the Dashboard.
3.1	Action: Student ISP Need: Students need the internet to maintain access to all standards-aligned instructional materials and class sessions. Educational partner feedback was collected, 93% of families said providing an internet subsidy for socioeconomically disadvantaged families is a priority (high or medium). When a student doesn't complete work or attend an online class, teacher sometimes find that is because the student doesn't have internet access. Scope: Limited to Unduplicated Student Group(s)	An internet subsidy will be provided to any socioeconomically disadvantaged family that requests it. This will allow all students to maintain internet access.	Progress will be monitored through educational partner feedback, internet subsidy requests, and the Dashboard local indicator of implementation of state academic standards.

Goal and Action #	Identified Need(s)	How the Action(s) are Designed to Address Need(s)	Metric(s) to Monitor Effectiveness
4.2	Action: Attendance Intervention Need: The chronic absenteeism data shows the student group of socioeconomically disadvantaged (11%) and English learners (13%), are higher than all students, 9%. Educational partner feedback was collected, 91.6% of families said ensuring students attend school is a priority (high or medium). Scope: Limited to Unduplicated Student Group(s)	Teachers will monitor and follow up with students not completing assignments and attending class.	Progress will be monitored by the chronic absenteeism and attendance rates and educational partner feedback.
5.1	Action: Transcript Evaluation Service Need: Students who transfer to our school from another country will be placed in the correct courses if their foreign transcript is evaluated and converted to CA courses. Parent and staff feedback has indicated this is needed. Scope: Limited to Unduplicated Student Group(s)	Transcripts from non-U.S. schools are evaluated.	We will monitor progress through feedback from staff and families.

For any limited action contributing to meeting the increased or improved services requirement that is associated with a Planned Percentage of Improved Services in the Contributing Summary Table rather than an expenditure of LCFF funds, describe the methodology that was used to determine the contribution of the action towards the proportional percentage, as applicable.

Socioeconomic Disadvantaged (SED) and English learner (EL) students have a disproportionately lower rates of achievement than all students. To address the need to increase achievement with SED and EL students, the school will implement academic interventions (Goal: Increase Student Achievement and Proficiency, 1.7). The school could implement this action by hiring additional staff to provide academic interventions for these students, which, based on the current pay scale, the school estimates the cost to \$944,728. Instead, the school chooses to utilize a portion of the existing staff time to provide the intervention to unduplicated students. The estimated cost was divided by the amount of LCFF funding identified in the Total Planned Expenditures Table, and the quotient was converted to a percentage. This percentage is the Planned Percentage of Improved Services for the action.

Socioeconomic Disadvantaged (SED) and English learner (EL) students have disproportionately higher rates of chronic absenteeism than all students. To address the need to reduce chronic absenteeism and increase student engagement with our SED and EL students, the school will implement attendance interventions (Goal: Decrease Chronic Absenteeism Through Student Engagement, 4.2). The school could implement this action by hiring additional staff to provide attendance support, which, based on the current pay scale, the school estimates the cost to \$930,657. Instead, the school chooses to utilize a portion of the existing staff time to provide the intervention to SED and EL students. The estimated cost was divided by the amount of LCFF funding identified in the Total Planned Expenditures Table, and the quotient was converted to a percentage. This percentage is the Planned Percentage of Improved Services for the action.

Additional Concentration Grant Funding

A description of the plan for how the additional concentration grant add-on funding identified above will be used to increase the number of staff providing direct services to students at schools that have a high concentration (above 55 percent) of foster youth, English learners, and low-income students, as applicable.

N/A

Staff-to-student ratios by type of school and concentration of unduplicated students	Schools with a student concentration of 55 percent or less	Schools with a student concentration of greater than 55 percent

Local Control and Accountability Plan Instructions

Plan Summary

Engaging Educational Partners

Goals and Actions

Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students

For additional questions or technical assistance related to the completion of the Local Control and Accountability Plan (LCAP) template, please contact the local county office of education (COE), or the California Department of Education's (CDE's) Local Agency Systems Support Office, by phone at 916-319-0809 or by email at LCFF@cde.ca.gov.

Introduction and Instructions

The Local Control Funding Formula (LCFF) requires local educational agencies (LEAs) to engage their local educational partners in an annual planning process to evaluate their progress within eight state priority areas encompassing all statutory metrics (COEs have 10 state priorities). LEAs document the results of this planning process in the LCAP using the template adopted by the State Board of Education.

The LCAP development process serves three distinct, but related functions:

- **Comprehensive Strategic Planning:** The process of developing and annually updating the LCAP supports comprehensive strategic planning, particularly to address and reduce disparities in opportunities and outcomes between student groups indicated by the California School Dashboard (California Education Code [EC] Section 52064[e][1]). Strategic planning that is comprehensive connects budgetary decisions to teaching and learning performance data. LEAs should continually evaluate the hard choices they make about the use of limited resources to meet student and community needs to ensure opportunities and outcomes are improved for all students.
- **Meaningful Engagement of Educational Partners:** The LCAP development process should result in an LCAP that reflects decisions made through meaningful engagement (EC Section 52064[e][1]). Local educational partners possess valuable perspectives and insights about an LEA's programs and services. Effective strategic planning will incorporate these perspectives and insights in order to identify potential goals and actions to be included in the LCAP.
- **Accountability and Compliance:** The LCAP serves an important accountability function because the nature of some LCAP template sections require LEAs to show that they have complied with various requirements specified in the LCFF statutes and regulations, most notably:
 - Demonstrating that LEAs are increasing or improving services for foster youth, English learners, including long-term English learners, and low-income students in proportion to the amount of additional funding those students generate under LCFF (EC Section 52064[b][4-6]).
 - Establishing goals, supported by actions and related expenditures, that address the statutory priority areas and statutory metrics (EC sections 52064[b][1] and [2]).
 - **NOTE:** As specified in EC Section 62064(b)(1), the LCAP must provide a description of the annual goals, for all pupils and each subgroup of pupils identified pursuant to EC Section 52052, to be achieved for each of the state priorities. Beginning in 2023–24, EC

Section 52052 identifies long-term English learners as a separate and distinct pupil subgroup with a numerical significance at 15 students.

- o Annually reviewing and updating the LCAP to reflect progress toward the goals (EC Section 52064[b][7]).
- o Ensuring that all increases attributable to supplemental and concentration grant calculations, including concentration grant add-on funding and/or LCFF carryover, are reflected in the LCAP (EC sections 52064[b][6], [8], and [11]).

The LCAP template, like each LEA's final adopted LCAP, is a document, not a process. LEAs must use the template to memorialize the outcome of their LCAP development process, which must: (a) reflect comprehensive strategic planning, particularly to address and reduce disparities in opportunities and outcomes between student groups indicated by the California School Dashboard (Dashboard), (b) through meaningful engagement with educational partners that (c) meets legal requirements, as reflected in the final adopted LCAP. The sections included within the LCAP template do not and cannot reflect the full development process, just as the LCAP template itself is not intended as a tool for engaging educational partners.

If a county superintendent of schools has jurisdiction over a single school district, the county board of education and the governing board of the school district may adopt and file for review and approval a single LCAP consistent with the requirements in EC sections 52060, 52062, 52066, 52068, and 52070. The LCAP must clearly articulate to which entity's budget (school district or county superintendent of schools) all budgeted and actual expenditures are aligned.

The revised LCAP template for the 2024–25, 2025–26, and 2026–27 school years reflects statutory changes made through Senate Bill 114 (Committee on Budget and Fiscal Review), Chapter 48, Statutes of 2023.

At its most basic, the adopted LCAP should attempt to distill not just what the LEA is doing for students in transitional kindergarten through grade twelve (TK–12), but also allow educational partners to understand why, and whether those strategies are leading to improved opportunities and outcomes for students. LEAs are strongly encouraged to use language and a level of detail in their adopted LCAPs intended to be meaningful and accessible for the LEA's diverse educational partners and the broader public.

In developing and finalizing the LCAP for adoption, LEAs are encouraged to keep the following overarching frame at the forefront of the strategic planning and educational partner engagement functions:

Given present performance across the state priorities and on indicators in the Dashboard, how is the LEA using its budgetary resources to respond to TK–12 student and community needs, and address any performance gaps, including by meeting its obligation to increase or improve services for foster youth, English learners, and low-income students?

LEAs are encouraged to focus on a set of metrics and actions which, based on research, experience, and input gathered from educational partners, the LEA believes will have the biggest impact on behalf of its TK–12 students.

These instructions address the requirements for each section of the LCAP, but may include information about effective practices when developing the LCAP and completing the LCAP document. Additionally, the beginning of each template section includes information emphasizing the purpose that section serves.

Plan Summary

Purpose

A well-developed Plan Summary section provides a meaningful context for the LCAP. This section provides information about an LEA's community as well as relevant information about student needs and performance. In order to present a meaningful context for the rest of the LCAP, the content of this section should be clearly and meaningfully related to the content included throughout each subsequent section of the LCAP.

Requirements and Instructions

General Information

A description of the LEA, its schools, and its students in grades transitional kindergarten–12, as applicable to the LEA.

Briefly describe the LEA, its schools, and its students in grades TK–12, as applicable to the LEA.

- For example, information about an LEA in terms of geography, enrollment, employment, the number and size of specific schools, recent community challenges, and other such information the LEA may wish to include can enable a reader to more fully understand the LEA's LCAP.
- As part of this response, identify all schools within the LEA receiving Equity Multiplier funding.

Reflections: Annual Performance

A reflection on annual performance based on a review of the California School Dashboard (Dashboard) and local data.

Reflect on the LEA's annual performance on the Dashboard and local data. This may include both successes and challenges identified by the LEA during the development process.

LEAs are encouraged to highlight how they are addressing the identified needs of student groups, and/or schools within the LCAP as part of this response.

As part of this response, the LEA must identify the following, which will remain unchanged during the three-year LCAP cycle:

- Any school within the LEA that received the lowest performance level on one or more state indicators on the 2023 Dashboard;
- Any student group within the LEA that received the lowest performance level on one or more state indicators on the 2023 Dashboard; and/or
- Any student group within a school within the LEA that received the lowest performance level on one or more state indicators on the 2023 Dashboard.

Reflections: Technical Assistance

As applicable, a summary of the work underway as part of technical assistance.

Annually identify the reason(s) the LEA is eligible for or has requested technical assistance consistent with EC sections 47607.3, 52071, 52071.5, 52072, or 52072.5, and provide a summary of the work underway as part of receiving technical assistance. The most common form of this technical assistance is frequently referred to as Differentiated Assistance, however this also includes LEAs that have requested technical assistance from their COE.

- If the LEA is not eligible for or receiving technical assistance, the LEA may respond to this prompt as "Not Applicable."

Comprehensive Support and Improvement

An LEA with a school or schools identified for comprehensive support and improvement (CSI) under the Every Student Succeeds Act must respond to the following prompts:

Schools Identified

A list of the schools in the LEA that are eligible for comprehensive support and improvement.

- Identify the schools within the LEA that have been identified for CSI.

Support for Identified Schools

A description of how the LEA has or will support its eligible schools in developing comprehensive support and improvement plans.

- Describe how the LEA has or will support the identified schools in developing CSI plans that included a school-level needs assessment, evidence-based interventions, and the identification of any resource inequities to be addressed through the implementation of the CSI plan.

Monitoring and Evaluating Effectiveness

A description of how the LEA will monitor and evaluate the plan to support student and school improvement.

- Describe how the LEA will monitor and evaluate the implementation and effectiveness of the CSI plan to support student and school improvement.

Engaging Educational Partners Purpose

Significant and purposeful engagement of parents, students, educators, and other educational partners, including those representing the student groups identified by LCFF, is critical to the development of the LCAP and the budget process. Consistent with statute, such engagement should support comprehensive strategic planning, particularly to address and reduce disparities in opportunities and outcomes between student groups indicated by the Dashboard, accountability, and improvement across the state priorities and locally identified priorities (EC Section 52064[e][1]). Engagement of educational partners is an ongoing, annual process.

This section is designed to reflect how the engagement of educational partners influenced the decisions reflected in the adopted LCAP. The goal is to allow educational partners that participated in the LCAP development process and the broader public to understand how the LEA engaged educational partners and the impact of that engagement. LEAs are encouraged to keep this goal in the forefront when completing this section.

Requirements

2024-25 Local Control and Accountability Plan for California Virtual Academy at San Diego

School districts and COEs: *EC* sections 52060(g) (California Legislative Information) and 52066(g) (California Legislative Information) specify the educational partners that must be consulted when developing the LCAP:

- Teachers,
- Principals,
- Administrators,
- Other school personnel,
- Local bargaining units of the LEA,
- Parents, and
- Students

A school district or COE receiving Equity Multiplier funds must also consult with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

Before adopting the LCAP, school districts and COEs must share it with the applicable committees, as identified below under Requirements and Instructions. The superintendent is required by statute to respond in writing to the comments received from these committees. School districts and COEs must also consult with the special education local plan area administrator(s) when developing the LCAP.

Charter schools: *EC* Section 47606.5(d) (California Legislative Information) requires that the following educational partners be consulted with when developing the LCAP:

- Teachers,
- Principals,
- Administrators,
- Other school personnel,
- Parents, and
- Students

A charter school receiving Equity Multiplier funds must also consult with educational partners at the school generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for the school.

The LCAP should also be shared with, and LEAs should request input from, schoolsite-level advisory groups, as applicable (e.g., schoolsite councils, English Learner Advisory Councils, student advisory groups, etc.), to facilitate alignment between schoolsite and district-level goals. Information and resources that support effective engagement, define student consultation, and provide the requirements for advisory group composition, can be found under Resources on the [CDE's LCAP webpage](#).

Before the governing board/body of an LEA considers the adoption of the LCAP, the LEA must meet the following legal requirements:

- For school districts, see [Education Code Section 52062 \(California Legislative Information\)](#);
 - **Note:** Charter schools using the LCAP as the School Plan for Student Achievement must meet the requirements of *EC* Section 52062(a).

- For COEs, see [Education Code Section 52068 \(California Legislative Information\)](#); and
- For charter schools, see [Education Code Section 47606.5 \(California Legislative Information\)](#).
- **NOTE:** As a reminder, the superintendent of a school district or COE must respond, in writing, to comments received by the applicable committees identified in the *Education Code* sections listed above. This includes the parent advisory committee and may include the English learner parent advisory committee and, as of July 1, 2024, the student advisory committee, as applicable.

Instructions

Respond to the prompts as follows:

A summary of the process used to engage educational partners in the development of the LCAP.

School districts and county offices of education must, at a minimum, consult with teachers, principals, administrators, other school personnel, local bargaining units, parents, and students in the development of the LCAP.

Charter schools must, at a minimum, consult with teachers, principals, administrators, other school personnel, parents, and students in the development of the LCAP.

An LEA receiving Equity Multiplier funds must also consult with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

Complete the table as follows:

Educational Partners

Identify the applicable educational partner(s) or group(s) that were engaged in the development of the LCAP.

Process for Engagement

Describe the engagement process used by the LEA to involve the identified educational partner(s) in the development of the LCAP. At a minimum, the LEA must describe how it met its obligation to consult with all statutorily required educational partners, as applicable to the type of LEA.

- A sufficient response to this prompt must include general information about the timeline of the process and meetings or other engagement strategies with educational partners. A response may also include information about an LEA's philosophical approach to engaging its educational partners.
- An LEA receiving Equity Multiplier funds must also include a summary of how it consulted with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

A description of how the adopted LCAP was influenced by the feedback provided by educational partners.

Describe any goals, metrics, actions, or budgeted expenditures in the LCAP that were influenced by or developed in response to the educational partner feedback.

- A sufficient response to this prompt will provide educational partners and the public with clear, specific information about how the engagement process influenced the development of the LCAP. This may include a description of how the LEA prioritized requests of educational partners within the context of the budgetary resources available or otherwise prioritized areas of focus within the LCAP.
- An LEA receiving Equity Multiplier funds must include a description of how the consultation with educational partners at schools generating Equity Multiplier funds influenced the development of the adopted LCAP.
- For the purposes of this prompt, this may also include, but is not necessarily limited to:
 - Inclusion of a goal or decision to pursue a Focus Goal (as described below)
 - Inclusion of metrics other than the statutorily required metrics
 - Determination of the target outcome on one or more metrics
 - Inclusion of performance by one or more student groups in the Measuring and Reporting Results subsection
 - Inclusion of action(s) or a group of actions
 - Elimination of action(s) or group of actions
 - Changes to the level of proposed expenditures for one or more actions
 - Inclusion of action(s) as contributing to increased or improved services for unduplicated students
 - Analysis of effectiveness of the specific actions to achieve the goal
 - Analysis of material differences in expenditures
 - Analysis of changes made to a goal for the ensuing LCAP year based on the annual update process
 - Analysis of challenges or successes in the implementation of actions

Goals and Actions

Purpose

Well-developed goals will clearly communicate to educational partners what the LEA plans to accomplish, what the LEA plans to do in order to accomplish the goal, and how the LEA will know when it has accomplished the goal. A goal statement, associated metrics and expected outcomes, and the actions included in the goal must be in alignment. The explanation for why the LEA included a goal is an opportunity for LEAs to clearly communicate to educational partners and the public why, among the various strengths and areas for improvement highlighted by performance data and strategies and actions that could be pursued, the LEA decided to pursue this goal, and the related metrics, expected outcomes, actions, and expenditures.

A well-developed goal can be focused on the performance relative to a metric or metrics for all students, a specific student group(s), narrowing performance gaps, or implementing programs or strategies expected to impact outcomes. LEAs should assess the performance of their student groups when developing goals and the related actions to achieve such goals.

Requirements and Instructions

LEAs should prioritize the goals, specific actions, and related expenditures included within the LCAP within one or more state priorities. LEAs must consider performance on the state and local indicators, including their locally collected and reported data for the local indicators that are included in the Dashboard, in determining whether and how to prioritize its goals within the LCAP. As previously stated, strategic planning that

is comprehensive connects budgetary decisions to teaching and learning performance data. LEAs should continually evaluate the hard choices they make about the use of limited resources to meet student and community needs to ensure opportunities and outcomes are improved for all students, and to address and reduce disparities in opportunities and outcomes between student groups indicated by the Dashboard.

In order to support prioritization of goals, the LCAP template provides LEAs with the option of developing three different kinds of goals:

- Focus Goal: A Focus Goal is relatively more concentrated in scope and may focus on a fewer number of metrics to measure improvement. A Focus Goal statement will be time bound and make clear how the goal is to be measured.
 - All Equity Multiplier goals must be developed as focus goals. For additional information, see Required Focus Goal(s) for LEAs Receiving Equity Multiplier Funding below.
- Broad Goal: A Broad Goal is relatively less concentrated in its scope and may focus on improving performance across a wide range of metrics.
- Maintenance of Progress Goal: A Maintenance of Progress Goal includes actions that may be ongoing without significant changes and allows an LEA to track performance on any metrics not addressed in the other goals of the LCAP.

Requirement to Address the LCFF State Priorities

At a minimum, the LCAP must address all LCFF priorities and associated metrics articulated in EC sections 52060(d) and 52066(d), as applicable to the LEA. The LCFF State Priorities Summary provides a summary of EC sections 52060(d) and 52066(d) to aid in the development of the LCAP.

Respond to the following prompts, as applicable:

Focus Goal(s)
Description

The description provided for a Focus Goal must be specific, measurable, and time bound.

- An LEA develops a Focus Goal to address areas of need that may require or benefit from a more specific and data intensive approach.
- The Focus Goal can explicitly reference the metric(s) by which achievement of the goal will be measured and the time frame according to which the LEA expects to achieve the goal.

Type of Goal

Identify the type of goal being implemented as a Focus Goal.

State Priorities addressed by this goal.

Identify each of the state priorities that this goal is intended to address.

An explanation of why the LEA has developed this goal.

Explain why the LEA has chosen to prioritize this goal.

- An explanation must be based on Dashboard data or other locally collected data.
- LEAs must describe how the LEA identified this goal for focused attention, including relevant consultation with educational partners.
- LEAs are encouraged to promote transparency and understanding around the decision to pursue a focus goal.

Required Focus Goal(s) for LEAs Receiving Equity Multiplier Funding

Description

LEAs receiving Equity Multiplier funding must include one or more focus goals for each school generating Equity Multiplier funding. In addition to addressing the focus goal requirements described above, LEAs must adhere to the following requirements.

Focus goals for Equity Multiplier schoolsites must address the following:

- (A) All student groups that have the lowest performance level on one or more state indicators on the Dashboard, and
- (B) Any underlying issues in the credentialing, subject matter preparation, and retention of the school's educators, if applicable.
- Focus Goals for each and every Equity Multiplier schoolsite must identify specific metrics for each identified student group, as applicable.
- An LEA may create a single goal for multiple Equity Multiplier schoolsites if those schoolsites have the same student group(s) performing at the lowest performance level on one or more state indicators on the Dashboard or, experience similar issues in the credentialing, subject matter preparation, and retention of the school's educators.
 - When creating a single goal for multiple Equity Multiplier schoolsites, the goal must identify the student groups and the performance levels on the Dashboard that the Focus Goal is addressing; or,
 - The common issues the schoolsites are experiencing in credentialing, subject matter preparation, and retention of the school's educators, if applicable.

Type of Goal

Identify the type of goal being implemented as an Equity Multiplier Focus Goal.

State Priorities addressed by this goal.

Identify each of the state priorities that this goal is intended to address.

An explanation of why the LEA has developed this goal.

Explain why the LEA has chosen to prioritize this goal.

- An explanation must be based on Dashboard data or other locally collected data.
- LEAs must describe how the LEA identified this goal for focused attention, including relevant consultation with educational partners.
- LEAs are encouraged to promote transparency and understanding around the decision to pursue a focus goal.
- In addition to this information, the LEA must also identify:
 - The school or schools to which the goal applies

LEAs are encouraged to approach an Equity Multiplier goal from a wholistic standpoint, considering how the goal might maximize student outcomes through the use of LCFF and other funding in addition to Equity Multiplier funds.

- Equity Multiplier funds must be used to supplement, not supplant, funding provided to Equity Multiplier schoolsites for purposes of the LCFF, the Expanded Learning Opportunities Program (ELO-P), the Literacy Coaches and Reading Specialists (LCRS) Grant Program, and/or the California Community Schools Partnership Program (CCSPP).
- This means that Equity Multiplier funds must not be used to replace funding that an Equity Multiplier schoolsite would otherwise receive to implement LEA-wide actions identified in the LCAP or that an Equity Multiplier schoolsite would otherwise receive to implement provisions of the ELO-P, the LCRS, and/or the CCSPP.

Note: EC Section 42238.024(b)(1) (California Legislative Information) requires that Equity Multiplier funds be used for the provision of evidence-based services and supports for students. Evidence-based services and supports are based on objective evidence that has informed the design of the service or support and/or guides the modification of those services and supports. Evidence-based supports and strategies are most commonly based on educational research and/or metrics of LEA, school, and/or student performance.

Broad Goal Description

Describe what the LEA plans to achieve through the actions included in the goal.

- The description of a broad goal will be clearly aligned with the expected measurable outcomes included for the goal.
- The goal description organizes the actions and expected outcomes in a cohesive and consistent manner.
- A goal description is specific enough to be measurable in either quantitative or qualitative terms. A broad goal is not as specific as a focus goal. While it is specific enough to be measurable, there are many different metrics for measuring progress toward the goal.

Type of Goal

Identify the type of goal being implemented as a Broad Goal.

State Priorities addressed by this goal.

Identify each of the state priorities that this goal is intended to address.

An explanation of why the LEA has developed this goal.

Explain why the LEA developed this goal and how the actions and metrics grouped together will help achieve the goal.

Maintenance of Progress Goal
Description

Describe how the LEA intends to maintain the progress made in the LCFF State Priorities not addressed by the other goals in the LCAP.

- Use this type of goal to address the state priorities and applicable metrics not addressed within the other goals in the LCAP.
- The state priorities and metrics to be addressed in this section are those for which the LEA, in consultation with educational partners, has determined to maintain actions and monitor progress while focusing implementation efforts on the actions covered by other goals in the LCAP.

Type of Goal

Identify the type of goal being implemented as a Maintenance of Progress Goal.

State Priorities addressed by this goal.

Identify each of the state priorities that this goal is intended to address.

An explanation of why the LEA has developed this goal.

Explain how the actions will sustain the progress exemplified by the related metrics.

Measuring and Reporting Results:

For each LCAP year, identify the metric(s) that the LEA will use to track progress toward the expected outcomes.

- LEAs must identify metrics for specific student groups, as appropriate, including expected outcomes that address and reduce disparities in outcomes between student groups.
- The metrics may be quantitative or qualitative; but at minimum, an LEA's LCAP must include goals that are measured using all of the applicable metrics for the related state priorities, in each LCAP year, as applicable to the type of LEA.
- To the extent a state priority does not specify one or more metrics (e.g., implementation of state academic content and performance standards), the LEA must identify a metric to use within the LCAP. For these state priorities, LEAs are encouraged to use metrics based on or reported through the relevant local indicator self-reflection tools within the Dashboard.

- **Required metrics for LEA-wide actions:** For each action identified as 1) contributing towards the requirement to increase or improve services for foster youth, English learners, including long-term English learners, and low-income students and 2) being provided on an LEA-wide basis, the LEA must identify one or more metrics to monitor the effectiveness of the action and its budgeted expenditures.
 - These required metrics may be identified within the action description or the first prompt in the increased or improved services section, however the description must clearly identify the metric(s) being used to monitor the effectiveness of the action and the action(s) that the metric(s) apply to.
- **Required metrics for Equity Multiplier goals:** For each Equity Multiplier goal, the LEA must identify:
 - The specific metrics for each identified student group at each specific schoolsite, as applicable, to measure the progress toward the goal, and/or
 - The specific metrics used to measure progress in meeting the goal related to credentialing, subject matter preparation, or educator retention at each specific schoolsite.

Complete the table as follows:

Metric #	
• Enter the metric number.	
Metric	
• Identify the standard of measure being used to determine progress towards the goal and/or to measure the effectiveness of one or more actions associated with the goal.	
Baseline	
• Enter the baseline when completing the LCAP for 2024–25.	
○ Use the most recent data associated with the metric available at the time of adoption of the LCAP for the first year of the three-year plan. LEAs may use data as reported on the 2023 Dashboard for the baseline of a metric only if that data represents the most recent available data (e.g., high school graduation rate). ○ Using the most recent data available may involve reviewing data the LEA is preparing for submission to the California Longitudinal Pupil Achievement Data System (CALPADS) or data that the LEA has recently submitted to CALPADS. ○ Indicate the school year to which the baseline data applies. ○ The baseline data must remain unchanged throughout the three-year LCAP.	

- This requirement is not intended to prevent LEAs from revising the baseline data if it is necessary to do so. For example, if an LEA identifies that its data collection practices for a particular metric are leading to inaccurate data and revises its practice to obtain

accurate data, it would also be appropriate for the LEA to revise the baseline data to align with the more accurate data process and report its results using the accurate data.

- If an LEA chooses to revise its baseline data, then, at a minimum, it must clearly identify the change as part of its response to the description of changes prompt in the Goal Analysis for the goal. LEAs are also strongly encouraged to involve their educational partners in the decision of whether or not to revise a baseline and to communicate the proposed change to their educational partners.
- Note for Charter Schools: Charter schools developing a one- or two-year LCAP may identify a new baseline each year, as applicable.

Year 1 Outcome

- When completing the LCAP for 2025–26, enter the most recent data available. Indicate the school year to which the data applies.
- Note for Charter Schools: Charter schools developing a one-year LCAP may provide the Year 1 Outcome when completing the LCAP for both 2025–26 and 2026–27 or may provide the Year 1 Outcome for 2025–26 and provide the Year 2 Outcome for 2026–27.

Year 2 Outcome

- When completing the LCAP for 2026–27, enter the most recent data available. Indicate the school year to which the data applies.
- Note for Charter Schools: Charter schools developing a one-year LCAP may identify the Year 2 Outcome as not applicable when completing the LCAP for 2026–27 or may provide the Year 2 Outcome for 2026–27.

Target for Year 3 Outcome

- When completing the first year of the LCAP, enter the target outcome for the relevant metric the LEA expects to achieve by the end of the three-year LCAP cycle.
- Note for Charter Schools: Charter schools developing a one- or two-year LCAP may identify a Target for Year 1 or Target for Year 2, as applicable.

Current Difference from Baseline

- When completing the LCAP for 2025–26 and 2026–27, enter the current difference between the baseline and the yearly outcome, as applicable.
- Note for Charter Schools: Charter schools developing a one- or two-year LCAP will identify the current difference between the baseline and the yearly outcome for Year 1 and/or the current difference between the baseline and the yearly outcome for Year 2, as applicable.

Timeline for school districts and COEs for completing the “Measuring and Reporting Results” part of the Goal.

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Target for Year 3 Outcome	Current Difference from Baseline
Enter information in this box when completing the LCAP for 2024–25 or when adding a new metric.	Enter information in this box when completing the LCAP for 2024–25 or when adding a new metric.	Enter information in this box when completing the LCAP for 2025–26 . Leave blank until then.	Enter information in this box when completing the LCAP for 2026–27 . Leave blank until then.	Enter information in this box when completing the LCAP for 2024–25 or when adding a new metric.	Enter information in this box when completing the LCAP for 2025–26 and 2026–27 . Leave blank until then.

Goal Analysis:

Enter the LCAP Year.

Using actual annual measurable outcome data, including data from the Dashboard, analyze whether the planned actions were effective towards achieving the goal. “Effective” means the degree to which the planned actions were successful in producing the target result. Respond to the prompts as instructed.

Note: When completing the 2024–25 LCAP, use the 2023–24 Local Control and Accountability Plan Annual Update template to complete the Goal Analysis and identify the Goal Analysis prompts in the 2024–25 LCAP as “Not Applicable.”

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

- Describe the overall implementation of the actions to achieve the articulated goal, including relevant challenges and successes experienced with implementation.
 - Include a discussion of relevant challenges and successes experienced with the implementation process.
 - This discussion must include any instance where the LEA did not implement a planned action or implemented a planned action in a manner that differs substantively from how it was described in the adopted LCAP.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures and between the Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services, as applicable. Minor variances in expenditures or percentages do not need to be addressed, and a dollar-for-dollar accounting is not required.

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

- Describe the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal. “Effectiveness” means the degree to which the actions were successful in producing the target result and “ineffectiveness” means that the actions did not produce any significant or targeted result.
- In some cases, not all actions in a goal will be intended to improve performance on all of the metrics associated with the goal.
- When responding to this prompt, LEAs may assess the effectiveness of a single action or group of actions within the goal in the context of performance on a single metric or group of specific metrics within the goal that are applicable to the action(s). Grouping actions with metrics will allow for more robust analysis of whether the strategy the LEA is using to impact a specified set of metrics is working and increase transparency for educational partners. LEAs are encouraged to use such an approach when goals include multiple actions and metrics that are not closely associated.
- Beginning with the development of the 2024–25 LCAP, the LEA must change actions that have not proven effective over a three-year period.

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

- Describe any changes made to this goal, expected outcomes, metrics, or actions to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard or other local data, as applicable.
- As noted above, beginning with the development of the 2024–25 LCAP, the LEA must change actions that have not proven effective over a three-year period. For actions that have been identified as ineffective, the LEA must identify the ineffective action and must include a description of the following:
 - The reasons for the ineffectiveness, and
 - How changes to the action will result in a new or strengthened approach.

Actions:

Complete the table as follows. Add additional rows as necessary.

Action #

- Enter the action number.

Title

- Provide a short title for the action. This title will also appear in the action tables.

Description

- Provide a brief description of the action.

- For actions that contribute to meeting the increased or improved services requirement, the LEA may include an explanation of how each action is principally directed towards and effective in meeting the LEA's goals for unduplicated students, as described in the instructions for the Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students section.
- As previously noted, for each action identified as 1) contributing towards the requirement to increase or improve services for foster youth, English learners, including long-term English learners, and low-income students and 2) being provided on an LEA-wide basis, the LEA must identify one or more metrics to monitor the effectiveness of the action and its budgeted expenditures.
- These required metrics may be identified within the action description or the first prompt in the increased or improved services section; however, the description must clearly identify the metric(s) being used to monitor the effectiveness of the action and the action(s) that the metric(s) apply to.

Total Funds

- Enter the total amount of expenditures associated with this action. Budgeted expenditures from specific fund sources will be provided in the action tables.

Contributing

- Indicate whether the action contributes to meeting the increased or improved services requirement as described in the Increased or Improved Services section using a "Y" for Yes or an "N" for No.
 - **Note:** for each such contributing action, the LEA will need to provide additional information in the Increased or Improved Services section to address the requirements in *California Code of Regulations*, Title 5 [5 CCR] Section 15496 in the Increased or Improved Services section of the LCAP.

Actions for Foster Youth: School districts, COEs, and charter schools that have a numerically significant foster youth student subgroup are encouraged to include specific actions in the LCAP designed to meet needs specific to foster youth students.

Required Actions

- LEAs with 30 or more English learners and/or 15 or more long-term English learners must include specific actions in the LCAP related to, at a minimum:
 - Language acquisition programs, as defined in EC Section 306, provided to students, and
 - Professional development for teachers.
 - If an LEA has both 30 or more English learners and 15 or more long-term English learners, the LEA must include actions for both English learners and long-term English learners.
- LEAs eligible for technical assistance pursuant to EC sections 47607.3, 52071, 52071.5, 52072, or 52072.5, must include specific actions within the LCAP related to its implementation of the work underway as part of technical assistance. The most common form of this technical assistance is frequently referred to as Differentiated Assistance.

- LEAs that have Red Dashboard indicators for (1) a school within the LEA, (2) a student group within the LEA, and/or (3) a student group within any school within the LEA must include one or more specific actions within the LCAP:
- The specific action(s) must be directed towards the identified student group(s) and/or school(s) and must address the identified state indicator(s) for which the student group or school received the lowest performance level on the 2023 Dashboard. Each student group and/or school that receives the lowest performance level on the 2023 Dashboard must be addressed by one or more actions.
- These required actions will be effective for the three-year LCAP cycle.

Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students

A well-written Increased or Improved Services section provides educational partners with a comprehensive description, within a single dedicated section, of how an LEA plans to increase or improve services for its unduplicated students as defined in *EC* Section 42238.02 in grades TK–12 as compared to all students in grades TK–12, as applicable, and how LEA-wide or schoolwide actions identified for this purpose meet regulatory requirements. Descriptions provided should include sufficient detail yet be sufficiently succinct to promote a broader understanding of educational partners to facilitate their ability to provide input. An LEA's description in this section must align with the actions included in the Goals and Actions section as contributing.

Please Note: For the purpose of meeting the Increased or Improved Services requirement and consistent with *EC* Section 42238.02, long-term English learners are included in the English learner student group.

Statutory Requirements

An LEA is required to demonstrate in its LCAP how it is increasing or improving services for its students who are foster youth, English learners, and/or low-income, collectively referred to as unduplicated students, as compared to the services provided to all students in proportion to the increase in funding it receives based on the number and concentration of unduplicated students in the LEA (*EC* Section 42238.07[a][1], *EC* Section 52064[b][8][B]; 5 *CCR* Section 15496[a]). This proportionality percentage is also known as the “minimum proportionality percentage” or “MPP.” The manner in which an LEA demonstrates it is meeting its MPP is two-fold: (1) through the expenditure of LCFF funds or through the identification of a Planned Percentage of Improved Services as documented in the Contributing Actions Table, and (2) through the explanations provided in the Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students section.

To improve services means to grow services in quality and to increase services means to grow services in quantity. Services are increased or improved by those actions in the LCAP that are identified in the Goals and Actions section as contributing to the increased or improved services requirement, whether they are provided across the entire LEA (LEA-wide action), provided to an entire school (Schoolwide action), or solely provided to one or more unduplicated student group(s) (Limited action).

Therefore, for *any* action contributing to meet the increased or improved services requirement, the LEA must include an explanation of:

- How the action is increasing or improving services for the unduplicated student group(s) (Identified Needs and Action Design), and
- How the action meets the LEA's goals for its unduplicated pupils in the state and any local priority areas (Measurement of Effectiveness).

LEA-wide and Schoolwide Actions

In addition to the above required explanations, LEAs must provide a justification for why an LEA-wide or Schoolwide action is being provided to all students and how the action is intended to improve outcomes for unduplicated student group(s) as compared to all students.

- Conclutory statements that a service will help achieve an expected outcome for the goal, without an explicit connection or further explanation as to how, are not sufficient.
- Further, simply stating that an LEA has a high enrollment percentage of a specific student group or groups does not meet the increased or improved services standard because enrolling students is not the same as serving students.

For School Districts Only

Actions provided on an **LEA-wide** basis at **school districts with an unduplicated pupil percentage of less than 55 percent** must also include a description of how the actions are the most effective use of the funds to meet the district's goals for its unduplicated pupils in the state and any local priority areas. The description must provide the basis for this determination, including any alternatives considered, supporting research, experience, or educational theory.

Actions provided on a **Schoolwide** basis for **schools with less than 40 percent enrollment of unduplicated pupils** must also include a description of how these actions are the most effective use of the funds to meet the district's goals for its unduplicated pupils in the state and any local priority areas. The description must provide the basis for this determination, including any alternatives considered, supporting research, experience, or educational theory.

Requirements and Instructions

Complete the tables as follows:

Total Projected LCFF Supplemental and/or Concentration Grants

- Specify the amount of LCFF supplemental and concentration grant funds the LEA estimates it will receive in the coming year based on the number and concentration of foster youth, English learner, and low-income students. This amount includes the Additional 15 percent LCFF Concentration Grant.

Projected Additional 15 percent LCFF Concentration Grant

- Specify the amount of additional LCFF concentration grant add-on funding, as described in EC Section 42238.02, that the LEA estimates it will receive in the coming year.

Projected Percentage to Increase or Improve Services for the Coming School Year

- Specify the estimated percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year as calculated pursuant to 5 CCR Section 15496(a)(7).

LCFF Carryover — Percentage

- Specify the LCFF Carryover — Percentage identified in the LCFF Carryover Table. If a carryover percentage is not identified in the LCFF Carryover Table, specify a percentage of zero (0.00%).

LCFF Carryover — Dollar

- Specify the LCFF Carryover — Dollar amount identified in the LCFF Carryover Table. If a carryover amount is not identified in the LCFF Carryover Table, specify an amount of zero (\$0).

Total Percentage to Increase or Improve Services for the Coming School Year

- Add the Projected Percentage to Increase or Improve Services for the Coming School Year and the Proportional LCFF Required Carryover Percentage and specify the percentage. This is the LEA's percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year, as calculated pursuant to 5 CCR Section 15496(a)(7).

Required Descriptions:

LEA-wide and Schoolwide Actions

For each action being provided to an entire LEA or school, provide an explanation of (1) the unique identified need(s) of the unduplicated student group(s) for whom the action is principally directed, (2) how the action is designed to address the identified need(s) and why it is being provided on an LEA or schoolwide basis, and (3) the metric(s) used to measure the effectiveness of the action in improving outcomes for the unduplicated student group(s).

If the LEA has provided this required description in the Action Descriptions, state as such within the table.

Complete the table as follows:

Identified Need(s)

Provide an explanation of the unique identified need(s) of the LEA's unduplicated student group(s) for whom the action is principally directed.

An LEA demonstrates how an action is principally directed towards an unduplicated student group(s) when the LEA explains the need(s), condition(s), or circumstance(s) of the unduplicated student group(s) identified through a needs assessment and how the action addresses them. A meaningful needs assessment includes, at a minimum, analysis of applicable student achievement data and educational partner feedback.

How the Action(s) are Designed to Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis

Provide an explanation of how the action as designed will address the unique identified need(s) of the LEA's unduplicated student group(s) for whom the action is principally directed and the rationale for why the action is being provided on an LEA-wide or schoolwide basis.

- As stated above, conclusory statements that a service will help achieve an expected outcome for the goal, without an explicit connection or further explanation as to how, are not sufficient.

- Further, simply stating that an LEA has a high enrollment percentage of a specific student group or groups does not meet the increased or improved services standard because enrolling students is not the same as serving students.

Metric(s) to Monitor Effectiveness

Identify the metric(s) being used to measure the progress and effectiveness of the action(s).

Note for COEs and Charter Schools: In the case of COEs and charter schools, schoolwide and LEA-wide are considered to be synonymous.

Limited Action

For each action being solely provided to one or more unduplicated student group(s), provide an explanation of (1) the unique identified need(s) of the unduplicated student group(s) being served, (2) how the action is designed to address the identified need(s), and (3) how the effectiveness of the action in improving outcomes for the unduplicated student group(s) will be measured.

If the LEA has provided the required descriptions in the Action Descriptions, state as such.

Complete the table as follows:

Identified Need(s)

Provide an explanation of the unique need(s) of the unduplicated student group(s) being served identified through the LEA's needs assessment. A meaningful needs assessment includes, at a minimum, analysis of applicable student achievement data and educational partner feedback.

How the Action(s) are Designed to Address Need(s)

Provide an explanation of how the action is designed to address the unique identified need(s) of the unduplicated student group(s) being served.

Metric(s) to Monitor Effectiveness

Identify the metric(s) being used to measure the progress and effectiveness of the action(s).

For any limited action contributing to meeting the increased or improved services requirement that is associated with a Planned Percentage of Improved Services in the Contributing Summary Table rather than an expenditure of LCFF funds, describe the methodology that was used to determine the contribution of the action towards the proportional percentage, as applicable.

- For each action with an identified Planned Percentage of Improved Services, identify the goal and action number and describe the methodology that was used.
- When identifying a Planned Percentage of Improved Services, the LEA must describe the methodology that it used to determine the contribution of the action towards the proportional percentage. The percentage of improved services for an action corresponds to the amount of LCFF funding that the LEA estimates it would expend to implement the action if it were funded.

- For example, an LEA determines that there is a need to analyze data to ensure that instructional aides and expanded learning providers know what targeted supports to provide to students who are foster youth. The LEA could implement this action by hiring additional staff to collect and analyze data and to coordinate supports for students, which, based on the LEA's current pay scale, the LEA estimates would cost \$165,000. Instead, the LEA chooses to utilize a portion of existing staff time to analyze data relating to students who are foster youth. This analysis will then be shared with site principals who will use the data to coordinate services provided by instructional assistants and expanded learning providers to target support to students. In this example, the LEA would divide the estimated cost of \$165,000 by the amount of LCFF Funding identified in the Total Planned Expenditures Table and then convert the quotient to a percentage. This percentage is the Planned Percentage of Improved Services for the action.

Additional Concentration Grant Funding

A description of the plan for how the additional concentration grant add-on funding identified above will be used to increase the number of staff providing direct services to students at schools that have a high concentration (above 55 percent) of foster youth, English learners, and low-income students, as applicable.

An LEA that receives the additional concentration grant add-on described in EC Section 42238.02 is required to demonstrate how it is using these funds to increase the number of staff who provide direct services to students at schools with an enrollment of unduplicated students that is greater than 55 percent as compared to the number of staff who provide direct services to students at schools with an enrollment of unduplicated students that is equal to or less than 55 percent. The staff who provide direct services to students must be certificated staff and/or classified staff employed by the LEA; classified staff includes custodial staff.

Provide the following descriptions, as applicable to the LEA:

- An LEA that does not receive a concentration grant or the concentration grant add-on must indicate that a response to this prompt is not applicable.
- Identify the goal and action numbers of the actions in the LCAP that the LEA is implementing to meet the requirement to increase the number of staff who provide direct services to students at schools with an enrollment of unduplicated students that is greater than 55 percent.
- An LEA that does not have comparison schools from which to describe how it is using the concentration grant add-on funds, such as a single-school LEA or an LEA that only has schools with an enrollment of unduplicated students that is greater than 55 percent, must describe how it is using the funds to increase the number of credentialed staff, classified staff, or both, including custodial staff, who provide direct services to students at selected schools and the criteria used to determine which schools require additional staffing support.
- In the event that an additional concentration grant add-on is not sufficient to increase staff providing direct services to students at a school with an enrollment of unduplicated students that is greater than 55 percent, the LEA must describe how it is using the funds to retain staff providing direct services to students at a school with an enrollment of unduplicated students that is greater than 55 percent.

Complete the table as follows:

- Provide the staff-to-student ratio of classified staff providing direct services to students with a concentration of unduplicated students that is 55 percent or less and the staff-to-student ratio of classified staff providing direct services to students at schools with a concentration of unduplicated students that is greater than 55 percent, as applicable to the LEA.
 - The LEA may group its schools by grade span (Elementary, Middle/Junior High, and High Schools), as applicable to the LEA.

- o The staff-to-student ratio must be based on the number of full-time equivalent (FTE) staff and the number of enrolled students as counted on the first Wednesday in October of each year.
- Provide the staff-to-student ratio of certificated staff providing direct services to students at schools with a concentration of unduplicated students that is 55 percent or less and the staff-to-student ratio of certificated staff providing direct services to students at schools with a concentration of unduplicated students that is greater than 55 percent, as applicable to the LEA.
 - o The LEA may group its schools by grade span (Elementary, Middle/Junior High, and High Schools), as applicable to the LEA.
 - o The staff-to-student ratio must be based on the number of FTE staff and the number of enrolled students as counted on the first Wednesday in October of each year.

Action Tables

Complete the Total Planned Expenditures Table for each action in the LCAP. The information entered into this table will automatically populate the other Action Tables. Information is only entered into the Total Planned Expenditures Table, the Annual Update Table, the Contributing Actions Annual Update Table, and the LCFF Carryover Table. The word "input" has been added to column headers to aid in identifying the column(s) where information will be entered. Information is not entered on the remaining Action tables.

The following tables are required to be included as part of the LCAP adopted by the local governing board or governing body:

- Table 1: Total Planned Expenditures Table (for the coming LCAP Year)
- Table 2: Contributing Actions Table (for the coming LCAP Year)
- Table 3: Annual Update Table (for the current LCAP Year)
- Table 4: Contributing Actions Annual Update Table (for the current LCAP Year)
- Table 5: LCFF Carryover Table (for the current LCAP Year)

Note: The coming LCAP Year is the year that is being planned for, while the current LCAP year is the current year of implementation. For example, when developing the 2024–25 LCAP, 2024–25 will be the coming LCAP Year and 2023–24 will be the current LCAP Year.

Total Planned Expenditures Table

In the Total Planned Expenditures Table, input the following information for each action in the LCAP for that applicable LCAP year:

- **LCAP Year:** Identify the applicable LCAP Year.
- **1. Projected LCFF Base Grant:** Provide the total amount estimated LCFF entitlement for the coming school year, excluding the supplemental and concentration grants and the add-ons for the Targeted Instructional Improvement Block Grant program, the former Home-to-School Transportation program, and the Small School District Transportation program, pursuant to 5 CCR Section 15496(a)(8).

Note that the LCFF Base Grant for purposes of the LCAP also includes the Necessary Small Schools and Economic Recovery Target allowances for school districts, and County Operations Grant for COEs.

See EC sections 2574 (for COEs) and 42238.02 (for school districts and charter schools), as applicable, for LCFF entitlement calculations.

- **2. Projected LCFF Supplemental and/or Concentration Grants:** Provide the total amount of LCFF supplemental and concentration grants estimated on the basis of the number and concentration of unduplicated students for the coming school year.
- **3. Projected Percentage to Increase or Improve Services for the Coming School Year:** This percentage will not be entered; it is calculated based on the Projected LCFF Base Grant and the Projected LCFF Supplemental and/or Concentration Grants, pursuant to 5 CCR Section 15496(a)(8). This is the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the coming LCAP year.
- **LCFF Carryover — Percentage:** Specify the LCFF Carryover — Percentage identified in the LCFF Carryover Table from the prior LCAP year. If a carryover percentage is not identified in the LCFF Carryover Table, specify a percentage of zero (0.00%).
- **Total Percentage to Increase or Improve Services for the Coming School Year:** This percentage will not be entered; it is calculated based on the Projected Percentage to Increase or Improve Services for the Coming School Year and the LCFF Carryover — Percentage. *This is the percentage by which the LEA must increase or improve services for unduplicated pupils as compared to the services provided to all students in the coming LCAP year.*
- **Goal #:** Enter the LCAP Goal number for the action.
- **Action #:** Enter the action's number as indicated in the LCAP Goal.
- **Action Title:** Provide a title of the action.
- **Student Group(s):** Indicate the student group or groups who will be the primary beneficiary of the action by entering "All," or by entering a specific student group or groups.
- **Contributing to Increased or Improved Services?:** Type "Yes" if the action is included as contributing to meeting the increased or improved services requirement; OR, type "No" if the action is **not** included as contributing to meeting the increased or improved services requirement.
- If "Yes" is entered into the Contributing column, then complete the following columns:
 - **Scope:** The scope of an action may be LEA-wide (i.e., districtwide, countywide, or charterwide), schoolwide, or limited. An action that is LEA-wide in scope upgrades the entire educational program of the LEA. An action that is schoolwide in scope upgrades the entire educational program of a single school. An action that is limited in its scope is an action that serves only one or more unduplicated student groups.

- **Unduplicated Student Group(s):** Regardless of scope, contributing actions serve one or more unduplicated student groups. Indicate one or more unduplicated student groups for whom services are being increased or improved as compared to what all students receive.
- **Location:** Identify the location where the action will be provided. If the action is provided to all schools within the LEA, the LEA must indicate "All Schools." If the action is provided to specific schools within the LEA or specific grade spans only, the LEA must enter "Specific Schools" or "Specific Grade Spans." Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades transitional kindergarten through grade five), as appropriate.
- **Time Span:** Enter "ongoing" if the action will be implemented for an indeterminate period of time. Otherwise, indicate the span of time for which the action will be implemented. For example, an LEA might enter "1 Year," or "2 Years," or "6 Months."
- **Total Personnel:** Enter the total amount of personnel expenditures utilized to implement this action.
- **Total Non-Personnel:** This amount will be automatically calculated based on information provided in the Total Personnel column and the Total Funds column.
- **LCFF Funds:** Enter the total amount of LCFF funds utilized to implement this action, if any. LCFF funds include all funds that make up an LEA's total LCFF target (i.e., base grant, grade span adjustment, supplemental grant, concentration grant, Targeted Instructional Improvement Block Grant, and Home-To-School Transportation).
 - **Note:** For an action to contribute towards meeting the increased or improved services requirement, it must include some measure of LCFF funding. The action may also include funding from other sources, however the extent to which an action contributes to meeting the increased or improved services requirement is based on the LCFF funding being used to implement the action.
- **Other State Funds:** Enter the total amount of Other State Funds utilized to implement this action, if any.
 - **Note:** Equity Multiplier funds must be included in the "Other State Funds" category, not in the "LCFF Funds" category. As a reminder, Equity Multiplier funds must be used to supplement, not supplant, funding provided to Equity Multiplier schoolsites for purposes of the LCFF, the ELO-P, the LCRS, and/or the CCSPP. This means that Equity Multiplier funds must not be used to replace funding that an Equity Multiplier schoolsite would otherwise receive to implement LEA-wide actions identified in the LEA's LCAP or that an Equity Multiplier schoolsite would otherwise receive to implement provisions of the ELO-P, the LCRS, and/or the CCSPP.
- **Local Funds:** Enter the total amount of Local Funds utilized to implement this action, if any.
- **Federal Funds:** Enter the total amount of Federal Funds utilized to implement this action, if any.
- **Total Funds:** This amount is automatically calculated based on amounts entered in the previous four columns.
- **Planned Percentage of Improved Services:** For any action identified as contributing, being provided on a Limited basis to unduplicated students, and that does not have funding associated with the action, enter the planned quality improvement anticipated for the action as

a percentage rounded to the nearest hundredth (0.00%). A limited action is an action that only serves foster youth, English learners, and/or low-income students.

- o As noted in the instructions for the Increased or Improved Services section, when identifying a Planned Percentage of Improved Services, the LEA must describe the methodology that it used to determine the contribution of the action towards the proportional percentage. The percentage of improved services for an action corresponds to the amount of LCFF funding that the LEA estimates it would expend to implement the action if it were funded.

For example, an LEA determines that there is a need to analyze data to ensure that instructional aides and expanded learning providers know what targeted supports to provide to students who are foster youth. The LEA could implement this action by hiring additional staff to collect and analyze data and to coordinate supports for students, which, based on the LEA's current pay scale, the LEA estimates would cost \$165,000. Instead, the LEA chooses to utilize a portion of existing staff time to analyze data relating to students who are foster youth. This analysis will then be shared with site principals who will use the data to coordinate services provided by instructional assistants and expanded learning providers to target support to students. In this example, the LEA would divide the estimated cost of \$165,000 by the amount of LCFF Funding identified in the Data Entry Table and then convert the quotient to a percentage. This percentage is the Planned Percentage of Improved Services for the action.

Contributing Actions Table

As noted above, information will not be entered in the Contributing Actions Table; however, the 'Contributing to Increased or Improved Services?' column will need to be checked to ensure that only actions with a "Yes" are displaying. If actions with a "No" are displayed or if actions that are contributing are not displaying in the column, use the drop-down menu in the column header to filter only the "Yes" responses.

Annual Update Table

In the Annual Update Table, provide the following information for each action in the LCAP for the relevant LCAP year:

- **Estimated Actual Expenditures:** Enter the total estimated actual expenditures to implement this action, if any.

Contributing Actions Annual Update Table

In the Contributing Actions Annual Update Table, check the 'Contributing to Increased or Improved Services?' column to ensure that only actions with a "Yes" are displaying. If actions with a "No" are displayed or if actions that are contributing are not displaying in the column, use the drop-down menu in the column header to filter only the "Yes" responses. Provide the following information for each contributing action in the LCAP for the relevant LCAP year:

- **6. Estimated Actual LCFF Supplemental and/or Concentration Grants:** Provide the total amount of LCFF supplemental and concentration grants estimated based on the number and concentration of unduplicated students in the current school year.
- **Estimated Actual Expenditures for Contributing Actions:** Enter the total estimated actual expenditure of LCFF funds used to implement this action, if any.

- **Estimated Actual Percentage of Improved Services:** For any action identified as contributing, being provided on a limited basis only to unduplicated students, and that does not have funding associated with the action, enter the total estimated actual quality improvement anticipated for the action as a percentage rounded to the nearest hundredth (0.00%).
 - Building on the example provided above for calculating the Planned Percentage of Improved Services, the LEA in the example implements the action. As part of the annual update process, the LEA reviews implementation and student outcome data and determines that the action was implemented with fidelity and that outcomes for foster youth students improved. The LEA reviews the original estimated cost for the action and determines that had it hired additional staff to collect and analyze data and to coordinate supports for students that estimated actual cost would have been \$169,500 due to a cost of living adjustment. The LEA would divide the estimated actual cost of \$169,500 by the amount of LCFF Funding identified in the Data Entry Table and then convert the quotient to a percentage. This percentage is the Estimated Actual Percentage of Improved Services for the action.

LCFF Carryover Table

- **9. Estimated Actual LCFF Base Grant:** Provide the total amount of estimated LCFF Target Entitlement for the current school year, excluding the supplemental and concentration grants and the add-ons for the Targeted Instructional Improvement Block Grant program, the former Home-to-School Transportation program, and the Small School District Transportation program, pursuant to 5 CCR Section 15496(a)(8). Note that the LCFF Base Grant for purposes of the LCAP also includes the Necessary Small Schools and Economic Recovery Target allowances for school districts, and County Operations Grant for COEs. See EC sections 2574 (for COEs) and 42238.02 (for school districts and charter schools), as applicable, for LCFF entitlement calculations.
- **10. Total Percentage to Increase or Improve Services for the Current School Year:** This percentage will not be entered. The percentage is calculated based on the amounts of the Estimated Actual LCFF Base Grant (9) and the Estimated Actual LCFF Supplemental and/or Concentration Grants (6), pursuant to 5 CCR Section 15496(a)(8), plus the LCFF Carryover – Percentage from the prior year. This is the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the current LCAP year.

Calculations in the Action Tables

To reduce the duplication of effort of LEAs, the Action Tables include functionality such as pre-population of fields and cells based on the information provided in the Data Entry Table, the Annual Update Summary Table, and the Contributing Actions Table. For transparency, the functionality and calculations used are provided below.

Contributing Actions Table

- **4. Total Planned Contributing Expenditures (LCFF Funds)**
 - This amount is the total of the Planned Expenditures for Contributing Actions (LCFF Funds) column.
- **5. Total Planned Percentage of Improved Services**
 - This percentage is the total of the Planned Percentage of Improved Services column.
- **Planned Percentage to Increase or Improve Services for the coming school year (4 divided by 1, plus 5)**

- This percentage is calculated by dividing the Total Planned Contributing Expenditures (4) by the Projected LCFF Base Grant (1), converting the quotient to a percentage, and adding it to the Total Planned Percentage of Improved Services (5).

Contributing Actions Annual Update Table

Pursuant to EC Section 42238.07(c)(2), if the Total Planned Contributing Expenditures (4) is less than the Estimated Actual LCFF Supplemental and Concentration Grants (6), the LEA is required to calculate the difference between the Total Planned Percentage of Improved Services (5) and the Total Estimated Actual Percentage of Improved Services (7). If the Total Planned Contributing Expenditures (4) is equal to or greater than the Estimated Actual LCFF Supplemental and Concentration Grants (6), the Difference Between Planned and Estimated Actual Percentage of Improved Services will display "Not Required."

- **6. Estimated Actual LCFF Supplemental and Concentration Grants**

- This is the total amount of LCFF supplemental and concentration grants the LEA estimates it will actually receive based on of the number and concentration of unduplicated students in the current school year.

- **4. Total Planned Contributing Expenditures (LCFF Funds)**

- This amount is the total of the Last Year's Planned Expenditures for Contributing Actions (LCFF Funds).

- **7. Total Estimated Actual Expenditures for Contributing Actions**

- This amount is the total of the Estimated Actual Expenditures for Contributing Actions (LCFF Funds).

- **Difference Between Planned and Estimated Actual Expenditures for Contributing Actions (Subtract 7 from 4)**

- This amount is the Total Estimated Actual Expenditures for Contributing Actions (7) subtracted from the Total Planned Contributing Expenditures (4).

- **5. Total Planned Percentage of Improved Services (%)**

- This amount is the total of the Planned Percentage of Improved Services column.

- **8. Total Estimated Actual Percentage of Improved Services (%)**

- This amount is the total of the Estimated Actual Percentage of Improved Services column.

- **Difference Between Planned and Estimated Actual Percentage of Improved Services (Subtract 5 from 8)**

- This amount is the Total Planned Percentage of Improved Services (5) subtracted from the Total Estimated Actual Percentage of Improved Services (8).

LCFF Carryover Table

- **10. Total Percentage to Increase or Improve Services for the Current School Year (6 divided by 9 plus Carryover %)**

- This percentage is the Estimated Actual LCFF Supplemental and/or Concentration Grants (6) divided by the Estimated Actual LCFF Base Grant (9) plus the LCFF Carryover – Percentage from the prior year.
- **11. Estimated Actual Percentage of Increased or Improved Services (7 divided by 9, plus 8)**
 - This percentage is the Total Estimated Actual Expenditures for Contributing Actions (7) divided by the LCFF Funding (9), then converting the quotient to a percentage and adding the Total Estimated Actual Percentage of Improved Services (8).
- **12. LCFF Carryover — Dollar Amount LCFF Carryover (Subtract 11 from 10 and multiply by 9)**
 - If the Estimated Actual Percentage of Increased or Improved Services (11) is less than the Estimated Actual Percentage to Increase or Improve Services (10), the LEA is required to carry over LCFF funds.

The amount of LCFF funds is calculated by subtracting the Estimated Actual Percentage to Increase or Improve Services (11) from the Estimated Actual Percentage of Increased or Improved Services (10) and then multiplying by the Estimated Actual LCFF Base Grant (9). This amount is the amount of LCFF funds that is required to be carried over to the coming year.
- **13. LCFF Carryover — Percentage (12 divided by 9)**
 - This percentage is the unmet portion of the Percentage to Increase or Improve Services that the LEA must carry over into the coming LCAP year. The percentage is calculated by dividing the LCFF Carryover (12) by the LCFF Funding (9).

California Department of Education
November 2023

APPROVED

**TO: CALIFORNIA VIRTUAL ACADEMY AT SAN DIEGO
GOVERNING BOARD**

BOARD REPORT #02

VIA: CALIFORNIA VIRTUAL ACADEMY STAFF

February 25, 2025

SUBJECT: Fiscal Year 2024-25 Second Interim Budget Update

PROPOSAL:

It is proposed that the Governing Board of California Virtual Academy at San Diego approve the "Second Interim Budget Update."

BACKGROUND:

This report has been prepared using the Fiscal Crisis and Management Assistance Team's (FCMAT's) Local Control Funding Formula (LCFF) calculator.

The adopted budget for the 2024-25 fiscal year was based on an anticipated P2 ADA of 3,665 students. The current P2 ADA estimate for California Virtual Academy at San Diego has increased to 3,807 students, which is expected to generate \$57,311,911 in funding. The current budget anticipates an ending fund balance of \$5,297,575, which includes an estimated surplus of \$247,581 in the current fiscal year, which California Virtual Academy at San Diego will retain and carry forward into future fiscal years.

BUDGET IMPLICATIONS:

The forecasted revenue is \$57,311,911. The school anticipates an ending fund balance of \$5,297,575 for the 2024-25 school year.

RECOMMENDATIONS:

It is recommended that the Governing Board:

1. Approve the Second Interim Budget Update for the 2024-25 school year on behalf of California Virtual Academy at San Diego.
2. Authorize the Head of School to make budget adjustments periodically to include unanticipated revenue or unexpected costs that may arise.

RESPECTFULLY SUBMITTED

April Warren

Head of School

Fiscal Year 2024-25

Second Interim Budget

**CALIFORNIA
VIRTUAL
ACADEMIES**

California Virtual Academy at San Diego

Summary of Changes from Fiscal Year 2024-25 First Interim Budget

Category	Current	Incr (Decr)	Reason
ADA	3,839	(32)	-0.8% decrease compared to Fiscal Year 2024-25 First Interim Budget
LCFF Revenue	\$ 48,555,425	\$ (410,323)	Decrease primarily due to decrease in estimated P2 ADA
Restricted Revenue	\$ 8,535,594	\$ 1,015,799	Increase primarily due to an an increase in planned one-time state restricted funding expenditures
Expenses	\$ 57,064,330	\$ 487,457	Primarily due an estimated increase in one-time compensation for all employees, an increase in estimated SpEd contracted services, all of which partially offset by a rate driven decrease in student materials and services

Fiscal Year 2024-25 Second Interim Budget Highlights

SB740	49.65%	Certificated salaries and benefits, as a percent of revenue, is 9.7% higher than required
	84.28%	Instruction and instruction-related services, as a percent of revenue, is 4.3% higher than required
K12 Invoice Credits \$	-	Amount of credits issued by K12 for Fiscal Year 2024-25, which guarantee the school does not end the year with a deficit

Fiscal Year 2024-25

Second Interim Budget Comparison

Description	Object Code	2024-25 Adopted Budget	2024-25 First Interim Budget	2024-25 Second Interim Budget	vs. First Interim Budget	
					Increase (Decrease)	% Change
P2 ADA		3,665	3,839	3,807	(32)	-0.84% ^a
A. REVENUES						
1. LCFF/Revenue Limit Sources	8010-8099	\$ 46,978,452	\$ 48,965,748	\$ 48,555,425	\$ (410,323)	-0.84% ^b
2. Federal Revenues	8100-8299	1,977,653	2,056,424	2,031,971	(24,453)	-1.19% ^c
3. Other State Revenues	8300-8599	4,842,903	5,463,371	6,503,623	1,040,252	19.04% ^d
4. Other Local Revenues	8600-8799	129,398	91,329	220,892	129,562	141.86% ^e
5. TOTAL REVENUES		\$ 53,928,406	\$ 56,576,873	\$ 57,311,911	\$ 735,038	1.30%
B. EXPENDITURES						
1. Certificated Salaries	1000-1999	\$ 16,886,012	\$ 18,201,074	\$ 19,051,622	\$ 850,548	4.67% ^f
2. Non-certificated Salaries	2000-2999	1,138,040	976,694	1,016,565	39,871	4.08% ^g
3. Employee Benefits	3000-3999	6,214,325	6,802,001	6,675,379	(126,621)	-1.86% ^h
4. Books and Supplies	4000-4999	11,122,948	11,623,002	10,283,637	(1,339,365)	-11.52% ⁱ
5. Services and Other Operating Expenditures	5000-5999	18,464,939	18,861,661	19,921,362	1,059,701	5.62% ^j
6. Capital Outlay	6000-6999	102,142	112,442	115,765	3,323	2.96% ^k
7. Other Outgo	7100-7499	-	-	-	-	
8. TOTAL EXPENDITURES		\$ 53,928,406	\$ 56,576,873	\$ 57,064,330	\$ 487,457	0.86%
C. EXCESS (DEFICIENCY) OF REVENUE OVER EXPEND. BEFORE OTHER FINANCING SOURCES		-	-	247,581	247,581	
D. OTHER FINANCING SOURCES/USES		-	-	-	-	
E. NET INCREASE (DECREASE) IN FUND BALANCE		-	-	247,581	247,581	

EXPLANATION OF VARIANCES:

- a -0.8% decrease compared to Fiscal Year 2024-25 First Interim Budget
- b Decrease primarily due to decrease in estimated P2 ADA
- c Primarily due to a decrease in planned Title spending
- d Increase primarily due to an increase in planned one-time state restricted funding expenditures, partially offset by an enrollment driven decrease in State SpEd funding
- e Estimated increase in interest income
- f Primarily due to addition of one-time compensation for all employees as a result of payroll transition
- g Primarily due to an increase in school's allocation of restricted funded classified FTEs
- h Primarily due to an estimated decrease in employer portion of health benefits
- i Primarily due to a rate-driven decrease in student materials and services
- j Primarily due to elimination of estimated FY25 K12 Invoice Credits, and an increase in estimated SpEd contracted services expenditures
- k Due to estimated increase in asset purchases - employee computers and technology

California Virtual Academy at San Diego

Fiscal Year 2024-25 Second Interim Budget

Senate Bill 740 Instructional Cost		
Certificated Salaries and Benefits	Object Code	Total
Certificated Teacher Salaries	1100	\$ 18,165,525
Cert. Supervisors' and Admin. Salaries	1300	\$ 886,097
Additional Certificated Personnel Pay	1900	\$ -
Certificated Employee Benefits	3000-3999	\$ 6,220,532
Special Ed. - Certificated Contract Services (Certificated Portion - 80%)	5100	\$ 3,075,550
Certificated Staff Cost		\$ 28,347,704
Non-Certificated Support Salaries	2200	\$ 1,016,565
Non-Certificated Employee Benefits	3000-3999	\$ 454,847
Approved Textbooks and Core Curricula Materials	4100	\$ 9,905,873
Materials and Supplies	4300	\$ 377,764
Special Ed. - Certificated Contract Services (Non-certificated portion - 20%)	5100	\$ 341,728
Travel and Conferences	5200	\$ 281,298
Inst. Computers/Printers/Leasing	5600	\$ 2,592,184
Contract - Student Instructional Technology (7%)	5800	\$ 4,103,038
Other Instructional and Operating Expenditures	5800	\$ 30,483
ISP Services/Telephone	5900	\$ 666,997
Instruction & Instruction-Related Costs		\$ 19,770,777
Total Instructional Cost		\$ 48,118,481

SB 740 Requirement	Expenditures	Federal & State Revenues	% Spent (Expenditures / Revenues)
A. Certificated Teachers' Salaries and Benefits	\$ 28,347,704	\$ 57,091,019	49.65%
B. Total Instructional Costs	\$ 48,118,481	\$ 57,091,019	84.28%
C. PTR (Pupil-Teacher Ratio)	21.22 : 1		

Note:

In order to qualify for a 100% funding recommendation from ACCS, California Virtual Academy at San Diego needs to meet the following criteria:

- 1) Line A. must equal or exceed 40 percent,
- 2) Line B. must equal or exceed 80 percent, AND
- 3) Line C. PTR (Pupil-Teacher Ratio) cannot exceed of 25:1

K12 Invoice Credit Methodology

In the school's agreement with K12, Inc., K12, Inc. issues invoice credits, to be applied to K12 invoices, within the school year so that the school's revenues meets all operating expenses with no deficit. As a result, the audited financials for fiscal year 2024-25 will show a balanced budget.

K12 Charges	Original Invoice	Invoice Credits	Revised Invoice
Support Services Fees (13%)	\$ 7,619,928	\$ -	\$ 7,619,928
Technology Fees (7%)	\$ 4,103,038	\$ -	\$ 4,103,038
OLS - Curriculum & Development	\$ 7,650,144	\$ -	\$ 7,650,144
Instruction Materials	\$ 1,883,674	\$ -	\$ 1,883,674
Inst. Computers/Printers/Leasing	\$ 2,495,978	\$ -	\$ 2,495,978
Total Net K12, Inc.-Related Expenditures	\$ 23,752,763	\$ -	\$ 23,752,763

**TO: CALIFORNIA VIRTUAL ACADEMY AT SAN DIEGO
GOVERNING BOARD**

BOARD REPORT # 03

VIA: CALIFORNIA VIRTUAL ACADEMY STAFF

February 25, 2025

SUBJECT: The ratification of disbursements made by California Virtual Academy at San Diego from November 2024 through January 2025.

PROPOSAL:

It is proposed that the Governing Board of California Virtual Academy at San Diego ratify the disbursements made by the school from November 2024 through January 2025.

BACKGROUND:

On a monthly basis, California Virtual Academy at San Diego has been sending the board president a payment listing of all disbursements made each month, whether by check, or electronic payment processing, on behalf of the school. The monthly listing includes each payment date, reason for payment, account coding and amount. This board report presents the disbursements from November 2024 through January 2025.

BUDGET IMPLICATIONS:

The total disbursements for the months of November, December, and January were \$4,051,424, \$3,405,226, and \$4,075,055, respectively.

RECOMMENDATIONS:

It is recommended that the Governing Board ratify the disbursements made by California Virtual Academy at San Diego from November 2024 through January 2025.

RESPECTFULLY SUBMITTED

April Warren
Head of School

**TO: CALIFORNIA VIRTUAL ACADEMY AT SAN DIEGO
GOVERNING BOARD**

BOARD REPORT #04

VIA: CALIFORNIA VIRTUAL ACADEMY STAFF

February 25, 2025

SUBJECT: 2024-25 Employment Agreements and Terminations

PROPOSAL:

It is proposed that the Governing Board of the California Virtual Academy at San Diego ratify the following 2024-25 Employment Agreements and Terminations.

BACKGROUND:

California Virtual Academy at San Diego offered contracts to teachers to meet the enrollment demands of the 2024-25 school year.

New Hires:

Last Name	First Name	Title	FTE
Romo	Andrea	Education Specialist, HS	1.0
Anderson	James	Teacher, Middle School	1.0
Whitt	Elizabeth	Teacher, Middle School	1.0
Lumme	Amy	Teacher, Middle School, Substitute	0.0

Terminations/Resignations:

Last Name	First Name	Title	FTE
Johnsen	Brian	Education Specialist, K5	1.0
Weber	Pascal	English Language Development Specialist	1.0
Aranda Kimbrough	Kimberly	Teacher, Elementary	1.0
White	Amy	Teacher, Elementary, Substitute	0.0
Kim	Sharon	Teacher, Middle School	1.0

BUDGET IMPLICATIONS:

Funding for these positions is provided through State apportionment based on Average Daily Attendance as reported by the school.

RECOMMENDATIONS:

It is recommended the Governing Board:

1. Ratify the offered 2024-25 Employment Agreements and Terminations
2. Authorize Designee of Board of Directors to sign the 2024-25 Employment Agreements on behalf of California Virtual Academy at San Diego.

BOARD REPORT #05

VIA: CALIFORNIA VIRTUAL ACADEMY STAFF

February 25, 2025

SUBJECT: 2025-2026 School Calendar

PROPOSAL: It is proposed that the Governing Board of the California Virtual Academy at San Diego approve the 2025-2026 school calendar.

BACKGROUND: The school calendar was developed to identify the number of school days and important dates for the 2025-2026 school year.

BUDGET IMPLICATIONS:

N/A

RECOMMENDATIONS:

It is recommended the Governing Board:

1. Approve the 2025-2026 school calendar.

APPROVED

**TO: CALIFORNIA VIRTUAL ACADEMY AT SAN DIEGO
GOVERNING BOARD**

BOARD REPORT #06

VIA: CALIFORNIA VIRTUAL ACADEMY STAFF

February 25, 2025

SUBJECT: School Accountability Report Card

PROPOSAL: It is proposed that the Governing Board of California Virtual Academy at San Diego approve the School Accountability Report Card.

BACKGROUND: Public schools in California are required to provide information to the community in the form of an annual School Accountability Report Card (SARC). The report includes information regarding achievement, resources, and demographics, allowing the public to compare schools. The data included is provided by DataQuest and the California School Dashboard.

BUDGET IMPLICATIONS: There are no budget implications.

RECOMMENDATIONS: It is recommended that the Governing Board approve the School Accountability Report Card.

RESPECTFULLY SUBMITTED

April Warren
Head of School

PREPARED BY:

Krista Mount
Director of Categorical Programs

PRESENTED BY:

Leah Fellows
Director, Engagement and Community

Ayes: 3

2023-2024 School Accountability Report Card

(Published During the 2024-2025 School Year)

CALIFORNIA
VIRTUAL
ACADEMIES™

POWERED BY STRIDE K12

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A hard copy of the School Accountability Report Card is available at your School Office, upon request.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu/>.

2024-25 School Description and Mission Statement

California Virtual Academy at San Diego is a charter school that provides a full-time online independent study program for TK–12 students. We are a WASC-accredited school that offers the innovative use of technology, a rigorous and interactive curriculum from Stride K12, individualized learning plans for each student, and accommodations to foster different learning styles. Serving about 4,000 students from the following counties, Imperial, Orange, Riverside, and San Diego.

California Virtual Academy at San Diego is dedicated to achieving academic growth while cultivating social and emotional competence for all students. We offer students an innovative educational experience in a safe online environment through daily

2024-25 School Description and Mission Statement

live instruction by highly qualified teachers, 24-hour access to rigorous curriculum and resources, and opportunities for a variety of social interactions in preparation to become well-rounded citizens.

About this School

2023-24 Student Enrollment by Grade Level

Grade Level	Number of Students
Kindergarten	262
Grade 1	252
Grade 2	269
Grade 3	228
Grade 4	245
Grade 5	254
Grade 6	292
Grade 7	329
Grade 8	340
Grade 9	291
Grade 10	328
Grade 11	333
Grade 12	257
Total Enrollment	3,680

2023-24 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
Female	52.5
Male	47.5
American Indian or Alaska Native	0.6
Asian	3
Black or African American	9.3
Filipino	1.7
Hispanic or Latino	56.3
Native Hawaiian or Pacific Islander	1.1
Two or More Races	6.9
White	21.1
English Learners	9.2
Foster Youth	0.2
Homeless	2.3
Socioeconomically Disadvantaged	68.5
Students with Disabilities	14.2

A. Conditions of Learning State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	124.40	96.35	135.80	95.85	228366.10	83.12
Intern Credential Holders Properly Assigned	0.00	0.00	0.00	0.00	4205.90	1.53
Teachers Without Credentials and Misassignments ("ineffective" under ESSA)	0.00	0.00	0.50	0.35	11216.70	4.08
Credentialed Teachers Assigned Out-of-Field ("out-of-field" under ESSA)	2.50	1.97	3.20	2.27	12115.80	4.41
Unknown/Incomplete/NA	2.10	1.68	2.10	1.53	18854.30	6.86
Total Teaching Positions	129.10	100.00	141.60	100.00	274759.10	100.00

Note: The data in this table is based on full-time equivalent (FTE) status. One FTE equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	114.50	94.76	123.70	94.72	234405.20	84.00
Intern Credential Holders Properly Assigned	0.10	0.09	0.10	0.08	4853.00	1.74
Teachers Without Credentials and Misassignments ("ineffective" under ESSA)	0.00	0.00	0.00	0.00	12001.50	4.30
Credentialed Teachers Assigned Out-of-Field ("out-of-field" under ESSA)	2.40	2.04	3.00	2.33	11953.10	4.28
Unknown/Incomplete/NA	3.70	3.09	3.70	2.86	15831.90	5.67
Total Teaching Positions	120.90	100.00	130.60	100.00	279044.80	100.00

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2022-23 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	131.40	96.96	140.50	96.74	231142.40	100.00
Intern Credential Holders Properly Assigned	0.00	0.00	0.00	0.00	5566.40	2.00
Teachers Without Credentials and Misassignments ("ineffective" under ESSA)	0.60	0.49	0.60	0.46	14938.30	5.38
Credentialed Teachers Assigned Out-of-Field ("out-of-field" under ESSA)	2.50	1.87	3.10	2.17	11746.90	4.23
Unknown/Incomplete/NA	0.90	0.66	0.90	0.62	14303.80	5.15
Total Teaching Positions	135.50	100.00	145.20	100.00	277698	100

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered "ineffective" under ESSA)

Authorization/Assignment	2020-21	2021-22	2022-23
Permits and Waivers	0.00	0.00	0
Misassignments	0.00	0.00	0.6
Vacant Positions	0.00	0.00	0
Total Teachers Without Credentials and	0.00	0.00	0.6

Credentialed Teachers Assigned Out-of-Field (considered "out-of-field" under ESSA)

Indicator	2020-21	2021-22	2022-23
Credentialed Teachers Authorized on a Permit or Waiver	0.00	0.20	0.9
Local Assignment Options	2.50	2.20	1.6
Total Out-of-Field Teachers	2.50	2.40	2.5

Class Assignments

Indicator	2020-21	2021-22	2022-23
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	0.00	0	0.7
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0.80	0.2	0

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

2024-25 Quality, Currency, Availability of Textbooks and Other Instructional Materials

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
- 2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
- 3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2022-23	School 2023-24	District 2022-23	District 2023-24	State 2022-23	State 2023-24
English Language Arts/Literacy (grades 3-8 and 11)	42	39	42	39	46	47
Mathematics (grades 3-8 and 11)	27	29	26	29	34	35

2023-24 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus

the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Subject	School 2022-23	School 2023-24	District 2022-23	District 2023-24	State 2022-23	State 2023-24
Science (grades 5, 8 and high school)	27.21	27.62	--	36.36	30.29	30.73

2023-24 CAASPP Test Results in Science by Student Group

This table displays CAASPP test results in Science by student group for students grades five, eight, and High School. Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded
All Students	1273	1213	95.29	4.71	27.57
Female	698	670	95.99	4.01	27.14
Male	575	543	94.43	5.57	28.10
American Indian or Alaska Native	--	--	--	--	--
Asian	37	35	94.59	5.41	37.14
Black or African American	121	116	95.87	4.13	25.22
Filipino	18	18	100.00	0.00	33.33
Hispanic or Latino	711	686	96.48	3.52	24.01
Native Hawaiian or Pacific Islander	11	11	100.00	0.00	36.36
Two or More Races	89	83	93.26	6.74	24.10
White	276	255	92.39	7.61	37.01
English Learners	102	98	96.08	3.92	10.31
Foster Youth	--	--	--	--	--
Homeless	32	31	96.88	3.12	22.58
Military	33	32	96.97	3.03	40.63
Socioeconomically Disadvantaged	832	793	95.31	4.69	23.19
Students Receiving Migrant Education Services	--	--	--	--	--
Students with Disabilities	204	188	92.16	7.84	14.59

2023-24 Career Technical Education Programs

In the 23-24 school year, the Career & College Prep campus began its sixth year with the following CTE programs and certifications offered:

1. Business and Finance Program:

Business Management Pathway

Finance Pathway

International Business Pathway

2. Marketing, Sales, and Services Program:

Entrepreneurship/Self-Employment Pathway

Marketing Pathway

Professional Sales Pathway

Multimedia Marketing & Business

3. Information and Communication Technologies Program:

Game and Simulation Pathway

Information Support and Services Pathway

2023-24 Career Technical Education Programs

Networking Pathway
Software and Systems Development Pathway

4. Health Sciences and Medical Technology Program:

Medical Assisting Pathway
Medical Coding Pathway
Sports Medicine Pathway

5. Arts, Media, and Entertainment Program:

Animation Pathway
Digital Photography Pathway
Game Design and Integration Pathway
Graphic Design Pathway
Web Design Pathway
Multimedia Production Pathway

6. Hospitality, Tourism, and Recreation Program:

Hospitality, Tourism, and Recreation Pathway

7. Multiple certification opportunities to include:

Microsoft Office Specialist
Entrepreneurship & Small Business
Communication Skills for Business
Project Management Ready
QuickBooks
First Aid, CPR/BLS
Certified Clinical Medical Assistant
IC3 Computing Fundamentals
Multiple IT Specialist certifications
Unity
Multiple Adobe certifications

All courses within each program/pathway are offered by highly qualified CTE teachers credentialed in the course of study. Students complete a course of study that includes a career exploration course, concentration courses that are pathway specific, and a capstone course. Certifications can be earned after completing relevant courses within a pathway and taking the necessary exam.

Middle School offered 2 career prep courses to 6th - 8th grade students: MS Careers Explorations I (6th) and MS Careers Explorations II (7th or 8th). Students who had previously taken the MS Careers Explorations II course were eligible to enroll in the following high school CTE courses:

TCH007 World of Computing (S1) and TCH008 Web Design (S2)
CAR095 IT Explorations
CAR017 Business and Marketing Explorations

The CTE Advisory Committee members come from a wide range of fields in business and industry, including current program offerings, as well as planned offerings.

- Building and Construction Trades, Manufacturing and Product Design
- Information and Communication Technologies
- Manufacturing and Product Development, Engineering and Architecture
- Post-Secondary
- Health Science and Medical Technology
- Arts, Media and Entertainment

2023-24 Career Technical Education (CTE) Participation

Measure	CTE Program Participation
Number of Pupils Participating in CTE	576
Percent of Pupils that Complete a CTE Program and Earn a High School Diploma	100
Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education	

Course Enrollment/Completion

This table displays the course enrollment/completion of University of California (UC) and/or California State University (CSU) admission requirements.

UC/CSU Course Measure	Percent
2023-24 Pupils Enrolled in Courses Required for UC/CSU Admission	99.17
2022-23 Graduates Who Completed All Courses Required for UC/CSU Admission	21.3

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2023-24 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
Grade 5	31.0	31.0	31.0	31.0	31.0
Grade 7	26.5	26.5	26.5	26.5	26.5
Grade 9	12.5	12.5	12.5	12.5	12.5

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2024-25 Opportunities for Parental Involvement

Direct parental involvement is fundamental to our school's success. Parents are actively involved from the time of initial enrollment by researching our program and choosing to enroll their child in our school. The onboarding process welcomes families, informs them of our enrollment requirements, and provides coaching and support to prepare them for success in our school. Parents work closely with their student's teachers when they have questions or concerns about their student's progress or curriculum.

Our program is enhanced by our commitment to providing a top-quality education to our students while providing training and engagement opportunities to our parents and families. Parents are trained to navigate the online school platform and coached on providing effective learning support under the guidance of highly qualified and certificated teachers. Parents are exposed to a content-rich curriculum, including mathematics and problem-solving, classic literature, a comprehensive retelling of the story of history, various musical genres, and great works of art. We keep parents informed and updated through the ParentSquare platform, social media, and the LC Community platform. We have many online and offline resources, live and on-demand, including Coffee Chats (parent connection opportunities on relevant topics led out by staff), parent training, Parenting with Purpose workshops (offering SEL resources and collaboration), attendance coaching and support, and parent orientations for new and returning families to ensure parents understand program expectations and students are engaged in learning.

Parents are an integral part of our school's student support team, helping us evaluate our program each year through meeting participation and regular feedback. Each year, when surveyed, parents state that they are actively involved in their child's education. Parents and families engage and connect with school staff and other students and families through our Family Teacher Organization (FTO), LC Community platform, and family activities and events. Parents are encouraged to participate and provide feedback through surveys and parent engagement meetings, give feedback on the LCAP and Title I services, and participate in school board meetings, and other parent activities. They are also encouraged to offer suggestions and feedback regarding outings, social events, and other activities. We have parent representatives in our school stakeholder meetings.

We have partnered with Care Solace to support the well-being of our community. This is a complimentary and confidential care coordination service for mental health and recovery, provided to students, staff, and families.

C. Engagement

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school Dropout Rates;
- High school Graduation Rates; and
- Chronic Absenteeism

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2021-22	School 2022-23	School 2023-24	District 2021-22	District 2022-23	District 2023-24	State 2021-22	State 2022-23	State 2023-24
Dropout Rate	13.9	18.8	19.6	14.2	26.4	24.4	7.8	8.2	8.9
Graduation Rate	83.6	80.2	79.4	79.7	72.6	74.6	87	86.2	86.4

2023-24 Graduation Rate by Student Group (Four-Year Cohort Rate)

This table displays the 2023-24 graduation rate by student group. For information on the Four-Year Adjusted Cohort Graduation Rate (ACGR), visit the CDE Adjusted Cohort Graduation Rate web page at www.cde.ca.gov/ds/ad/acgrinfo.asp.

Student Group	Number of Students in Cohort	Number of Cohort Graduates	Cohort Graduation Rate
All Students	286	227	79.4
Female	172	146	84.9
Male	114	81	71.1
Non-Binary	0.0	0.0	0.0
American Indian or Alaska Native	--	--	--
Asian	--	--	--
Black or African American	29	25	86.2

Socioeconomically Disadvantaged	224	173	77.2
Students Receiving Migrant Education Services	0.0	0.0	0.0
Students with Disabilities	54	35	64.8

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

2023-24 Chronic Absenteeism by Student Group

Student Group	Cumulative Enrollment	Chronic Absenteeism Eligible Enrollment	Chronic Absenteeism Count	Chronic Absenteeism Rate
All Students	4699	4410	410	9.3
Female	2482	2334	200	8.6
Male	2217	2076	210	10.1
Non-Binary	--	--	--	--
American Indian or Alaska Native	26	26	2	7.7
Asian	131	120	2	1.7
Black or African American	466	427	46	10.8
Filipino	70	68	4	5.9
Hispanic or Latino	2634	2490	258	10.4
Native Hawaiian or Pacific Islander	45	41	3	7.3
Two or More Races	351	344	20	5.8
White	974	894	75	8.4
English Learners	480	450	67	14.9
Foster Youth	28	23	3	13.0
Homeless	114	103	18	17.5
Socioeconomically Disadvantaged	3293	3095	333	10.8
Students Receiving Migrant Education Services	--	--	--	--
Students with Disabilities	745	699	89	12.7

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

C. Engagement

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions data.

Suspensions								
School 2021-22	School 2022-23	School 2023-24	District 2021-22	District 2022-23	District 2023-24	State 2021-22	State 2022-23	State 2023-24
0	0	0	0	0	0	3.17	3.6	3.28

This table displays expulsions data.

Expulsions								
School 2021-22	School 2022-23	School 2023-24	District 2021-22	District 2022-23	District 2023-24	State 2021-22	State 2022-23	State 2023-24
0	0	0	0	0	0	0.07	0.08	0.07

2023-24 Suspensions and Expulsions by Student Group

Student Group	Suspensions Rate	Expulsions Rate
All Students	0.00	0.00
Female	0.00	0.00

Students Receiving Migrant Education Services	0.00	0.00
Students with Disabilities	0.00	0.00

Note: To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

2024-25 School Safety Plan

The California Virtual Academy takes staff and student health and safety seriously. Because the school is a virtual school, there is no need for a school building where classes are held daily. The administrative office currently complies with all ADA, OSHA, and local health and safety requirements. The school has obtained all necessary permits for these offices including a building

2024-25 School Safety Plan

and fire marshal inspection and/or a certificate of occupancy.

Immunization forms and other pertinent medical records are kept (confidentially) on file by the school administration. Parents are expected to ensure that their children obtain proper immunizations before matriculating pursuant to Chapter 1 (commencing with §120325) of Part 2 of Division 105 of the Health and Safety Code. The school may exempt students from enrolling who are not properly immunized pursuant to §48216 (a-c) of the Education Code. Those parents who are having difficulty obtaining immunizations for their children will be provided information on where to get immunized in their community. All pertinent and required health and safety documentation is collected at the time of hire or enrollment, as appropriate. Documentation is on file in the student's records or employee records held in security at the Simi Valley, CA office. Copies of employee records and student records can be made available at the request of the School District.

The Comprehensive School Safety Plan is reviewed annually with educational partners in the fall and then updated by staff. The school board approves it every year in December. The plan is discussed with school staff at the beginning of each semester.

D. Other SARC Information Information Required in the SARC

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

2021-22 Elementary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per class). The "Other" category is for multi-grade level classes.

Grade Level	Average Class Size	Number of Classes with 1-20 Students	Number of Classes with 21-32 Students	Number of Classes with 33+ Students
K	8	35	2	5
1	10	21	4	3
2	13	12	4	3
3	12	16	7	1
4	10	21	4	2
5	14	15		6
6	5	116	13	3
Other	3	1		

2022-23 Elementary Average Class Size and Class Size Distribution

This table displays the 2022-23 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per class). The "Other" category is for multi-grade level classes.

Grade Level	Average Class Size	Number of Classes with 1-20 Students	Number of Classes with 21-32 Students	Number of Classes with 33+ Students
K	14	10	8	
1	25	1	10	
2	13	8	9	
3	9	19	8	
4	13	14	4	
5	16	7	7	
6	8	73	11	
Other	4	7		

2023-24 Elementary Average Class Size and Class Size Distribution

This table displays the 2023-24 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per class). The "Other" category is for multi-grade level classes.

Grade Level	Average Class Size	Number of Classes with 1-20 Students	Number of Classes with 21-32 Students	Number of Classes with 33+ Students
K	12	11	6	
1	7	28	7	
2	10	22	4	
3	6	36	3	
4	10	20	5	
5	11	17	6	
6	11	45	13	4
Other	5	6		

2021-22 Secondary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	20	36	22	5
Mathematics	19	34	14	3
Science	19	23	14	5
Social Science	20	26	16	10

2022-23 Secondary Average Class Size and Class Size Distribution

This table displays the 2022-23 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	17	61	17	2
Mathematics	19	36	18	2
Science	19	22	10	3
Social Science	19	32	16	5

2023-24 Secondary Average Class Size and Class Size Distribution

This table displays the 2023-24 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	18	48	32	2
Mathematics	20	35	24	5
Science	21	17	12	10
Social Science	20	30	14	11

2023-24 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Ratio
Pupils to Academic Counselor	2300

2023-24 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. The "Other" category is for all other student support services staff positions not listed.

Title	Number of FTE Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	1.6
Library Media Teacher (Librarian)	
Library Media Services Staff (Paraprofessional)	
Psychologist	4.1
Social Worker	
Nurse	
Speech/Language/Hearing Specialist	1.8
Resource Specialist (non-teaching)	
Other	

Fiscal Year 2022-23 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2022-23 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	\$13,043	\$2,951	\$10,092	\$65,743
District	N/A	N/A	\$8,171	
Percent Difference - School Site and District	N/A	N/A	21.0	0.0
State	N/A	N/A	\$10,771	\$79,413
Percent Difference - School Site and State	N/A	N/A	-6.5	-18.8

Fiscal Year 2023-24 Types of Services Funded

CAVA ensures that resources are allocated to support learning for all students while adhering to state and federal regulations. We receive Title I, Part A, Title II, Part A, and Special Education funds. Title I funds are primarily used to provide support for low achieving students. Support consists of academic, engagement, and social emotional. Title II funds are used for professional development for staff. Special Education services are offered within our full-inclusion, general education, independent study model. These services are available for all students who have been identified as qualifying for special services. All English Language Learners are provided an English Language Development program that includes online instruction and/or an online ELD program.

Fiscal Year 2022-23 Teacher and Administrative Salaries

This table displays the 2022-23 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Category	District Amount	State Average for Districts in Same Category
Beginning Teacher Salary		\$51,352
Mid-Range Teacher Salary		\$80,424
Highest Teacher Salary		\$103,442
Average Principal Salary (Elementary)		\$124,852
Average Principal Salary (Middle)		\$135,030
Average Principal Salary (High)		
Superintendent Salary		\$145,237
Percent of Budget for Teacher Salaries	6%	26%
Percent of Budget for Administrative Salaries	0%	6%

2023-24 Advanced Placement (AP) Courses

This table displays the percent of student in AP courses at this school.

Percent of Students in AP Courses	2.9
-----------------------------------	-----

This table displays the number of AP courses offered at this school where there are student course enrollments of at least one student.

Subject	Number of AP Courses Offered
Computer Science	0
English	2
Fine and Performing Arts	0
Foreign Language	0
Mathematics	2
Science	3
Social Science	4
Total AP Courses Offered	11

Where there are student course enrollments of at least one student.

Professional Development

This table displays the number of school days dedicated to staff development and continuous improvement.

Subject	2022-23	2023-24	2024-25
Number of school days dedicated to Staff Development and Continuous Improvement	17	17	17
